Blood of Zeus: Book Two

ears ago, the last desperate hopes of Earth were crushed as corporate Orbital blocs ruling from on high devastated the planet's face. Today, the autocratic Orbitals indulge in decadent luxury far above the mudboys, dirngirls, zonedancers, and buttnheads who live out violent lives of electronic distraction and dependence amid the flooded, ruined cities and teeming slums of a balkanized America. But there are heroes; those who would stand against the Orbital powers and keep freedom's cause alive. Two such heroes are the metal-eyed ex-fighter pilot turned panzer-driver Cowboy, and Sarah, the cybernetic assassin desperate to find a better life for her drug-addicted brother. Together, Cowboy and Sarah embark on a high-octane odyssey across the shattered face of the American west. From Walter Jon Williams comes Hardwired, the hard-hitting, seminal classic that feels as prescient today as when it was first published. Like a steel-guitar fueled Damnation Alley, as directed by Sam Peckinpah, Hardwired demonstrates how Williams's singular vision helped defined the cyberpunk genre. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
