T. S. Eliot's playful cat poems were originally composed for his godchildren, with Eliot posing as Old Possum himself, and later inspired the legendary musical "Cats." Now with vibrant illustrations by the award-winning Axel Scheffler.

To Libby Mason, Mr. Right has always meant Mr. Rich. A twenty seven-year-old publicist, she's barely able to afford her fashionable and fabulous lifestyle and often has to foot the bill for dates with Struggling Writer Nick, a sexy but perpetually strapped-for-cash guy she's dating (no commitments - really). So when Ed, Britain's wealthiest but stodgiest bachelor, enters the picture, her idea of the fairy tale romance is turned on it's head. Mr. Maybe is the tale of her heartfelt but hilarious deliberation, irresistibly chronicled by bestselling author Jane Green. On one hand, Nick makes up for his low bank-account balance by his performance in the sack, or in the bathtub, as the case may be. But life with him means little more than nightly trips to the bar, a dark and grungy apartment, and plenty of dull political tirades to boot. But those blue eyes, and that tender heart... On the other hand, there's Ed, whose luxurious house and gargantuan bank account are quite tempting to the starving Libby. But his unsavory mustache and bumbling ways make Libby wonder if the platinum AMEX and unlimited "retail therapy" are worth it. He may have fallen in love with her at first sight, but nothing seems to solve his lackluster performance in the sack - even speed reading *The Joy of Sex*. When the diamond shopping commences, Libby is forced to realize that the time for "maybe" is up. Taking romantic comedy to a hip, sparkling new level, Mr. Maybe is a classic tale of what happens to one girl when her heart and her head aren't looking for the same thing. With a laugh and minute and a heroine whose struggles in the dating jungle will remind you of your own, Mr. Maybe is a story that all will leave you smitten.

Come spend some time in Liz Climo's world! The artist and popular blogger returns with another collection of her comics--this time following the seasons with her most beloved characters. Fans love Liz Climo's charmingly funny animal kingdom, which was first featured in *The Little World of Liz Climo* and *Lobster is the Best Medicine*. *Best Bear Ever!* follows Bear and Rabbit, along with their other friends (including Otter, Sloth, Skunk, and Turtle), to commemorate special days throughout the year, while also embarking on fun adventures to celebrate the seasons. When you have good pals like these, any time of year can be the BEST EVER!

Animal lovers will laugh out loud at the quiriness of their feline friends with these insightful and curious poems from the singular minds of funny cats. In this hilarious, bestselling book of tongue-in-cheek poetry. The author of the internationally syndicated comic strip Sally Forth helps cats unlock their creative potential and explain their odd behavior to ignorant humans. With titles like "Who Is That on Your Lap?," "This Is My Chair," "Kneel Before Me," "Nudge," and "Some of My Best Friends Are Dogs," the poems collected in *I Could Pee on This* perfectly capture the inner workings of the cat psyche. With photos of the cat "authors" throughout, this whimsical animal book reveals kitties at their wackiest, and most exasperating (but always lovable). Ideal for that "crazy cat lady" or "cat mom/dad" in your life this collection of poems makes for the perfect cat-themed gift for anyone who's obsessed with our feline friends.

Highly acclaimed, award-winning author of *Act Like It* Lucy Parker returns readers to the London stage with laugh-out-loud wit and plenty of drama. The play's the fling. It's not actress Lily Lamprey's fault that she's all curves and has the kind of voice that can fog up a camera lens. She wants to prove where her real talents lie—and that's not on a casting couch, thank you. When she hears esteemed director Luc Savage is renovating a legendary West End theater for a lofty new production, she knows it could be her chance—if only Luc wasn't so dictatorial, so bad-tempered and so incredibly sexy. Luc Savage has respect, integrity and experience. He also has it bad for Lily. He'd be willing to dismiss it as a midlife crisis, but this exasperating, irresistible woman is actually a very talented actress. Unfortunately, their romance is not only raising questions about Lily's suddenly rising career, it's threatening Luc's

professional reputation. The course of true love never did run smooth. But if they're not careful, it could bring down the curtain on both their careers! This book is approximately 96,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise!

"Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!" --Reese Witherspoon Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.

