An amazing journey through the thriving worlds of fantasy and gaming What could one man find if he embarked on a journey through fantasy world after fantasy world? In an enthralling blend of travelogue, pop culture analysis, and memoir, forty-year-old former D&D addict Ethan Gilsdorf crisscrosses America, the world, and other worlds—from Boston to New Zealand, and Planet Earth to the realm of Aggramar. “For anyone who has ever spent time within imaginary realms, the book will speak volumes. For those who have not, it will educate and enlighten.” —Wired.com “Gandalf’s got nothing on Ethan Gilsdorf, except for maybe the monster white beard. In his new book, *Fantasy Freaks and Gaming Geeks*, Gilsdorf . . . offers an epic quest for reality within a realm of magic.” —Boston Globe “Imagine this: Lord of the Rings meets Jack Kerouac’s *On the Road*.” —National Public Radio’s “Around and About” “What does it mean to be a geek? . . . *Fantasy Freaks and Gaming Geeks* tackles that question with strength and dexterity. . . . part personal odyssey, part medieval mid-life crisis, and part wide-ranging survey of all things freaky and geeky . . . playful . . . funny and poignant. . . . It’s a fun ride and it poses a question that goes to the very heart of fantasy, namely: What does the urge to become someone else tell us about ourselves?” —Huffington Post “The idea of style and competing for the best style is the key to all forms of rockin’.” – *Style Wars*, 1983. Are subcultures, like graffiti, floating free in their own space, or are they connected to the rest of society? In *Forms of Rockin’*, graffiti styles are connected to graphic design and other popular culture expressions such as music, fashion, photography, industrial design and movies for the first time. Anssi Arte analyses some of the most powerful visual symbols of the 1970s, 80s and 90s and compares design, typography and graffiti styles. The visual styles of James Brown, Blade Runner, the Memphis group and grunge music all appear together with classic fonts and graffiti writers. The clear yet analytical narrative and carefully crafted visualizations make it appealing to both graphic design aficionados as well as graffiti enthusiasts. But *Forms of Rockin’* is more than that. This is a must for everybody interested in contemporary popular culture and design history. *Forms of Rockin’* traces and defines the stylistic conventions in graffiti letterforms that have become iconic and globally acknowledged ideals. From the early New York tags to the mid-1990s ugly-fresh styles of Scandinavia, *Forms of Rockin’* tells the story of how popular culture and graffiti styles influences each other.

World Englishes on the Web focuses on linguistic practices at the intersection of international migration and social media, examining the language repertoires of Nigerians living in the United States, and their negotiations of identity and authenticity on a Nigerian web forum. Based on a large corpus of informal, multilingual, interactive, online writing, this book describes how diasporic Nigerians employ African-American Vernacular English, Nigerian English, Nigerian Pidgin, and ethnic Nigerian languages in an online community of practice. The project combines corpus linguistic methods—relying on a corpus management tool custom-made for web forum data—with ethnographically-informed qualitative analyses of morphosyntactic, lexical, and orthographic features, and immigrants’ language attitudes and ideologies. It is relevant particularly for linguists and other social scientists interested in World Englishes, the sociolinguistics of globalization and computer-mediated communication, corpus linguistics, and pidgin and creole languages

Master's Thesis from the year 2018 in the subject English Language and Literature Studies - Linguistics, grade: 1,0, Christian-Albrechts-University of Kiel, language: English, abstract: This thesis will address whether regional variation across members of the hip-hop community is measurable in terms of regionally distinct phonological and syntactical properties. As a starting point, New York City has been selected as it marks the origin of hip-hop. Philadelphia, as part of Labov’s Mid-Atlantic region and Jones’ self-coined “Northeast region”, which itself is said to be characterized by “nonhomogeneity” (Jones 2015: 428), serves as a point of reference for the comparison of distinct regional features. Labov (2001: 121) also refers to the “Philadelphia dialect area”, which is clearly separated from New York in the North. The data for the analysis will be retrieved from randomly chosen songs performed by selected African-American hip-hop artists who are representative of their respective city and who can be considered authentic members of the local hip-hop community. Further information on the selection will be provided later on. First, the theoretical background to the study of this thesis will be provided, mainly refer-ring to the role of regionality in AAVE (as African American Vernacular English) by giving an overview of earlier and current research. Second, after narrowing down the selection of artists and their songs, the relevant phonological and syntactical features will be listed and explained before they are analysed for both Philadelphia and New York City. Finally, the results will be interpreted and discussed with respect to the guiding question of this thesis.

