An Introduction to the Study of English Literature and Literary Criticism

Mission Life; Or Home and Foreign Church Work

This volume frames a program of inquiry into the formative century of the Judaism of the dual Torah, which is the fourth century of the common era, or the age of Constantine. The study first considers the context) the historical study of Judaism. Part II is an inquiry into the text of Judaism, or a literary study of its types of writing or genres. Part III explains the circumstance, or setting, in which the study moves forward. Co-published with Studies in Judaism.
