The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the

wizarding world prior to the beginning of Harry Potter and the Cursed Child.

A task a day to cure a broken heart. Esmé Peel is approaching thirty with some trepidation, but hope in her heart. She didn't reckon on finding another woman's earring in her bed however, and soon she finds herself single, homeless and in need of a new plan. Her best friend Carys gives her the perfect present – The Single Girl's Calendar – which has a different cure for heartbreak every day: Day 1: Look and feel fabulous with a new hair style. Day 2: Step out of your comfort zone and try something new. Day 3: Reconnect with friends and enjoy! Despite thinking it's a bit of a gimmick, Esmé hasn't got any better ideas, so she puts the plan into action. By the end of week one she has four new male housemates, and despite a broken heart she is determined to show Andrew she can do more than survive, she can thrive.
