

Guided Reading The Origin Of Cold War

This Book can be used as both a study guide for students AND an instructional guide for teachers. It is the perfect companion to introducing popular literature in any classroom! Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. This Study Guide series is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor, this study guide series GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide, in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it! Teachers, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading, note taking, and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning.

Super Max has it all. He's a superhero with a flashy uniform and a great head of hair. Sure, sometimes the evil Dr. Malevolent pops up to cause trouble. But Super Max has defeated the villain over and over again. This time is different. This time, Dr. Malevolent's plan works . . . and he turns the handsome hero into a tiny tuber! But there's one thing the doctor didn't count on. The potato still has powers, and justice takes many forms. Super Max may be gone . . . but it's Super Potato's time to fly!
