**"This book introduces readers to crystals and gems"--**

**An important feature of the book is a comprehensive visual identification key. This makes it easy for the reader to recognize the type of a stone, and so move on to the correct section of the book for a detailed identification. The main part of the book examines each major group of gems from every part of the world, with each group divided into clearly structured units. The first section deals with precious gems in their many forms, with illustrations of priceless jewellery. The second and longer section concentrates on the semiprecious and novelty stones, the agates and the crystals used ably many professional and amateur jewellers and purchased by the majority of collectors and jewellery enthusiasts.**

**The Crystal Alchemist goes beyond the basics of most reference books to offer specifics on how you can enhance your life with crystals every day. Crystals have long been known for their beauty and mysterious qualities. And, when used strategically, crystals can also help you cultivate a more conscious, contemplative, spiritually fulfilling life. Whether you're new to gems and stones or have been collecting for years, this brilliant and comprehensive guide will show you how to best use them in daily rituals. Written by healer, metaphysical practitioner, and Reiki master teacher Karen Frazier, The Crystal Alchemist provides everything you need to know to tap into the truly transformative power of crystals. You'll learn how to: Choose crystals based on their unique, healing properties Properly care for your crystals Place crystals in strategic locations for maximum benefit Meditate with crystals Wear or carry your crystals Use crystals for personal care practices Set intentions and create mantras With The Crystal Alchemist, you'll discover more than just the properties, colors, and types of gems and stones. You'll find ways to personally incorporate crystals into each and every day to create a life of contemplation, intention, value, and meaning.**

Introducing the Crystal Gems from Steven Universe! The Crystal Gems--Garnet, Amethyst, and Pearl--are three of the toughest heroes on earth. They are also mentors to Steven Universe, a gem/human hybrid boy whose mother was a great Gem leader. This guide, told from Steven's point-of-view and written by the show's very own creator, Rebecca Sugar, is packed with facts about the Crystal Gems' powers, abilities, and origins, It also includes original art and a special introduction from Rebecca Sugar. This book is a must-have for any Steven Universe fan!

A fun-filled book based on Steven Universe, the hugely popular Cartoon Network show about Steven, a lovable boy with growing magical abilities and the Crystal Gems, a trio of powerful women who watch over Steven and protect humankind. This 208-page Steven Universe trivia book contains 300 awesome facts about Steven and his family, the Crystal Gems, and the cast of characters from Beach City. Get answers to burning questions like, "Where does Lion come from?", "Why is Garnet a woman of such little words?", and "How many cookie cats can Steven eat?" A must-have for Steven Universe fans!

Introduces over four hundred different gemstone specimens, with descriptions, identification tips, and classification information for each stone.

Do you think you know the truth about what happens in Beach City? THINK AGAIN! Fans of Steven Universe know that Steven and the Crystal Gems are behind most of the strange occurrences that happen in their hometown of Beach City. But Ronaldo Fryman, the town's resident blogger and conspiracy theorist, has some other ideas. This book, created by show writers Ben Levin and Matt Burnett, is a companion to Ronaldo's blog of the same name, and includes his favorite theories and collected evidence. Is Ronaldo a raving, delusional madman or a brilliant, misunderstood visionary (or a little bit of both)? You be the judge!

A comprehensive manual for using crystals, gems, and stones to address physical, emotional, and spiritual health conditions [] Includes an extensive Materia Medica detailing the healing and spiritual properties of 200 crystals and stones based on Classical Chinese Medicine [] Explores the role played by the color of each stone, its Yin and Yang qualities, crystalline structure, chemical composition, and topical and internal applications [] Explains how to make stone and crystal elixirs, wear stones as healing jewelry, use them in massage and energy work, and cleanse and recharge them [] Based on the oral teachings of Dr. Jeffrey C. Yuen, a Taoist priest from the ancient lineage of the Jade Purity School (88th generation) masters In addition to herbalism and acupuncture, Chinese Medicine has a rich tradition of using stones as medicine, passed from generation to generation for thousands of years. In this comprehensive guide and extensive Materia Medica, Leslie J. Franks presents the Stone Medicine teachings of Dr. Jeffrey C. Yuen, an 88th generation Taoist priest from the ancient lineage of the Jade Purity School, which dates to the Han dynasty, 206 BCE. Detailing the therapeutic properties of 200 gems, stones, minerals, and crystals, Franks begins with an extensive look at 15 different forms of quartz, followed by chapters on transformative stones, protective stones, nourishing stones, source energy stones, and alchemical stones. She explains the physical, emotional, and spiritual conditions each stone can treat and how their color, form, hardness, and energetic qualities affect us according to Chinese Medicine. She discusses how to make stone and crystal elixirs for internal and topical use, how to charge quartz with the healing properties of other stones, how to cleanse and recharge a stone after use, and how to combine stones to create healing formulas for individual conditions. She explains different techniques of wearing stones as healing jewelry and how to use them in massage and energy work. She examines the chemistry and sacred geometry of crystal structure, revealing how the minerals contained in the stones affect our physiology by supporting our Jing (Essence); by nourishing Qi (energy), blood, and fluids; and by clearing Wind, Cold, Damp, and Heat conditions that can lead to disease. Including a thorough primer on Traditional Chinese Medicine and backed by modern scientific research, this book explains how stones access our deepest layers, vibrating ever so slowly, to initiate deep lasting change.

