An Overview of Fundamental
Concepts

First published as a special issue of Target
(issue 25:1, 2013), this volume explores
interdisciplinarity in translation and

Read PDF Grove Crane Parts Manual T60 Manlift

interpreting process research, fields that have enjoyed a boom in the last decade. For this reason, the time was ripe for a reflection on the broad range of methodologies that have been applied in our endeavours to understand both translation and interpreting processes better. The ten chapters provide a snapshot

Read PDF Grove Crane Parts Manual T60 Manlift

of how translation and interpreting process researchers have availed themselves of concepts and theories developed in other disciplines, such as psychology, the cognitive sciences, journalism, and literary studies, to examine and illuminate their object of study. This collection demonstrates that translation and

Read PDF Grove Crane Parts Manual T60 Manlift

interpreting process research borrow heavily from other disciplines and call for a consideration of how translation research can become truly interdisciplinary through increased collaboration, synergy, and mutual advancement.
