MAN-EATERS: THE CURSED reunites the original MAN-EATERS creative team for another tale of adolescent feminist derring-do and supernatural hijinks. Maude, now 15, is sent to Craft Camp for the week. It goes south pretty quickly. Smart, laugh-out-loud funny, provocative, referential, scary, chock-full of ephemera, and compulsively re-readable. Plus, fairies. [ADVISORY: Do not read this book while you are actually camping.]

From the author of the critically acclaimed Archie Sheridan and Gretchen Lowell thrillers, here is a heart-stopping ride that Cheryl Strayed (author of #1 New York Times bestseller *Wild*) called "deeply intelligent and grippingly suspenseful—a wickedly brilliant masterpiece." Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes—legal or not—to see justice served—if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking. Critically acclaimed as "excruciating" "compelling" (Booklist, starred review) and "a propulsive new thriller" (People), *One Kick* is an engrossing, entertaining new novel you won't want to miss. The new graphic novel from the team behind bestseller *Man-Eaters* is a terrifying, sexy, and thought-provoking espionage thriller—that also happens to be laugh-out-loud funny! The world's best spies keep watch over the Bermuda Triangle from a mysterious island outpost teeming with supernatural intrigue, monsters, and evil villains set on global domination. The best of these spies is named Nora Freud (no relation). She knows eighty-seven ways to kill someone with a cocktail toothpick, and she's used thirty-two of them. Lately though, Nora has started to feel like she's going through the motions. Close the temporal portal. Assassinate the genocidal maniac. Have sex with the MI-6 agent. Plus, the island has gotten kind of touristy. She agrees to one last mission. But when Nora's troubled marine cryptozoologist sister shows up unexpectedly, warning of mermaid attacks, Nora realizes that boredom is not her biggest problem. Laugh-out-loud funny, terrifying, sexy, and philosophical, *Spy Island* is the perfect comic book for anyone who enjoys travel, chardonnay, krakens, Atlantis, volcanos, scuba diving, mermaids, ghost pirates, tropical espionage, secret agents, and/or island-casual Sean Connery.* *Sponsored by the Bermuda Triangle Chamber of Commerce. *Spy Island* was created by NYT best-selling author, Chelsea Cain, writer of the Archie Sheridan/Gretchen Lowell thrillers, as well as *One Kick*, which was adapted for television starring Chris Noth. Her previous comics include *Man-Eaters* (Image) and *Mockingbird* (Marvel), both nominated for Eisner Awards. *Spy Island* is co-created by Lia Miternique--cocreator of *Man-Eaters* and illustrator of *The Hippie Handbook* (Chronicle), *Does This Cape Make Me Look Fat* (Chronicle), and *Confessions of a Teen Sleuth* (Bloomsbury). *Spy Island* also reunites the entire *Man-Eaters* creative

team, including Elise McCall, Rachelle Rosenberg, Joe Caramagna, Eliza Fantastic Mohan, Stella Greenvoss, Emily Powell, and Liv Osborn.

Damaged Portland detective Archie Sheridan spent ten years tracking Gretchen Lowell, a beautiful serial killer, but in the end she was the one who caught him. Two years ago, Gretchen kidnapped Archie and tortured him for ten days, but instead of killing him, she mysteriously decided to let him go. She turned herself in, and now Gretchen has been locked away for the rest of her life, while Archie is in a prison of another kind---addicted to pain pills, unable to return to his old life, powerless to get those ten horrific days off his mind. Archie's a different person, his estranged wife says, and he knows she's right. He continues to visit Gretchen in prison once a week, saying that only he can get her to confess as to the whereabouts of more of her victims, but even he knows the truth---he can't stay away. When another killer begins snatching teenage girls off the streets of Portland, Archie has to pull himself together enough to lead the new task force investigating the murders. A hungry young newspaper reporter, Susan Ward, begins profiling Archie and the investigation, which sparks a deadly game between Archie, Susan, the new killer, and even Gretchen. They need to catch a killer, and maybe somehow then Archie can free himself from Gretchen, once and for all. Either way, Heartsick makes for one of the most extraordinary suspense debuts in recent memory.