A new book about love and friendship by New York Times bestselling author and creator of Steven Universe, Rebecca Sugar. When Gems fuse, their forms combine to create a Gem that is bigger, stronger, and more powerful than they are apart. But more importantly, Fusion is a process built on love, trust, and communication. It's like a dance that is perfectly in sync, or a conversation filled with perfect understanding. Learn all about Fusion with Steven, Garnet, Amethyst, Pearl, and the rest of the Gems on Earth as they share what Fusion—and love—mean to them. A perfect gift for Valentine's Day or any special occasion.

Offers information on the healing powers of crystals, including what stones are best for romance, career advancement, and health.

When we first get started with the healing power of crystals the names of gems and precious stones and their unique healing properties is tricky to remember. With so many beautiful gemstones that attract us, our collection can grow quickly and it's sometimes hard to keep track of and identify what we have. We love the light shimmering through the stone, the feel of its weight in the palm of our hand, and the soft vibration of its energy as we sit quietly and breathe, holding it close to our heart. A few weeks or months later however, the names of precious stones may have slipped our mind, or we may have forgotten which energy chakras we'd originally intended this crystal for. Now, with this beautiful paperback journal you can record the unique traits of your precious stones and refer back to it whenever you need to. It's an ideal crystals for beginners companion for the crystal and gemstone enthusiast. Features include: Size: 6" x 9" 120 pages Lightweight and portable - carry it in your bag or tuck it on the shelf next to your collection Each gemstone has its own double page spread to record name, color, description and special characteristics, healing properties and any specific/personal uses as well as other comments for care and maintenance. There's also space to draw a sketch or insert a photograph of each gemstone Record up to 60 gemstones in this journal. Once it's full, purchase another and keep collecting and recording! Whether you collect astrology stones, crystals for the chakras of the body or have a crystal skull collection, there is space in this gemstone record book to note all the important details to help you identify each of your precious and semi precious stones. If it's worth collecting, it's worth recording. Get your 'Little Gems' gemstone record book today and enjoy building and learning more about your collection.

Step-by-step Questions and Answers with detailed color photographs for easy identification. The Firefly Guide to Minerals, Rocks and Gems is designed for easy and reliable identification of minerals, gems and rocks. The identification process begins with the color, which is how the book is organized: Blue, Red, Yellow, Brown, Green Black and White. Using a sequence of straightforward questions and answers -- aided by over 1,000 photographs and drawings -- the book narrows down the possibilities among 350 different minerals, gems and rocks to reach the conclusive classification. Identification is then further narrowed down with respect to Crystal form, Hardness, Luster, Density, Cleavage, Break and Tenacity. Each rock's main photograph shows the general or typical view, and identification features are noted in the margins of the respective page. Similar stones are presented for comparison and tips are provided that can eliminate imposters. Drawings show the mineral's crystal shape. The chemical formula reveals the elements from which the stone is composed. There is also information about where the stone is typically found and some of the ways that humans have utilized it. Packed with beautiful photographs of earth's many rocks, minerals and gems, The Firefly Guide to Minerals, Rocks and Gems is a must-have for mineralogists and collectors.

*The definitive resource for working with powerful crystals! Sparkling, luminous, and colorful, it is no wonder crystals have always been regarded as a source of power from ancient times to present day. But with the enormous number of crystals now on the market, it is difficult to choose exactly the right stone. In 101 Power Crystals, internationally renowned crystal expert Judy Hall brings together 101 crystals that are powerful across a wide spectrum of uses and suitable for all types of user. Not all crystals suit everyone, and the selection has been specially chosen to offer alternatives and new possibilities that may not have been thought of before. This distinctive collection includes high vibration crystals that experienced crystal practitioners will want to explore as well as those with earthier vibrations that are suited to beginners or those developing their sensitivities. It also features some rare and recently discovered crystals and stones that have not been included in any other volume, such as Aurora Quartz, Que Sera, Trignonic Quartz, and Preseli Bluestone. Each entry covers the history, mythology, and symbolism of the crystal in addition to its healing properties and environmental effects. There are crystals and stones for love, health, protection, abundance, and many other powers.*

Details the powerful effects of gems as an alternative therapy for physical, psychological, and spiritual healing • Reveals the physical, healing, and astrological properties of over 70 minerals, along with instructions for maintaining and recharging their powers • Examines the "life" energy of stones, their basic vibratory patterns, and how this energy is used therapeutically to treat various disorders • Shows how to use gems in color therapy and to harmonize the chakras Gemstones have been used for both therapeutic and spiritual purposes since the beginning of time and in all traditions. Used properly, they can contribute to and accelerate healing through the practice of lithotherapy, which uses gems and minerals to restore enzymatic functions, and they can energize spiritual development. Alternative medicines such as homeopathy have given prominence to the therapeutic character of certain minerals, but the use of gemstones in expanding awareness or establishing a holistic, energetic connection with the stone itself have scarcely been brought forward. In this reclaiming of ancient wisdom, Florence Mégemont explores the many potent and beneficial dimensions of the mineral world. Over 70 precious and semiprecious stones are inventoried as to their principal deposits, therapeutic applications, and zodiac correspondences. Readers will discover which physical and emotional disorders can be relieved by using which minerals and--with the application of chakra therapy--which gemstones are indispensable to their spiritual health. While not proposing that lithotherapy is a substitute for traditional allopathic treatment, Mégemont shows that it can be a powerful complement to it. Additionally, stones can act preventively, energizing both our health and spiritual resources to a state of balance and attunement.
