Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Follows five generations of an African-American family, from the capture and enslavement of the first ancestor, through the Civil War and the end of segregation, to a troubled cousin's reunion with his family. An ALA Best Book for Young Adults. Reissue.

“ Henry Smith ’ s father told him that if you build your house far enough away from Trouble, then Trouble will never find you. ” But Trouble comes careening down the road one night in the form of a pickup truck that strikes Henry ’ s older brother, Franklin. In the truck is Chay Chouan, a young Cambodian from Franklin ’ s preparatory school, and the accident sparks racial tensions in the school—and in the well-established town where Henry ’ s family has lived for generations. Caught between anger and grief, Henry sets out to do the only thing he can think of: climb Mt. Katahdin, the highest mountain in Maine, which he and Franklin were going to climb together. Along with Black Dog, whom Henry has rescued from drowning, and a friend, Henry leaves without his parents ’ knowledge. The journey, both exhilarating and dangerous, turns into an odyssey of discovery about himself, his older sister, Louisa, his ancestry, and why one can never escape from Trouble.
