Sibyl Blackthorne isn't afraid of anything—except maybe being sold into marriage to a man she doesn't love. A man she's never even met. A man who, by reputation, is one of Scotland's cruelest lairds in over a century. But what choice does she have, with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune, but Sibyl's future as well? Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant, or even death, would be preferable to a future with such a despicable man, and makes plans to run away. On an organized hunt for wolves—or, as the Scots call them, wulvers—Sybil escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods. When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble. When he takes her to a place no human has ever been, she knows she's gone over the edge. And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.

“Lead us not into temptation...” ~Matthew 6:13 What happens when you fall in love with your best friend's father? Leah is a good, Catholic girl, and she and Erica have been best friends since their first communion. Sure, Erica's father is handsome and charming, but Leah spends so much time at the Nolan's—just Erica and her famous, photographer father now, since Erica's mother died—that she's practically part of the family. Both girls have led privileged, sheltered lives and are on the “good girl” track at St. Mary Magdalene's Preparatory College, Leah pursuing her love of dance and Erica sating her endless curiosity as editor of the newspaper. Neither of them could have ever imagined that one fateful discovery will not only push the boundaries of their strict, repressive upbringing, but the bonds of their friendship as well. Leah certainly never could have imagined finding herself torn between her best friend and her best friend's father. Sure, Leah's mother had always talked about Mr. Nolan as “a catch,” but Leah herself had never thought of him as anything other than just Erica's dad—until the girls discover something darkly erotic under Mr. Nolan's bed, a deep, shameful secret that will not only lead them into temptation, but will deliver them into a far greater revelation than any of them could ever have imagined. If you read the original Under Mr. Nolan's Bed, you will find this retelling a richer experience with deeper secrets to reveal—and don't miss Under Mr. Nolan's Bed: CONFESSIO, the second installment in the three-part series!

After being attacked by strange men dressed in medieval garb, a handsome, desirable hero answering to the boy's name rescues her. No one is more surprised than she to find herself in sixteenth century Scotland. Unable to deny the reality of time travel, Helen discovers smoldering passion with a man destined to leave her. Simon has lived his Druid life in two very different worlds, two vastly different

times, and when Helen practically lands in his lap, he knows his life is about to change forever. There are enemies in California lying in wait for her, and an army in Scotland closing in on his family. Simon is the only person who can protect her. But when she learns his most guarded secret, will she still want him? Can Helen love a Highland Shifter?

What happens when Cupid falls in love with the Angel of Death? The human notion of Cupid as a sweet cherub who only works on Valentine's Day couldn't be further from the truth. The real entity humans call "Cupid" is actually an angel named Muriel who works tirelessly all year round matching up soul mates at the behest of a higher power. Muriel is a sharp shooter on a mission and her arrow always hits its mark. But she's grown tired over the centuries of delivering romance to everyone else while secretly longing for someone to call her own. The problem is, angels aren't allowed to fall in love. As her friend, Jariel, often reminds her, angels don't even have bodies, so what would be the point? Muriel knows her arrows are only meant for the lucky race of humans, who can experience such delicious emotions as love and lust and passion. But when she crosses paths with Chariel, who just happens to be the Angel of Death, she finally gets her wish, and discovers how the sting of Cupid's arrow can make anyone—even angels—do anything for love.

Claire Randall is leading a double life. She has a husband in one century, and a lover in another... She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. **~\*~\*~2010 EPIC AWARD FINALIST!~\*~\*~Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-----EXCERPT:"Peep!" The voice shook the room and the startled girl looked up as Mother came in. "Do you know where your sheep are now?" "No, Mother." The girl looked up from her position, kneeling on the floor, her blue eyes wide. "I penned them before I left, I swear it." Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes. "You are a pretty little one," Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. "Sometimes I think you're just playing dumb." "No, Mother," Peep implored, shaking her head. "I penned them, I promise you." "Is that so?" Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor. "Mother, please," Peep pleaded. "I will go tend them, if you let me." Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection. "Please," Peep pleaded again, her eyes downcast. "I'll be a good girl." "Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will." Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. "No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep, who's lost her sheep, and doesn't know were to find them." Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps**

*of the cat o'nine tails over Peep's behind like a little leather waterfall. "Peep's little puss," Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. "I love peeping at Peep's little puss." Mother giggled, wiggling her fingers through and finding the girl's clit. "Oh, Mother!" Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.*