Follow along with Mittens as he enjoys hilarious, snark-filled text volleys with his cast of quirky friends and family: Earl (the "filthy hound"), Stumpy (the best friend), Drunky Patty (the usually tipsy next-door neighbor), Grandma (giver of treats), and Fiona (Mitty's girlfriend). Based on Angie Bailey's virally popular blog, *Texts from Mittens: The Friends and Family Edition* is feline humor at its finest.

What happens when your cat makes a mistake like ruining something valuable or going outside the litter box? You can't ground or take away their allowance when your cat gets in trouble. So what is the next best thing? Cat Shaming! Cat Shaming is a hilarious collection of photos from owners who express their frustration when their furry best friend does something bad. Millions of cat owners can relate to the antics of these felines while the picture shows a shamed but adorable, innocent looking kitty.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

photographic motivation. The book's primary goal is to draw the attention of readers to the absolute importance of light and how to make the best use of it, with an emphasis on being in the right place at the right time, anticipating fine light and ensuring that for the short duration that those qualities are present, they are successfully recorded to film or pixel. However, composition and technical expertise are also vitally important and Ian outlines the best field techniques for choosing the correct exposure, discusses depth of field, hyper-focal focusing, exposure bracketing and the use of appropriate filters.

Microsoft PowerPivot is a free add-on to Excel from Microsoft that allows users to produce new kinds of reports and analyses that were simply impossible before, and this book is the first to tackle DAX formulas, the core capability of PowerPivot, from the perspective of the Excel audience. Written by the world's foremost PowerPivot blogger and practitioner, the book's concepts and approach are introduced in a step-by-step manner tailored to the learning style of Excel users everywhere. The techniques presented allow users to produce, in hours or even minutes, results that formerly would have taken entire teams weeks or months to produce. The "pattern-like" techniques and best practices contained in this book have been developed and refined over two years of onsite training with Excel users around the world, and the key lessons from those seminars costing thousands of dollars per day are now available within the pages of this easy-to-follow guide. This updated edition covers new features introduced with Office 2015.

Express your cat-titude! Surly star of the Internet and hero of naysayers everywhere, Grumpy Cat has no use for fun and happiness. Tell the world no, nope, and not a chance with 19 colorful stickers that feature Grumpy and sullen sidekick Pokey, in all their glorious gloom.

Our dogs are our best friends. They are always happy to see us. They comfort us in our times of need. They also eat our shoes, stain our carpets, and embarrass us in front of our guests. Based on the runaway web phenomenon, Dog Shaming features hilarious and adorable photos of petulant pups accompanied by notes detailing their misdeeds: waking sleeping babies, eating vomit, chasing postmen, unplugging alarm clocks, peeing on stuff, etc. So share in the shaming and laugh through your frustration as Dog Shaming reminds us that unconditional love goes both ways.

This work reconsiders the influential nativist position towards the mind. It claims that the view that certain skills are hardwired into the brain is mistaken, arguing that nativism is an unstable amalgam of two quite different - and probably inconsistent - theses.

THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING ELDER RACES SERIES! Half-human and half-wyr, Pia Giovanni spent her life keeping a low profile among the wyrkind and avoiding the continuing conflict between them and their Dark Fae enemies. But after being blackmailed into stealing a coin from the hoard of a dragon, Pia finds herself targeted by one of the most powerful—and passionate—of the Elder races. As the most feared and respected of the wyrkind, Dragos Cuelebre cannot believe someone had the audacity to steal from him, much less succeed. And when he catches the thief, Dragos spares her life, claiming her as his own to further explore the desire they've ignited in each other. Pia knows she must repay Dragos for her trespass, but refuses to become his slave—although she cannot deny wanting him, body and soul...

Can a cat be an accessory to a prison break? (It can.) Would your precious pet turn violent? Yes--a couple in Seattle had to call the police to save them from their ferocious feline. Featuring brand new as well as classic photos, and including grump-inspiring activities and games, Grumpy Cat delivers unmatched, hilarious grumpiness that puts any bad mood in perspective.

In a world filled with inspirational know-it-alls and quotable blowhards, only one figure is indifferent enough to tell the cranky truth: Grumpy Cat. Following the success of her New York Times bestselling debut, everyone's favorite disgruntled feline is back with this demotivational guide to everyday life, love, friendship, and more. Featuring many new photos of Grumpy Cat's famous frown and packed with uninspiring observations, The Grumpy Guide to Life will help anyone get in touch with their inner grouch.

