Encourage reading skills by highlighting the high frequency words essential for beginning readers. With our resource, students will begin to think of words as not only a series of individual letters and sounds, but as easily recognizable chunks of language. Make a word by adding an onset, like "sn", to the rime, like "ail". Then, say the word out loud. Finish a sentence by matching words, like "sweep" and "keep", to the boxes that show tall and small letters. Read a sentence, like "We like to glide down the wide slide", and circle all the words that rime. Then, write your own sentences using words that rime. Aligned to your State Standards and written to Bloom's Taxonomy, reproducible writing tasks, rime & onset cards, crossword, word search, comprehension quiz and answer key are also included.
