Insurance And Economic  
Security

of mutual fund regulations and  
governance in the UK from the  
investor protection perspective. It  
comprehensively describes mutual  
funds by their function, social utility,  
and legal attributes, examining the  
level of protection provided to retail  
investors under existing regulations.

## Where To Download Handbook Of International Insurance

Mutual funds are externally managed with fund ownership separated out from their management, which carries a potential conflict of interest between the self-interests of the fund management and each fund's investors. The book provides an in-depth analysis of this agency problem

## Where To Download Handbook Of International Insurance

in the mutual fund industry, comparing the competing governance models in the UK and the US and the supervision of management activities. In the UK, it investigates the main governance mechanisms, including disclosure, the effectiveness of voting rights, and the role of the Financial

## Where To Download Handbook Of International Insurance

Conduct Authority in protecting investors. It also considers the role of prudential regulations in protecting mutual fund investors, with a particular focus on risk management and mutual fund liquidity crisis. The book further investigates the impact of the withdrawal of the UK from the

## Where To Download Handbook Of International Insurance

European Union (Brexit) on the industry and what this means for the future of the undertakings for collective investment in transferable securities (UCITS) in the UK. The concept of mutual funds is still not clearly understood, so this book will clearly define the different legal and practical

# Where To Download Handbook Of International Insurance

aspects of mutual funds. It will be the first substantial study of mutual fund governance mechanisms under the existing mutual fund laws and regulations in the UK.

Risk Adjustment, Risk Sharing and Premium Regulation in Health Insurance Markets: Theory and

## Where To Download Handbook Of International Insurance

Practice describes the goals, design and evaluation of health plan payment systems. Part I contains 5 chapters discussing the role of health plan payment in regulated health insurance markets, key aspects of payment design (i.e. risk adjustment, risk sharing and premium regulation), and

# Where To Download Handbook Of International Insurance

evaluation methods using  
administrative data on medical  
spending. Part II contains 14 chapters  
describing the health plan payment  
system in 14 countries and sectors  
around the world, including Australia,  
Belgium, Chile, China, Columbia,  
Germany, Ireland, Israel, the
