We all get birthday gifts and presents, but only a few of them will actually stand out and leave a lasting impression. What also makes this gift stand out from other notebooks and journals, is that the inside cover page has a message that says "In all seriousness, Happy Birthday and I Wish For You To Have the Best Year Ever!", and also has an area for the person to add their name to the book. This way, not only is it like a birthday card, it's so much better -- and something that will actually be used and kept for several months and year to come. That is exactly what you will find with this crude humor notebook and journal, which is great for helping anyone to stay inspired and excited for life, while also having the ability to take simple notes or write about