Tilly's privileged life, after her recent graduation from Mt. Holyoke, has come to a screeching halt under tragic circumstances. Had she really believed she'd never see her Devil Dog stepbrother again? Now he's coming home—and she's forced to face his cocky smirk and arrogant swagger, to look once again into the eyes of the monster who left her. *Lizzy's friendship with her older boss, Sarah, turns into something deeper and much more exciting one rainy day after work, and Lizzy finds herself drawn into a world she never knew existed. Sarah has a dominant streak, and as she leads Lizzy into the role of a submissive, the two women become closer than they ever thought possible. But while Sarah, hurt too many times, wears a ring, and tells guys she's "taken," Lizzy knows she secretly longs for a man. Determined to find one for them both to share, Lizzy is just about to give up when a dark, handsome, virile answer shows up right under her nose. Lizzy may think she and Sarah are going to seduce David—but she underestimates their handsome co-worker, and David turns the tables on them both. But will he be able to tame the untameable Sarah?-----Warnings: This title contains erotic situations, graphic language, BDSM elements (domination, submission) and a sexy menage a trois (MFF threesome) that gives new meaning to the word "sandwich."-----EXCERPT:We found our way to her apartment, which was as familiar to me as home now. Sarah told David to make himself comfortable and we went to change. Her work clothes gave way to a pair of blue sweats and a U of M t-shirt. I noticed she wasn't wearing a bra, and her nipples were still hard from her run through the rain. She offered me her robe while my clothes dried. I was struck with an eerie sense of déjà vu as I slipped on her old terrycloth robe, pale pink and fraying at the edges, the most un-sexy thing I could imagine. I sighed as I tossed my blouse and skirt—which I'd been so sure would entice home some young hottie tonight—into the dryer. Sarah slipped her hands under my robe before I tied it, one hand kneading the sensitive flesh of my belly just above my pubic hair, the other slipping behind me to my lower back. I knew everything I was feeling showed in my eyes because I could see it reflected in her own, and she kissed my eyelids closed and then kissed my mouth, a gentle, tender and reassuring kiss. I breathed a shaky sigh and she spent a moment feathering kisses on the sweet spot on my neck, just below and behind my ear, which she knew made me instantly wet. Her hand on my belly kneaded lower, slipping under the elastic of my panties and through my pubic hair. I heard and felt her breath quicken with my own when she found and parted my pussy lips, slipping two fingers through my slit, one on each side of my already swollen clit. I moaned when she wiggled her fingers and she stopped the sound with her mouth against mine. I wondered at her boldness, and glanced toward the door, which was open, but out of the line of sight of the living room where we'd left David. Her two fingers moved easily—so wet already!—and found the thin and sensitive sheath of skin covering my clit. The sensation was exquisite, her touch practiced and deft. She applied just a small amount of pressure to the tiny bud of flesh, not so much directly on my clit, just allowing that sweet layer of skin to do the work, rubbing it in slow and easy circles with the flat of her fingers. Her hand on my lower back allowed her to guide me, support me, and I let my head fall back, pushing my hips forward to meet her hand. She pushed me back against the wall, making faster circles now, easing me gently upward. She pressed her mouth to my ear so I could feel her breath and I whimpered. My nipples rubbed against the terrycloth as I rocked my hips, and I sighed when she slipped both fingers down and pressed them into me as deeply as she could. "He's got a big, hard cock for you, Lizzie," she whispered, stretching me open even further with both fingers, and then slowly sliding in a third. My eyes flew open at the sensation and the thought. "Do you want it?"*

Tara's husband has never shared a fantasy with her, or even masturbated--that she knows of. However, this curious wife discovers a phone bill full of phone calls to sex lines and realizes her husband has been living a double life! Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. A quick psychology 101 diagnosis from Dr. Kelly marks John as having a classic "madonna/whore" complex, and she quickly sets about making plans to rectify this situation. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----EXCERPT:"Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.