Often seen as sad, rejected, and behind cold metal bars, it's no wonder people would avoid images of shelter dogs awaiting forever homes. From talented photographer (and now public figure and adoption champion) Guinnivere Shuster comes Shelter Dogs in a Photo Booth, a guaranteed-to-make-you-smile photo book featuring shelter dogs in a brand-new light. Get ready to see the cutest canine portraits you've ever seen!

Guinnevere's fantastic photos went viral and have been featured on websites, in magazines, and on television programs all over the world: Good Morning America, NBC, ABC, MSNBC, The Huffington Post, Time, The Daily Mail . . . even celebrities have gotten in on the action: Amy Poehler, Cesar Millan, and Zooey Deschanel have made statements and posts declaring their love of Guinnevere's work. After the adorable and up-for-adoption photos of these furry friends were seen and enjoyed by millions, adoption rates at Utah's Humane Society skyrocketed. The book features 100 dog photo booth style photographs, each accompanied by a short story about the dog's personality, how the dog ended up in the shelter, and the adoption date. A follow-up will conclude the book, with photos of some of them with their new families. A portion of the proceeds of this book will benefit the Humane Society of Utah and Best Friends Animal Society.

Cats on Catnip

A humorous collection of dozens of photos of funny and adorable cats as they play with, roll in, and chow down their favorite snack of choice -- catnip. Cats love catnip. Whether it's eating it, playing with it, or rolling around in it, catnip turns our domestic feline friends into hilarious balls of activity. Carefree and unconstrained, they are free to be silly, exceptionally playful, and downright gnarly. Professional pet photographer and self-confessed crazy cat man Andrew Marttila (the photographer behind Shop Cats of New York) captures a range of the cats' silly and expressive personalities as they react to their catnip trip. Delightful, elegant Fluffy transforms into a hell-bent renegade. Shy, reserved Mittens becomes a free-loving acrobat. In the blink of an eye, a cat's expression transforms from bored to inquisitive to playful to curious to bizarre . . . to utterly unhinged. A fun and delightful look at our furry companions, this gift book is perfect for every cat lover.

"It's official. That thing that classic art has been missing is a chubby reclining kitty." —The Huffington Post Internet meme meets classical art in Svetlana Petrova's brilliant Fat Cat Art. Featuring her twenty-two-pound, ginger-colored cat Zarathustra superimposed onto some of the greatest artworks of all time, Petrova's paintings are an Internet sensation. Now fans will have the ultimate full-color collection of her work, including several never-before-seen pieces, to savor for themselves or to give as a gift to fellow cat lovers. From competing with Venus's sexy reclining pose (and almost knocking her off her chaise lounge in the process) in Titian's Venus of Urbino, to exhibiting complete disdain as he skirts away from God's pointing finger in Michelangelo's Creation of Adam, Zarathustra single-handedly rewrites art history in the way that only an adorable fat cat can.

As a technical organization, charged with performing groundbreaking and pathfinding challenges on a daily basis, NASA has long valued the role of its Chief Engineers and Lead Systems Engineers. Although it takes a team to accomplish our missions and no members are unimportant, the Chief Engineers and Lead Systems Engineers who we look to lead our technical teams are critical to the success of our endeavors. It is this corps of dedicated, experienced, and passionate problem solvers and leaders who battle the technical headwinds that face every project, finding often hidden solutions and overcoming seemingly insurmountable obstacles to create paths to success. Furthermore, it is that indomitable spirit of ingenuity and perseverance that defines the Agency. Developing our Chief Engineers and Lead Systems Engineers is a commitment of the NASA engineering community, and one of our tenets for excellence. This development ensures our corps of engineers obtain the depth of technical acumen that they require, first as discipline engineers and then as Chief Engineers and Lead Systems Engineers, but also the associated management skills and experience to ensure they can interact with the rest of the project team and with program, Center, and Agency leadership. What's more, this

