As a high school and college student, Mary Janell Metzger sat through old-school lectures that swamped Shakespeare in literary tradition and form, leaving no breathing room for individual interpretation. As a teacher, she yearned to connect students to Shakespeare's plays, and in *Shakespeare Without Fear* she tells you how she finally removed the barrier between text and inquiry by focusing on the rich interactive possibilities between student, teacher, and bard. *Shakespeare Without Fear* offers methods that will get students emotionally and

imaginatively involved with the plays while developing their capacity for critical judgment. Ideal for the experienced teacher as well as for the English Education methods course, *Shakespeare Without Fear* first debunks the idolatry and polarizing academic politics surrounding the study of Shakespeare and then allays reader anxieties by setting up the plays as engaging historical works instead of items to check off a cultural literacy list. Next Metzger takes you into real classrooms for a complete look at how she and other educators teach several major works, including *Romeo and Juliet* and *Hamlet*, offering both a framework for teaching any Shakespearean drama and play-specific essential questions for teaching ten of his other most popular plays. Covering topics like teaching to standards, the challenges nonnative speakers face reading Shakespeare, and formatting lessons for AP instruction, *Shakespeare Without Fear* will help you create conditions where Shakespeare explodes off the page and into the imaginations of your students.

*An astonishing novel that seizes the heart, and sets age-old conflicts against modern life. All the Living has the timeless quality of a parable, evoking a time and place with such beauty and power that it is unforgettable. It's a hot, dry summer and a young woman travels to Kentucky with her lover, Orren, to the isolated tobacco farm he has inherited after his family dies in a terrible accident. As he works through the drought, Aloma struggles to find her way in a combative, erotically charged relationship with this taciturn man. Her growing friendship with a local charismatic preacher further complicates her sense of lonely dissatisfaction as she grapples with the eternal question of whether it is better to fight for freedom or submit to desire. Excerpt: At first she could see his figure only as a dark shape and the sun firing on the watch on his right arm as he turned the wheel. Then when he was finally before her, braking and leaning in slightly under the shade of the visor to pull the keys from the ignition, she found the broad contours of his face and the color of his skin, much browner than the last time she had seen him, the day after the funeral three weeks ago when he came down to the school and*

And she shook her head and took his blanched face in her hands and kissed him, and that had struck her later as an odd reversal, he usually being the one to reach out and pull her to him.*

Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.
