dramatically these days, as are dire predictions for the future, you might consider learning how to treat illness yourself when medicines and hospitals are no longer available and you or a family member becomes acutely ill, or, for example, has contracted an infection—a deadly problem without antibiotics. With homeopathy, you can make your own medicines and treat yourself, your family and pets. This book will show you how. You and your family can become independent of medical assistance for most acute illnesses by learning the basic, simple methods presented in this book of how to use homeopathic remedies.

Treat acute illnesses yourself at hardly any cost, without needing expensive, toxic and side-effect producing chemical drugs, while improving the general health level and life quality of yourself and those close to you. Here are some specific benefits you can enjoy: Nip the flu in the bud with just one pill as soon as you notice flu symptoms. You are on your way home on a warm day after a long day's work in an air-conditioned office and notice a sore throat coming on, and that you feel a bit out of sorts. Realizing that a cold is building up, you reach into your homeopathic remedy kit and take an Aconitum 200 C pill. By the time you arrive

home, the budding cold is gone. Recover quickly from injuries, operations, childbirth and dental work. After a tooth extraction at the dentist's, your wife comes home complaining of pain. Naturally she has refused an antibiotic from the dentist, knowing that you will deal with the problem using homeopathic means. She has already taken Arnica 200C from her remedy kit after leaving the dentist's office. You give her another suitable homeopathic remedy, such as Staphysagria, and the next day there is hardly any pain at all—no antibiotics needed. Cure fear of flying before you travel.