Meet Gretchen Lowell, the stunningly beautiful psychopath The Huffington Post called "the most diabolical female serial killer in fiction," and Archie Sheridan, the police detective whom she caught and tortured...and then let go. Here together for the first time in a fabulous eBook bundle are the first three thrillers in Chelsea Cain's New York Times bestselling Archie Sheridan and Gretchen Lowell series. HEARTSICK Archie Sheridan finally put Gretchen Lowell, the Beauty Killer, in prison, but he can't seem to forget her. Now, he realizes that even behind bars, Gretchen might be the only person who can help him find the serial killer he's

currently tracking. *SWEETHEART* When the body of a young woman is discovered in Portland's Forest Park, Archie can't focus on the new investigation because the Beauty Killer case has exploded again: Gretchen Lowell has escaped from prison. *EVIL AT HEART* Gretchen Lowell is still on the loose, and is developing her own bizarre kind of fan club. When Archie and Gretchen last spoke, he agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off.

From the New York Times bestselling author of *A Legacy of Spies*. In this exquisitely told novel, John le Carré shows us once again his acute understanding of the world we live in and where power really lies. In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a vacation in Antigua. There they meet Dima, a Russian who styles himself the world's Number One money-launderer and who wants, among other things, a game of tennis. Back in London, the couple is subjected to an interrogation by the British Secret service who also need their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service.

“ The Body Farm novels have become bestsellers because of their attention to the fine details of forensics combined with great plot lines. ” —Deseret News (Salt Lake City) The latest Body Farm novel from New York Times bestseller Jefferson Bass, *The Bone Thief* is a must for fans of Patricia Cornwell and TV ' s C.S.I. The hero of four previous thrillers—*Carved in Bone*, *The Devil ' s Bones*, *Flesh and Bone*, and *Bones of Betrayal*—Dr. Bill Brockton must stop a grisly black market dealing in body parts and cadavers in this white-knuckle adventure written by the man widely considered to be the world ' s foremost expert in forensic anthropology. Read *The Bone Thief* and discover why Kathy Reichs calls Bass, “ The real deal. ”

From the #1 New York Times bestselling author of *Orphan Train* comes a novel about friendship and the memories that haunt us. On the night of her high school graduation, Kathryn Campbell sits around a bonfire with her four closest friends, including the beautiful but erratic Jennifer. “ I ' ll be fine, ” Jennifer says, as she walks away from the dying embers and towards the darkness of the woods. She never came back. Ten years after Jennifer ' s unexplained disappearance, Kathryn is a grad-school dropout living in Virginia, stuck in a dead-end writing job and marriage. She has few close friends; most people have learned not to depend on her. When she decides to leave her husband, she ships her boxes to her mother ' s house in Bangor, Maine. She has nowhere else to go. When Kathryn returns home, her former classmates are preparing for their ten-year reunion. Old questions about graduation night surface. Jennifer begins to dominate Kathryn ' s life, just as she did in high school. Enigmatic and troubled, Jennifer had always depended on Kathryn ' s devotion and asked for sacrifices. A decade after Jennifer walked into the woods alone, Kathryn decides that she must follow her friend ' s lead, one last time. Involving herself in the daily rhythms of small-town life, Kathryn begins an investigation into her past. She renews contacts with old friends and teachers, using her skills as a journalist to reconstruct the life that she and Jennifer shared. Kathryn knows that she must examine what she knew about her friend, and what she didn ' t. She must decide what she is willing to risk to know the truth. She must decide what her own future is worth. With nothing left to lose, she is determined to answer one simple question: What ever happened to Jennifer Pelletier?

Detective Archie Sheridan just has to get through the next few days, then his birthday and

Halloween will be over. But with escaped serial killer Gretchen Lowell on the loose, the investigation into the murder of a DEA agent demanding his attention, and journalist Susan Ward showing up at his apartment needing a favor, it's going to be a long weekend. Soon Archie finds himself crashing a masked ball on a private island owned by Jack Reynolds, a notorious local drug kingpin. By morning, Archie is back on pain killers, a guest is dead and Archie quickly realizes that little is what it seems. One thing is clear: Gretchen is back, and Archie's nemesis and sometimes lover has something special in mind for the birthday boy, something she's been planning for a long, long time. On Halloween Eve, with time running out, and the life of someone close to Archie on the line, Archie knows his only chance is to give Gretchen exactly what she wants. But Gretchen will prove more horrifying, and unpredictable, than Archie could ever imagine. Back with her most thrilling novel yet, Chelsea Cain delivers the pinnacle of what fans of this series have come to expect: sex, murder, twists, dark wit, and some of the best characters in the genre.