From NEW YORK TIMES Bestselling & Award-Winning Author Selena Kitt - OVER 2 MILLION BOOKS SOLD! Selena Kitt's \*Girls Only\*—where the girls get naughty together, but it feels oh, so good! Paige isn't looking forward to chaperoning her younger sister's Girl Scout Troop for a camping trip outing—burning S'mores, telling the same old ghost stories and listening to little girls giggle all night long—until she meets the new Girl Scout Troop leader, Brandi. The petite blond is just her type, so when a tent mishap leaves Paige without one, forcing the two women to share, the trip goes from tame to thrilling faster than either of them could have imagined. Warning: This title contains hot panty-melting girl-on-girl action! EXCERPT: What can you do with a dozen fourteen-year-old Girl Scouts, three dozen Hershey's chocolate bars, two boxes of graham crackers and four bags of marshmallows when you're thirty miles from any known civilization? Paige could think of a few things, not the least of which involved going to prison for homicide—those pointy marshmallow sticks would make a great weapon, she mused—but she gritted her teeth and agreed to take them all down to the lake to swim so Brandi could finish setting up camp. “Are you sure you know how to pitch a tent?” Paige asked doubtfully, watching the other “adult volunteer” in their little band of merrymakers pulling tent poles out of a bag. Even though Brandi had taken charge once the bus had arrived at the camp site, barking orders clearly enough to get the girls moving, setting up their tents and unpacking their gear, Paige still wasn't quite sure Brandi knew what she was doing, exactly. Maybe it was her own brunette's natural prejudice against the petite blond—or maybe it was Brandi's bright idea that using some of the kerosene would help the fire start a little faster. Paige had thankfully made it to the girls before they tried that brilliant idea, or all of them would have gone home to their parents without eyebrows. “I'll be fine!” Brandi blew a stray length of blond hair out of her eyes, sitting back on her heels in her hiking boots. She was wearing her green Girl Scout sash with all her badges, everything from her Brownie wings to her Senior Scout badge and Paige had to resist the urge to make a joke about Girl Scout cookies being made from real Girl Scouts so hard she actually bit her tongue. “Please, just take the girls down to the lake. Let them swim and have fun. I'll finish up here.” “If you're sure?” Paige glanced over at the giggling group of girls, already in their suits, towels slung over their shoulders, among them Paige's little sister, Jess—the sole reason she'd agreed to come along on this exasperating outing in the first place. “Go!” Brandi insisted, flashing her a very broad smile as she struggled with the tent bag. “I'll have it all fixed up by the time you get back. That's your tent, isn't it?” “Uh, yeah, but...” Paige looked over at her gear—less than half of what most of the other girls had dragged along. She was a seasoned camper, even if she'd never been a Girl Scout. “I'll set your tent up too, as payback, okay?” Brandi stood, brushing her hands off on her khaki shorts and shooing Paige toward the waiting gaggle of girls. “Then we can get that fire going and roast hot dogs and marshmallows!” “Okayyy, but no kerosene, right?” Paige backed away, still doubtful, but there was no arguing with that blinding, over-confident smile and squeaky reassurance. Besides, what trouble could she get into setting up tents, Paige reasoned, directing her charges down the path toward the beach.

Kirstin has never been out of her den before, but now one of her pack is seriously injured—he may even be dying. Desperate to help, she races straight to Middle March, the borderland between Scotland and England, and falls right into a dangerous trap. As the new laird of his clan, Donal MacFalon has made it clear that he, unlike his brother before him, will honor the wolf pact, an agreement their father made with England's King Henry VII to protect Scotland's wolf shifters, the wulvers, who most believe to be only the stuff of legend. Wulvers, though, are very real. Kirstin knows. She's one of them. When Donal MacFalon turns those steel blue-grey eyes her way, she realizes she's facing something far more dangerous in this man than any trap. This man, already promised to another, has a power over her no man or wulver has ever had before. When he opens his castle and his heart to her, she finds herself willing to risk not only her own heart, but everything she's ever known, just to be with him. Kirstin will find herself caught—between the man she loves and his intended bride, between her pack and a human world frightened of her kind, between nations whose hatred runs deep. Kirstin will be forced to make choices no woman, or wulver, should ever have to make. All for one man, whose love goes beyond borders, nations, or legends, whose heart beats only for her.

The Kingdom of Askara has been torn apart by conflict for centuries, where humans exist as subservient beings to their werewolf masters. Legend says it will only be able to heal itself when an Alpha King and a pure omega are mated and crowned together, but a pure omega hasn't been born in over a thousand years. Luca is an Alpha-heir eagerly awaiting the choosing ceremony on his twenty-fifth birthday and the gifts granted by whichever omega he mates. His small pack is destitute due to the decisions of its ruling council, but being only an Alpha-heir, he has no authority to challenge them. Not until now—this moment he has waited a long time for. Kit grew up as a street-rat, an unlicensed human who would never be more than a slave for whichever master owns him. Then one day he came across a young Alpha-heir, attacked and dying of poison, and found out their fates were suddenly entwined. Luca needs to take over his pack and save his people. He cannot afford to be distracted. But when he meets Kit, he develops abilities indicating he is not just a pack Alpha, but the King his world has needed for a thousand years. Is Kit really the cause of Luca's newfound power, the true mate he needs? How is it possible when the young man isn't even a werewolf, and as merely a human, a mating is not only forbidden, but for Kit, a sentence of death?
