**Event Design Handbook allows teams to code and decode success and failure of events using the ground breaking #EventCanvas.**

**For anyone who has ever wondered how computers solve problems, an engagingly written guide for nonexperts to the basics of computer algorithms. Have you ever wondered how your GPS can find the fastest way to your destination, selecting one route from seemingly countless possibilities in mere seconds? How your credit card account number is protected when you make a purchase over the Internet? The answer is algorithms. And how do these mathematical formulations translate themselves into your GPS, your laptop, or your smart phone? This book offers an engagingly written guide to the basics of computer algorithms. In Algorithms Unlocked, Thomas Cormen—coauthor of the leading college textbook on the subject—provides a general explanation, with limited mathematics, of how algorithms enable computers to**

**solve problems. Readers will learn what computer algorithms are, how to describe them, and how to evaluate them. They will discover simple ways to search for information in a computer; methods for rearranging information in a computer into a prescribed order (“sorting”); how to solve basic problems that can be modeled in a computer with a mathematical structure called a “graph” (useful for modeling road networks, dependencies among tasks, and financial relationships); how to solve problems that ask questions about strings of characters such as DNA structures; the basic principles behind cryptography; fundamentals of data compression; and even that there are some problems that no one has figured out how to solve on a computer in a reasonable amount of time.**

**How do you profile your organization in the right way on LinkedIn? The LinkedIn company page offers many opportunities and fits in well with the marketing mix in many organizations. It will fit in perfectly with your communication plan and is increasingly part of the content strategy, and for good reason. It is a fantastic driver for your website but also a great channel to keep prospects and customers informed about your activities, projects, successes and developments in the field of products and services. This book is a clear and concise manual full of tips and advice to get (even more) success out of your LinkedIn company page. SUBJECTS:**

***-How to profile your company on LinkedIn. -The advantages of the LinkedIn company profile as opposed to the personal LinkedIn profile. -How to make your company page visible and findable. -How to create good updates, what do you have to watch out for, and how do you increase customer interaction. -How to attract more followers for your company page and with which content. -How to use employee advocacy within your organization and get your employees to work on generating more awareness and ultimately turnover. -Forms of advertising available, making effective use of target groups and advertisements. -How campaign management works and which statistics can be read. -What you can learn from your statistics. -Profiling yourself as employer and building relationships with future employees. -Using your website and other channels to give your company page more attention. Corinne Keijzer is one of the best-known and sought after LinkedIn experts in the Netherlands. She has been providing training and speaker sessions in this area for many years. Corinne has written and published several popular books on LinkedIn that have become bestsellers in the Netherlands. Now she is sharing her expertise internationally. The Dutch are the world's most active users of LinkedIn and have been very successful in deploying this platform. The designers of LinkedIn regularly come to the Netherlands to get feedback about the use of LinkedIn and Corinne is a valuable resource for them. She has been appointed official ambassador by LinkedIn, and she often speaks at their events, or provides support on the helpdesk. Corinne not only provides worldwide workshops and courses, but also helps all kinds of companies to devise***

***and set up the social media strategy, in which she regularly collaborates with the employees of LinkedIn themselves. Corinne already has several awards to her name, including the FOTY award (Freelancer of the Year), where she won the award for 'Best training and coaching' in 2017. Make sure to visit her website <https://www.corinnekeijzer.nl> and <https://www.digitalmoves.nl>***

***eer alles over het persoonlijke LinkedInprofiel en social selling. LinkedIn expert, -trainer en -spreker Corinne Keijzer laat je in 314 pagina's zien hoe deze prachtige tool werkt! Veel mensen zien LinkedIn nog steeds als een database voor contacten of denken dat je het alleen maar gebruikt bij het zoeken naar een nieuwe baan. Jammer, want LinkedIn biedt zoveel meer voor professionals. Na het lezen van dit e-book snap je de meerwaarde van LinkedIn en ben jij ook in staat zakelijk succes uit dit uitgebreide platform te halen. Zorg ervoor dat je je concurrentie voor blijft en leer alle geheimen rondom social selling. Dit e-book is voor zowel beginners als gevorderden geschikt en voor iedere professional een absolute aanrader. Naast het doorlopen van je profiel en de vele tips om jezelf beter vindbaar en zichtbaar te maken, word je ook meegenomen in de wereld van social selling. Hoe trek je potentiële klanten of opdrachtgevers naar je profiel? Hoe kan interactie tot waardevolle leads leiden? En wat moet je doen om op LinkedIn de status van expert te krijgen, waardoor mensen jouw naam noemen op het moment dat er iemand gezocht wordt met jouw expertise?
