Quickly memorize all the notes on your guitar fretboard, and name them at a glance. To show you how to learn the guitar fretboard requires just 3 simple steps, and it's really easy to do—even for those who have no prior theoretical knowledge. Most beginner guitarists don't realize that there's a very logical pattern which simply repeats itself all over your fretboard. It's a secret that many beginner guitar players simply aren't taught—all you have to do is learn it. This means that you don't have to memorize all your guitar's notes by repeating them over and over hundreds of times. That's GREAT news for you. What You Get In The Essential Guitar Fretboard Guide: The basic music theory needed to understand how the notes on your fretboard work. I guarantee that, after reading the first 3 chapters of this guide (which will take you under an hour), you won't be able to see your guitar fretboard the same way ever again. 2 Powerful Chromatic Scale shapes. Learn how to play the Chromatic Scale (the collective name for the 12 notes used in music), starting from any note, on any string or fret. 5 simple, practical patterns that help you to memorize the notes on your fretboard, so that you can quickly locate them at a glance, no matter where they may be on your guitar's neck. These are techniques that every advanced guitarist knows about, and has taken the time to master. 6 Chromatic-inspired beginner guitar exercises, which can be used for acoustic and electric guitarists. These exercises will simultaneously reinforce your newfound knowledge of the fretboard, and increase your fretting and picking hand strength, speed and dexterity (also perfect for warming up before you play). A 10-Minute-A-Day practice plan that will help you to implement the information contained in the book and gain an excellent understanding of the notes on your fretboard, in just two weeks. All the information is supplemented with high quality pictures that really help you to visualize the theory, scales, note patterns, and finger exercises presented. If that wasn't enough, you also get a link to video demonstrations of the practical exercises in the book (see the chapter entitled 'Book Bonus'), which you can access anytime you like.
