10th wedding anniversary guest book (size 8.5" x 8.5") featuring a beautiful print design on a glossy soft cover. The inside contains 101 pages of white paper with enough space to write up to 400 names and messages. This beautiful guest book makes a wonderful gift to capture special messages at a golden wedding anniversary celebration.

Capture your guests messages of love, encouragement and a few humorous messages from your "zany" guest. This is the perfect keepsake from your special day to remember. Perfect for weddings with approximately 100 guests!

In her blockbuster international bestsellers, Harriet Evans perfectly captures the complex lives of young twenty-first-century career women with an "effortlessly readable . . . comic style and loveable characters" (Marie Claire, UK). At twenty-two, Eleanor Bee is sure about three things: she wants to move to London and become a literary superstar; she wants to be able to afford to buy a coffee and croissant every morning; and after seeing what divorce did to her parents—especially her mum—she doesn't believe in happy endings. Elle moves to London. She gets a job at Bluebird Books, a charmingly old-fashioned publisher. She falls out of bars, wears too-short skirts, makes lots of mistakes, and feels like she's learning nothing and everything at the same time. And then, out of the blue, she falls in love, and that's when she realizes just how much growing up she has to do. Ten years on, Elle lives in New York, and you could say she has found success; certainly her life has changed in ways she could never have predicted. But no matter where you go and how much you try to run away, the past has a funny way of catching up with you. . . .

Happy Retirement Guest Book for guests to share their well wishes, and memories.

Happily Ever After Geometric Pattern Wedding Guest Book

The instant #1 New York Times bestseller! Once Upon a Broken Heart marks the launch of a new series from beloved author Stephanie Garber about love, curses, and the lengths that people will go to for happily ever after For as long as she can remember, Evangeline Fox has believed in true love and happy endings...until she learns that the love of her life will marry another. Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game — and that the Prince of Hearts wants far more

from her than she'd pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy...

Did Cinderella live happily ever after? You might think so until you look more closely at the hidden messages in beloved fairy tales. In this book, fairy tales are analyzed in terms of the underlying messages about marriage, agency, power, suffering, and good versus evil, with a focus on how male and female characters differ in each of these areas. The analysis is a data-driven approach that provides clear evidence for the hidden messages in these beloved tales. The end conclusion is not whether fairy tales are good or bad but rather what messages they deliver about life, even if unintentionally.

"This two-in-one romance starts a new series that Mallery's many fans will devour like a Christmas cookie."—Booklist

Susan Mallery, author of the Fool's Gold romances, cheerfully invites you to Wishing Tree, where Christmas comes to life...

The Somerville sisters believe in love, but they've lost faith it will happen for them. Reggie hasn't been home since the end of the world's shortest engagement. When her parents decide to renew their vows, she buffs up her twinkle to help with the Christmas wedding. Unexpectedly, Toby, her first love, is back too, and the spark between them shines as brightly as ever.

In the spirit of the season, will they let go of past hurts and greet the New Year together? Done waiting for the one, Dena is pregnant and on her own—on purpose. But then a gorgeous, sad-eyed songwriter checks in to a room at her inn. Micah,

unable to write since he lost his wife, finds inspiration in Dena's determination to be a mom. One snowflake-speckled kiss and he's a goner. But Dena is afraid to believe that a rock star could fall for a cookie-cutter small-town girl like her. As the Christmas wedding draws closer, these two sisters just might unwrap the most treasured gift of all—love. Don't miss Home Sweet Christmas, a witty and heartfelt story of two friends who unexpectedly find the person-and the place in which-they belong this Christmas by #1 New York Times bestselling author Susan Mallery!

Sweet Sixteen guest book, to guests to share their well wishes, and place photos and memories.

"With the first book on conscious uncoupling, bestselling author and licensed psychotherapist Katherine Woodward Thomas forges a new path for those in the midst of a breakup or divorce. Thomas's groundbreaking work and five-step plan promises a new way to end a failing relationship that isn't bitter and needlessly painful, but is instead characterized by goodwill, generosity, and respect. With its precepts, couples learn how to do minimal damage to themselves, each other, and their children"--

"Smart and funny, After Happily Ever After is an exciting debut." —Laura Dave, international best-selling author of The Last Thing He Told Me Maggie Dolan finds herself at forty-five at a crossroads in her life. Once an executive at a top publishing house, she's chosen to be a stay-at-home mom for the last seventeen years. But now with her daughter, Gia, soon leaving for college, and her husband, Jim, distracted and disconnected and with secrets he hasn't shared, Maggie decides it's time to get back into the world to figure out what to do with the rest of her life. As she steps out into this exciting and sometimes scary journey of discovering who she is now, she has to deal with a narcissistic mother, a brother who doesn't like her, and most damaging of all, the news that her father, the one man who's been her rock all her life, is deteriorating both physically and mentally. When all these things get on top of her, Maggie is led in a direction that could destroy what she's built and makes her question

the choices she's made. She's torn between the life she's always known and something more exciting that she never expected. After Happily Ever After deals with love, marriage, family, the empty nest, aging parents, and what happens when they all come crashing down at the same time.

Happily Ever After Black and Gold Wedding Guest Book

Wedding Keepsake Album Guest Books that are fun! This not your ordinary wedding guest book with those boring lines in it sitting at the front table. This is meant to be passed around throughout the day and night. Let guests write messages inside, advice, funny stories, where they came from, etc. We do recommend using pen as markers may bleed through. It is a convenient size of 8.25" by 8.25" and with 120 blank pages that say Thank You For The Memories at the top there is plenty of room for the marriage advice you are sure to receive. These are the real wedding keepsakes. Maybe put it away before the cousins get drinking so they don't make it into some naughty novel. No matter what it will be the best day ever. Emiko Jean's New York Times bestselling, Reese YA Book Club pick Tokyo Ever After is the "refreshing, spot-on" (Booklist, starred review) story of an ordinary Japanese American girl who discovers that her father is the Crown Prince of Japan Izumi Tanaka has never really felt like she fit in—it isn't easy being Japanese American in her small, mostly white, northern California town. Raised by a single mother, it's always been Izumi—or Izzy, because "It's easier this way"—and her mom against the world. But then Izumi discovers a clue to her previously unknown father's identity...and he's none other than the Crown Prince of Japan. Which means outspoken, irreverent Izzy is literally a princess. In a whirlwind, Izumi travels to Japan to meet the father she never knew and discover the country she always dreamed of. But being a princess isn't all ball gowns and tiaras. There are conniving cousins, a hungry press, a scowling but handsome bodyguard who just might be her soulmate, and thousands of years of tradition and customs to learn practically overnight. Izumi soon finds herself caught between worlds, and between versions of herself—back home, she was never "American" enough, and in Japan, she must prove she's "Japanese" enough. Will Izumi crumble under the weight of the crown, or will she live out her fairy tale, happily ever after? Look for the sequel, Tokyo Dreaming, out now!

Capture your guests messages of love, encouragement and a few humorous messages from your "zany" guest. This is the perfect keepsake from your special night to remember.
