Reviewing her novel, *The Line of the Sun*, the *New York Times Book Review* hailed Judith Ortiz Cofer as "a writer of authentic gifts, with a genuine and important story to tell." Those gifts are on abundant display in *The Latin Deli*, an evocative collection of poetry, personal essays, and short fiction in which the dominant subject—the lives of Puerto Ricans in a New Jersey barrio—is drawn from the author's own childhood. Following the

Download Ebook Harry Potter Latin

directive of Emily Dickinson to "tell all the Truth but tell it slant," Cofer approaches her material from a variety of angles. An acute yearning for a distant homeland is the poignant theme of the title poem, which opens the collection. Cofer's lines introduce us "to a woman of no-age" presiding over a small store whose wares—Bustelo coffee, jamon y queso, "green plantains hanging in stalks like votive offerings"—must satisfy, however imperfectly, the needs and hungers of those who have left the islands for the urban

Northeast. Similarly affecting is the short story "Nada," in which a mother's grief over a son killed in Vietnam gradually consumes her. Refusing the medals and flag proffered by the government ("Tell the Mr. President of the United States what I say: No, gracias."), as well as the consolations of her neighbors in El Building, the woman begins to give away all her possessions. The narrator, upon hearing the woman say "nada," reflects, "I tell you, that word is like a drain that sucks everything down." As rooted as they are in a particular

Download Ebook Harry Potter Latin

immigrant experience, Cofer's writings are also rich in universal themes, especially those involving the pains, confusions, and wonders of growing up. While set in the barrio, the essays "American History," "Not for Sale," and "The Paterson Public Library" deal with concerns that could be those of any sensitive young woman coming of age in America: romantic attachments, relations with parents and peers, the search for knowledge. And in poems such as "The Life of an Echo" and "The Purpose of Nuns," Cofer offers eloquent

Download Ebook Harry Potter Latin

ruminations on the mystery of desire and the conflict between the flesh and the spirit.

Cofer's ambitions as a writer are perhaps stated most explicitly in the essay "The Myth of the Latin Woman: I Just Met a Girl Named Maria." Recalling one of her early poems, she notes how its message is still her mission: to transcend the limitations of language, to connect "through the human-to-human channel of art."

Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the

The Latin language has been the one constant in the cultural history of the West for more than two millennia. It has been the foundation of our education, and has defined the way in which we express our thoughts, our faith, and our knowledge of how the world functions. Indeed, the language has proved far more enduring than its empire in Rome, its use echoing on in the law codes of half the world, in the terminologies of modern science, and until forty years ago, in the liturgy of the Catholic Church. It is the unseen substance that makes us members of the

Download Ebook Harry Potter Latin

Western world. In his erudite and entertaining "biography," Nicholas Ostler shows how and why (against the odds, through conquest from within and without) Latin survived and thrived even as its creators and other languages failed. Originally the dialect of Rome and its surrounds, Latin supplanted its neighbors to become, by conquest and settlement, the language of all Italy, and then of Western Europe and North Africa. Its cultural creep toward Greek in the East led it to copy and then ally with it in an unprecedented, but invincible combination: Greek theory and Roman practice, delivered through Latin, became the foundation of Western civilization. Christianity, a latecomer, then joined the alliance, and became vital to Latin's survival when the empire collapsed. Spoken Latin re-emerged as a host of new languages, from Portuguese and Spanish in the

Download Ebook Harry Potter Latin

west to Romanian in the east. But a knowledge of Latin lived on as the common code of European thought, and inspired the founders of Europe's New World in the Americas. *E pluribus unum*. Illuminating the extravaganza of its past, Nicholas Ostler makes clear that, in a thousand echoes, Latin lives on, *ad infinitum*.

For nearly sixty years, Wheelock's Latin has remained the *opitmus liber* of beginning Latin textbooks. When Professor Frederic M. Wheelock's Latin first appeared in 1956, the reviews extolled its thoroughness, organization, and conciseness; one reviewer predicted that the book "might well become the standard text" for introducing students to elementary Latin. Now, nearly six decades later, that prediction has certainly proved accurate. This new edition of Wheelock's

As a Latin schoolmaster, Simon James frequently comes across challenges of "boring" (in other words difficult), "irrelevant," and "dead" ... and it isn't always just the pupils. Latin is one of those tricky subjects that comes under assault from all kinds of non cognoscenti who claim its anachronistic tendencies an easy target. 'Latin Matters' is the first of a series of books from Portico that set out to show why seemingly difficult subjects can actually be interesting, relevant and well worth studying. From the spells of Harry Potter to the use of Latin in Asterix, from the Latin terms that litter law and medicine to the meaning behind your football club's motto, Simon James has pulled together a fascinating treasure trove of