Radiomoderationen prägen den Charakter eines Senders und schaffen Identitätsangebote für die anvisierte Zielgruppe. Als Alltagsbegleiter mit Nebenbei- Funktion korrespondieren sie mit dem Höreralltag und sind kulturprägend. Clara Luise Finke bietet eine Systematisierung des Feldes Radiokommunikation mit einer interdisziplinären Zusammenführung zentraler Begriffe und Merkmale von Moderationen, Senderidentität und

Formatspezifisch. Mit einer breit angelegten, multimodalen Form-Funktions-Analyse zeigt sie auf, wie Radiomoderationen gestaltet sind, um eine zielgruppenspezifische, individuelle Senderidentität zu transportieren und inwiefern sie damit Alltagsästhetik erzeugen. Die Analyseergebnisse bieten zudem wertvolle Impulse für die Aus- und Weiterbildung von Moderatorinnen und Moderatoren.

Ten years ago, Mark Anthony Neal's *New Black Man* put forth a revolutionary model of Black masculinity for the twenty-first century—one that moved beyond patriarchy to embrace feminism and combat homophobia. Now, Neal's book is more vital than ever, urging us to imagine a New Black Man whose strength resides in family, community, and diversity. Part memoir, part manifesto, this book celebrates the Black man of our times in all his vibrancy and virility. The tenth anniversary edition of this classic text includes a new foreword by Joan Morgan and a new introduction and postscript from Neal, which bring the issues in the book up to the present day.

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (music and lyrics not included). Pages: 39. Chapters: As We Enter, Be a Nigger Too, Blindfold Me, Bridging the Gap (song), Can't Forget About You, Champion (Nicki Minaj song), Classic (Better Than I've Ever Been), Daughters (Nas song), Don't Get Carried Away, Escobar '97, Ether (song), Firm Biz, Get Down (Nas song), Ghetto Dreams, Got Ur Self a Gun, Halftime (song), Hate Me Now, Hero (Nas song), Hip Hop Is Dead (song), I've Got to Have It, If I Ruled the World (Imagine That), It's Mine, It Ain't Hard to Tell, I Can (Nas song), Just a Moment, Less Than an Hour, Made You Look, My President, N.I.G.G.E.R. Excerpt: "The Don" is a song by American rapper Nas. Released as the second single from his tenth studio album, *Life Is Good* (2012), it is produced by record producers Da Internz, Heavy D and Salaam Remi, who all helped write the song along with Nas, although Heavy D died before the song could be finished. Built around a sample of "Dance in New York" by reggae singer Super Cat, a former collaborator of Nas, "The Don" is backed by a boom bap, reggae-tinged production with additional drum and piano sounds. Lyrically, Nas attempts to reaffirm his status as a "street poet," addressing the hardships of poverty within disadvantaged societies and the realities of weapon and drug problems. "The Don" was released to digital retailers on April 3, 2012. Although the song was not commercially successful, charting only in the lower regions of the UK Singles Chart, it received general acclaim...

The goal of The Oxford Handbook of African American Language is to provide readers with a wide range of analyses of both traditional and contemporary work on language use in African American communities in a broad collective. The Handbook offers a survey of language and its uses in African American communities from a wide range of contexts organized into seven sections: Origins and Historical Perspectives; Lects and Variation; Structure and Description; Child Language Acquisition and Development; Education; Language in Society; and Language and Identity. It is a handbook of research on African American Language (AAL) and, as such, provides a variety of scholarly perspectives that may not align with each other -- as is indicative of most scholarly research. The chapters in this book "interact" with one another as contributors frequently refer the reader to further elaboration on and references to related issues and connect their own research to related topics in other chapters within their own sections and the handbook more generally to create dialogue about AAL, thus affirming the need for collaborative thinking about the issues in AAL research. Though the Handbook does not and cannot include every area of research, it is meant to provide suggestions for future work on lesser-studied areas (e.g., variation/heterogeneity in regional, social, and ethnic communities) by highlighting a need for collaborative perspectives and innovative thinking while reasserting the need for better research and communication in areas thought to be resolved.

Under the direction of local project partners, fourteen year 11 students from the Midwest Football Academy in Geraldton worked with Hip Hop artist Scott Griffiths and Mat de Koning to create a hip hop song and film clip which highlights healthy living and addresses tobacco smoking prevention among young people.

