30th Birthday Gift / Journal / Notebook / Diary / Lined Notebook / Journal Gift / card / gifts / girl / boy . Soft Cover, Matte Finish This journal is 6 x 9 inches in size with 120 blank lined pages with a wood background theme for writing down thoughts, notes, ideas, or even sketching. One of the 20th century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendia family. It is a rich and brilliant chronicle of life and death, and the tragicomedie of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendia family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility – the variety of life, the endlessness of death, the search for peace and truth – these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race. Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

JORDAN He took me in when I had nowhere else to go. He doesn't use me, hurt me, or forget about me. He doesn't treat me like I'm nothing, take me for granted, or make me feel unsafe. He remembers me, laughs with me, and looks at me. He listens to me, protects me, and sees me. I can feel his eyes on me over the breakfast table, and my heart pumps so hard when I hear him pull in the driveway after work. I have to stop this. It can't happen. My sister once told me there are no good men, and if you find one, he's probably unavailable. Only Pike Lawson isn't the unavailable one. I am. PIKE I took her in, because I thought I was helping. She'd cook a few meals and clean up a little. It was an easy arrangement. As the days go by, though, it's becoming anything but easy. I have to stop my mind from drifting to her and stop holding my breath every time I bump into her in the house. I can't touch her, and I shouldn't want to. The more I find my path crossing hers, though, the more she's becoming a part of me. But we're not free to give into this. She's mistaken, and I'm thirty-eight. And her boyfriend's father. Unfortunately, they both just moved into my house. *BIRTHDAY GIRL is a stand-alone, contemporary romance suitable for ages 18+.

The perfect gift for a 7 year old on their birthday to mark their milestone and keep as a memory book for years to come.
