They are not the only ways He will do so. In *Overflow of the Spirit: How to Release His Gifts in Every Area of Your Life*, Dr.

*The objective is to take you into the mind of an interpreter while changing the way you think about dreaming. Learning how to accurately interpret your dreams will literally change your approach to life. Interpretation is part art - part science - part gift. Most people will awaken from a dream with a significant emotional impact. Overtime the dream may fade, and quite possibly the desire for its meaning. One must know the difference between being a person in the dream versus being an observer and the distinct meaning of each. In addition, after reading "We Dream", you will have a resource reference that explains why you have nightmares and the possible source of your dream contamination. You will find specific lists detailing why you are being warned in a dream. There is a list that will ignite a desire to research and identify all ancient demons that are plaguing your***