development also ensures that NASA Chief Engineers and Lead Systems Engineers proficiently serve as leaders of their own technical teams, and that's what this book is all about. These technical leaders are critical to successfully implementing the three safety tenets we inherited from the Apollo program. These include the following: Strong in-line checks and balances. This means that engineers check their fellow engineers, and that no one checks their own homework. 1. Healthy tension between responsible organizations. In NASA today that is the programs and the three Technical Authorities (Engineering, Safety, and Health and Medical). Each organization has to be on equal footing with separate but equal chains of command to allow issues to be raised independently and provide the healthy tension to create organizational checks and balances. 2. "Value-added" independent assessment. "Value-added" means you bring in outside technical experts to peer review critical issues. Having a fresh set of eyes on a problem can provide a different perspective, leverage different experiences and result in more robust solutions. 3. NASA arrived at these three tenets through considerable blood, sweat, and loss, and our commitment to them is now inscribed in our Agency governance. As Chief Engineers and Lead Systems Engineers, your role in this is paramount, and achieving excellence in this is an expectation of your job. Serving in this role is not an easy task, but it is a tremendously rewarding one. You are the leaders of your technical teams, owners of the technical baseline, standard bearers of engineering best practices, decision makers, risk mitigators and problem solvers. You are Chief Engineers and Lead Systems Engineers, the title of which should say it all.

A celebration of humanity's feline fixation from the author of Dogtology. Does your cat own you? What has caused us to enthrone cats as the most popular pet on the planet? Why do we devote so much of our time and income to grooming, feeding, coddling, photographing, praising, providing laps for, and "entertaining" our cats? If an anthropologist from outer space were to study our civilization objectively, would she not conclude that our devotion to Cat amounted to nothing less than a full-blown religion? Would she be wrong? Catakism, the belief system, is rooted in a bold premise: namely, that felines are humanity's biological and spiritual masters. By allowing Man to handle all of Her low-level needs, Cat is free to do the higher-level spiritual work that Man has no time for, such as meditating seventeen hours a day, teleporting into locked rooms and cabinets, communing with disembodied spirits, and reeducating humanity on the true purpose of boxes, bags, and keyboards. "Cat servants—this book is all about you and your devotion to all things feline. Think I'm overdoing it? I have two words. Cat videos . . . How do I worship at the altar of Cat? This book helps me count the ways." —Dear Author

New York Times bestselling author Cora Carmack's young adult debut: Roar. In a land ruled and shaped by violent magical storms, power lies with those who control them. Aurora Pavan comes from one of the oldest Stormling families in existence. Long ago, the ungifted pledged fealty and service to her family in exchange for safe haven, and a kingdom was carved out from the wildlands and sustained by magic capable of repelling the world's deadliest foes. As the sole heir of Pavan, Aurora's been groomed to be the perfect queen. She's intelligent and brave and honorable. But she's yet to show any trace of the magic she'll need to protect her people. To keep her secret and save her crown, Aurora's mother arranges for her to marry a dark and brooding Stormling prince from another kingdom. At first, the prince seems like the perfect solution to all her problems. He'll guarantee her spot as the next queen and be the champion her people need to remain safe. But the more secrets Aurora uncovers about him, the more a future with him frightens her. When she dons a disguise and sneaks out of the palace one night to spy on him, she stumbles upon a black market dealing in the very thing she lacks—storm magic. And the people selling it? They're not Stormlings. They're storm hunters. Legend says that her ancestors first gained their magic by facing a storm and stealing part of its essence. And when a handsome young storm hunter reveals he was born without magic, but possesses it now, Aurora realizes there's a third option for her future besides ruin or marriage. She might not have magic now, but she can steal it if she's brave enough. Challenge a tempest. Survive it. And you become its master.

Roar

In this funny, uncannily wise portrait of the dynamics of a sixth-grade class and of the greatness that sometimes comes in unlikely packages, Dwight, a loser, talks to his classmates via an origami finger puppet of Yoda. If that weren't strange enough, the puppet is uncannily wise and prescient. Origami Yoda predicts the date of a pop quiz, guesses who stole the classroom Shakespeare bust, and saves a classmate from popularity-crushing embarrassment with some well-timed advice. Dwight's classmate Tommy wonders how Yoda can be so smart when Dwight himself is so clueless. With contributions from his puzzled classmates, Tommy assembles this first case file in the blockbuster bestselling Origami Yoda series, written by Tom Angleberger, author of Star Wars: Return of the Jedi: Beware the Power of the Dark Side, and hailed by School Library Journal as "honest, funny, and immensely entertaining."
