From internationally bestselling British author Susan Lewis comes an unflinching, thoroughly suspenseful novel—perfect for fans of Jodi Picoult—about the darkest secrets a family can hide. Alex Lake's life is centered on helping people. Her job as a social worker in a British seaside town is more than a career: It's the very essence of who she is. And though there are frustrations, Alex takes the rewards of placing a child in a safe and loving home. But when she encounters three-year-old Otilie Wade, Alex is completely unprepared for the effect the sweet, shy little girl has on her. Though on the surface Otilie seems to want for nothing—she's healthy and lives in a very nice home—she's mysteriously silent and asocial. Alex knows that something is not right in the way Otilie behaves. And the deeper she looks into the case, the more Alex comes to feel that she and Otilie are being drawn together by fate. As evidence mounts and Alex's superiors seem unwilling to help, Alex knows she will have to risk everything—her job and the life she loves—to save Otilie. But Alex will also have to wrestle the demons of her own past before she can secure a future for the girl. **BONUS:** This edition includes an excerpt from Susan Lewis's *Don't Let Me Go*.