A nightmarish series of events sweeps LAPD's Sergeant Shane Scully and his wife (and boss), Alexa, into the vortex of an enormous, jurisdictional firestorm. First, a sheriff's deputy, a friend of Shane's, is gunned down while serving a routine search warrant. His fellow deputies blame the incident on the Bureau of Alcohol, Tobacco and Firearms, whom they angrily accuse of having failed to warn them that the suspect had a huge arsenal of illegal weapons in his house. Soon thereafter, a member of the ATF Situation Response Team is shot to death, followed by the sniper murder of the Sheriff's Special Enforcement Bureau. At the request of the Mayor, LAPD, as an uninvolved and unbiased agency, assigns Shane Scully to investigate. He is given an impossible deadline to find a solution before these two elite and deadly SWAT Teams kill each other off amid a hurricane of horrible publicity. Shane pursues his investigation in a direction that neither his chief nor his wife agrees with, and succeeds in putting himself, his loved ones, and his career in terrible jeopardy before he finally discovers the shocking and deadly truth.

Hoping to safeguard themselves during World War II within their villa in Florence, the Rosati family become prisoners in their home instead when the Nazis take over the estate, a situation that leads to a murder investigation years later.

It was expecting them. Conrad and Joanna Harrison, a young couple from Los Angeles, attempt to save their marriage by leaving the pressures of the city to start anew in a quiet, rural setting. They buy a Victorian mansion that once served as a haven for unwed mothers, called a birthing house. One day when Joanna is away, the previous owner visits Conrad to bequeath a vital piece of the house's historic heritage, a photo album that he claims "belongs to the house." Thumbing through the old, sepia-colored photographs of midwives and fearful, unhappily pregnant girls in their starched, nineteenth-century dresses, Conrad is suddenly chilled to the bone: staring back at him with a countenance of hatred and rage is the image of his own wife... Thus begins a story of possession, sexual obsession, and, ultimately, murder, as a centuries-old crime is reenacted in the present, turning Conrad and Joanna's American dream into a relentless nightmare. An extraordinary marriage of supernatural thrills and exquisite psychological suspense, *The Birthing House* marks the debut of a writer whose first novel is a terrifying tour de force.

This is not your mother's memoir. In *The Chronology of Water*, Lidia Yuknavitch, a lifelong swimmer and Olympic hopeful escapes her raging father and alcoholic and suicidal mother when she accepts a swimming

scholarship which drug and alcohol addiction eventually cause her to lose. What follows is promiscuous sex with both men and women, some of them famous, and some of it S&M, and Lidia discovers the power of her sexuality to help her forget her pain. The forgetting doesn't last, though, and it is her hard-earned career as a writer and a teacher, and the love of her husband and son, that ultimately create the life she needs to survive.

New York Times bestselling author Kay Hooper takes readers on a terrifying manhunt for a serial killer even the Special Crimes Unit may not be able to stop. Dani Justice knows all about monsters. They haunt her dreams—and her life. But she never expected to find herself on the trail of a real flesh-and-blood predator so cunning that he's eluded the best law enforcement could send against him; and so deadly that he doesn't hesitate to kill even a senator's daughter. Or a cop. Dani doesn't want to hunt this killer, but she doesn't have a choice. She alone commands a weapon powerful enough to stop him. And she knows something even Bishop of the FBI's Special Crimes Unit doesn't know. Dani knows how the hunt ends. It ends in fire. And blood. And death. What she doesn't know is who will survive.

Chelsea Cain's novels featuring Portland detective Archie Sheridan and serial killer Gretchen Lowell have captivated fans through two nail-biting entries, Heartsick and Sweetheart, both of them multiweek bestsellers in The New York Times, USA Today, and Publishers Weekly. Gretchen Lowell is still on the loose. These days, she's more of a cause célèbre than a feared killer, thanks to sensationalist news coverage that has made her a star. Her face graces magazine covers weekly and there have been sightings of her around the world. Most shocking of all, Portland Herald reporter Susan Ward has uncovered a bizarre kind of fan club, which celebrates the number of days she's been free. Archie Sheridan hunted her for a decade, and after his last ploy to catch her went spectacularly wrong, remains hospitalized months later. When they last spoke, they entered a détente of sorts---Archie agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off and Archie is forced back into action. Has the Beauty Killer returned to her gruesome ways, or has the cult surrounding her created a whole new evil? Chelsea Cain continues to deliver heart-stopping thrills and chills in the latest entry in this dynamic bestselling series.