Cher Lloyd (born 28 July 1993) is an English singer, songwriter, and model. Lloyd rose to fame in 2010 when she finished fourth in the seventh series of The X Factor.[4] Following the seventh series finale, she was signed to Syco Music. Lloyd's debut single, "Swagger Jagger," was released in July 2011 and entered at number one on the UK Singles Chart. Her second single, "With Ur Love" featuring Mike Posner, was released on 31 October 2011, and peaked at number four on the UK Singles Chart. Lloyd's debut album, Sticks and Stones had two releases: its standard edition and a US version. The album peaked at number four on the UK Albums Chart while the latter version debuted at number nine in the US Billboard 200. Lloyd signed to US record label Epic Records in 2011.

Thoroughly researched and in tune with the culture, Hip Hop in America: A Regional Guide profiles two dozen specific hip hop scenes across the United States, showing how each place shaped a singular identity. The two volumes span the complete history of rap—from its 1970s origins to the rap battles between Queens and the Bronx in the 1980s, from the well-publicized East Coast vs. West Coast conflicts in the 1990s to the rise of the Midwest and South over the past ten years. Each essay showcases the history of the local scene, including the MCs, DJs, b-boys and b-girls, label owners, hip hop clubs, and radio shows that have created distinct styles of hip hop culture. Through its unique geographic perspective, it captures the astonishing diversity of a genre that has captivated the nation and the world.

Enlighten your mind, open your heart, and feed your spirit and soul with these provocative, highly original spoken word lyrics and poems. Indulge yourself and uplift your being with these deeply inspiring 'Psalms of the Soul', dream of a place where rivers flow from mountains on high with rainforest beauty, and reminisce on adolescent passion and raise the question 'Why do we Fall in Love?' Whether you feel disheartened and are waiting to 'Be Encouraged', or whether you ask questions about yourself when you look 'In the Mirror', you will find that this book has what you need, that special something that contemporary poetry has been missing. So prepare your body, mind, spirit, heart and soul to visualize a time and place where 'murder and homicide only exist in fables', where angels sing to you soothing melodies, where all you need is a little bit of 'Emajinashun' to realize your greatest aspirations. To a place where poetry itself can sustain life Tha Poet Speaks.

Trois aspects distincts des mondes de la danse hip-hop sont abordés dans ce livre. Les trajectoires d'artistes nous renseignent sur les modalités d'apprentissage de la danse, du métier de chorégraphe et des enjeux de leur professionnalisation. Ensuite, les relations que les institutions culturelles entretiennent avec la danse hip-hop éclairent les enjeux de la création, de la diffusion et de la transmission. Enfin, le fonctionnement de ce dispositif met en évidence les modalités de l'accompagnement des chorégraphes hiphop et les collaborations entre acteurs privés et publics.

Inom skandinavisk hiphop hör Petter till en av de mest inflytelserika textförfattarna och är en veteran inom svensk hiphop. Vad många inte känner till är att han under sin skolgång kämpade med läs- och skrivsvårigheter. I "16 rader" har Petter samlat de mest betydelsefulla texterna ur sin stora produktion. Till varje låttext har han skrivit kommentarer om hur han tänkte och kände när texten kom till. Vilka referenser han använde. Vad han inspirerades av: sådant han hört, sett, läst eller varit med om. Vilka nyckelorden är, hur han lagt upp sin berättelse och vilka bilder och känslor han vill förmedla. Boken visar hur Petter närmat sig språket utan hämningar, både genom att skriva och läsa, och kan därför användas som ett verktyg för lärare att inspirera, öppna nya vägar och synsätt för unga att se på text och litteratur.

"It's the realism in his writing that has me hooked." "His soul is a beautiful place to visit." "Honestly, I love it all. His word choice, his style, his message, the entire compilation is such an inspiration. The reason he caught my eye at first is because he has his own unique style and I really like it. He seems like a very fascinating person. I like his sense of humor too." "Faithfully, he amazes me. To me, he truly is the definition of poetry. He always inspires me never to put down my pen, even if I just write for myself. I can't wait for the book. He is right up there with Saul Williams to me. I can't wait to add his work to my collection!!!!" "He has got the gift of words. He can wrap so much up in one poem." "His poems have such cadence to them, At times I don't think of them as poems, but verses from a rapper like Common or Black Thought." "The words. When I actually slow the world down and read his words, I felt all kinds of emotions. It was wonderful for me to experience his craft. I look forward to reading more of his work." "I admire his love for poetry."