Even as a reporter, Sheila Hamilton missed the signs as her husband Michael's mental illness unfolded before her. By the time she had pieced together the puzzle, it was too late. Her once brilliant, intense, and hilarious partner was dead within six weeks of a formal diagnosis of bipolar disorder, leaving his nine-year-old daughter and wife without so much as a note to explain his actions, a plan to help them recover from their profound grief, or a solution for the hundreds of thousands of dollars in debt that they would inherit from him. All the Things We Never Knew takes readers from Michael and Sheila's romance through the last three months of their life together and into the year after his death. It details their unsettling descent from ordinary life into the world of mental illness, and examines the fragile line between reality and madness. Now, a decade after Michael's death, Sheila and her daughter, Sophie, have learned the power of choosing life over retreat; let themselves love and trust again; and understand the importance of forgiveness. Their story will resonate with all those who have loved someone who suffers from bipolar disease and mental illness.

A jagged series of events written with gritty realism. The Elephant Tree transcends stereotypes and challenges the reader's sense of morality, with shocking plot twists and vivid characters.

The Birthing House

The Bone Thief

With the Beauty Killer Gretchen Lowell locked away behind bars once again, Archie Sheridan—a Portland police detective and nearly one of her victims—can finally rest a little easier. Meanwhile, the rest of the city of Portland is in crisis. Heavy rains have flooded the Willamette River, and several people have drowned in the quickly rising waters. Or at least that's what they thought until the medical examiner discovers that the latest victim didn't drown: She was poisoned before she went into the water. Soon after, three of those drownings are also proven to be murders. Portland has a new serial killer on its hands, and Archie and his task force have a new case. Reporter Susan Ward is chasing this story of a new serial killer with gusto, but she's also got another lead to follow for an entirely separate mystery: The flooding has unearthed a skeleton, a man who might have died more than sixty years ago, the last time Portland flooded this badly, when the water washed away an entire neighborhood and killed at least fifteen people. With Archie following the bizarre trail of evidence and evil deeds to catch a killer and possibly regain his life, and Susan Ward close behind, Chelsea Cain—one of today's most talented suspense writers—launches the next installment of her bestselling series with an electric thriller.

When unsolved crimes resurface, Detective Superintendent Roy Grace faces a possible copycat killing in *Dead Like You*, by award winning crime author Peter James. The Metropole

Hotel, Brighton. After a heady New Year's Eve ball, a woman is attacked as she returns to her room. A week later, another woman is assaulted. Both victims' shoes are taken by the offender . . . Roy Grace soon realizes that these new cases bear remarkable similarities to an unsolved series of crimes in the city back in 1997. Dubbed 'Shoe Man', the perpetrator was believed to have attacked five women before murdering his sixth victim and vanishing. Could this be a copycat, or has Shoe Man resurfaced? And a murderer is ready to show her just how vicious the truth can be . . .

"If you are reading this, then I am gone and this manuscript, per my instruction, has been delivered to the

writer Chelsea Cain for publication as she sees fit . . . " America's favorite girl detective is back to set the record straight. According to our titian-haired heroine, she was not a fictional character, but an intrepid real-life sleuth who investigated some of the twentieth century's biggest mysteries. And the famous series she starred in was not cooked up by a team of writers, but plagiarized from her exploits by a nosy college roommate-who, not surprisingly, got a whole lot wrong. Here are the daring escapes, brilliant hunches, and dependable stock characters, including interlopers from numerous other beloved series, that have delighted generations of fans. And here, also, are the details of teen-sleuth life that you never saw: the secret romances, reckless driving, minor drinking problems, political action, and domestic drama that have, up till now, remained hidden from these brave detectives' adoring public.

Meet a new cozy star with her own special brand of culinary magic in this first story in New York Times bestselling author Lynn Cahoon's Kitchen Witch series. When Mia Malone's grandmother asks her to take a week away from her restaurant job and come to Magic Springs, Idaho, she's happy to oblige. Like Mia, Grans has witchcraft running through her veins, and life with her is never boring. Plus, the cause is a good one—helping Grans get the local food bank up and running again. But there's an unappetizing surprise in store. While Mia is knee-deep in boxes of donated produce, she encounters the body of Dorian Alexander. Dorian was a warlock, leader of the local coven. He was also her Grans' new beau. There's no potion that'll make this trouble disappear. But if Mia wants to keep her Grans—now a prime suspect—from serving a spell in prison, she'll have to unearth the real killer fast. . . . Praise for *The Tourist Trap Mysteries* "I love the author's style, which was warm and friendly . . . [A] wonderfully appealing series." —Dru's Book Musings "Light, fun, and kept me thoroughly engaged." —The Young Folks
