Few races have captured the imagination of racing fans as the 1992 Hooters 500 held at Atlanta Motor Speedway. On November 15, 1992, the entire NASCAR racing community tuned in to watch as six drivers strapped in for a chance to win the NASCAR Winston Cup. And what a race it was. Heading into Atlanta, Davey Allison, Bill Elliott, and Alan Kulwicki each had a real shot at winning the Championship. On the track, Allison was in and out of contention until trouble found him, imagined that a young Jeff Gordon would take the handoff from Richard Petty on this day. Author Rick Houston has gathered new interviews from Bill Elliott, Paul Andrews, Larry McReynolds, Ray Evernham, Rick Mast, Brett Bodine, Kyle Petty, and Tim Brewer. They all give fresh recollections and new information on the events leading up to and including the 1992 Hooters 500. With NASCAR's Greatest Race: The 1992 Hooters 500, readers can relive the closest championship contest culminated into a single lap to determine the title!

What southerners do, where they go, and what they expect to accomplish in their spare time, their "leisure," reveals much about their cultural values, class and racial similarities and differences, and historical perspectives. This volume of The New Encyclopedia of Southern Culture offers an authoritative and readable reference to the culture of sports and recreation in the American South, surveying the various activities in which southerners engage in their nonwork hours, as well as attitudes surrounding those activities. Seventy-four thematic essays explore activities from the familiar (porch sitting and fairs) to the essential (football and stock car racing) to the unusual (pool checkers and a sport called "fireballing"). In seventy-seven topical entries, contributors profile major sites associated with recreational activities (such as Dollywood, drive-ins, and the Appalachian Trail) and prominent sports figures (including Althea Gibson, Michael Jordan, Mia Hamm, and Hank Aaron). Taken together, the entries provide an engaging look at the ways southerners relax, pass time, celebrate, let loose, and have fun.

Cyberspace?s answer to David Sedaris: raucous recollections from a man with a serious blabber-control problem Joe Peacock is one of those rare people to whom interesting things just sorta happen. For the amusement of his friends, he'd often recount in long e-mails his latest misadventure, whether it was witnessing an armed robbery or being vomited on during his first sexual experience. In 2002, he started collecting those stories on a Web site he founded, mentallyincontinent.com. Soon he had a large following of visitors, including a rabid core group who suggested edits and helped him hone his writing craft. In 2005, he self-published the best stories from his site as a collection and in the years since he's been holding impromptu readings across the country, selling thousands of copies (mostly out of the back of his truck). In Mentally Incontinent, Joe delivers a batch of hilarious and brand-new stories, featuring his misadventures with a stalker, his blind date with a fifteen-year-old, and his frustrated attempts to convince his he's not gay. A natural storyteller and a self-proclaimed magnet for weirdness, Joe Peacock has emerged from the bowels of the Internet with some interesting tales to tell.

#1 bestselling Top Secret Recipes series with more than 4 million books sold! Every year, Americans spend billions of dollars gobbling up meals at full-service restaurant chains, inspiring Todd Wilbur to change his focus from cracking the recipes for convenience store foods to cloning the popular dishes served at these sit-down stand-bys. Wilbur's knock-offs, absolutely indiscernible from the originals, are selected from national and regional chains, many drawn from a list of the top ten full-service restaurant chains, including Houlihan's, Red Lobster, and Pizza Hut. Also included in this savory cookbook is a special section devoted to dishes from hot theme restaurants such as Hard Rock Cafe, Planet Hollywood, and Dive! Recipes include: Applebee's Quesadillas; Denny's Moons Over My Hammy; Bennigan's Cookie Mountain Sundae; The Olive Garden Toscana Soup; The Cheesecake Factory Bruschetta; T.G.I.Frida's Nine-Layer Dip; Pizza Hut Original Stuffed Crust Pizza; CHI-Chi's Nachos Grande, and many more!

Hooter's Copycat Cookbook

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 29. Chapters: History of erotic depictions, Sexual fantasy, Hooters, Sex shop, Pornography and erotica in the Philippines, Women's erotica, Bachelor party, Heather Corinna, Food and sexuality, Erotica UK, Wet T-shirt contest, Bombshell, Forbidden Flowers, EVO, Erotic cake, Wet boxer contest. Excerpt: The history of erotic depictions includes paintings, sculpture, photographs, dramatic arts, music and writings that show scenes of a sexual nature throughout time. They have been created by nearly every civilisation, ancient and modern. Early cultures often associated the sexual act with supernatural forces and thus their religion is intertwined with such depictions. In Asian countries such as India, Nepal, Sri Lanka, Japan and China, representations of sex and erotic art have specific spiritual meanings within native religions. The Greeks and Romans produced much art and decoration of an erotic nature, much of it integrated with their religious beliefs and cultural practices. In more recent times, as communication technologies evolved, each new technique, such as printing, photography, motion pictures and computers, has been adapted to display and disseminate these depictions. In early times, erotic depictions were often a subset of the indigenous or religious art of cultures and as such were not set aside or treated differently than any other type. The modern concept of pornography did not exist until the Victorian era. Its current definition was added in the 1860s, replacing the older one meaning writings about prostitutes. It first appeared in an English medical dictionary in 1857 defined as "a description of prostitutes or of prostitution, as a matter of public hygiene." By 1864, the first version of the modern definition had appeared in Webster's Dictionary: "licentious painting employed to decorate the walls of rooms sacred....

Choose one of our different and exciting graphic projects and surprise everyone around you!

This cookbook enables you to replicate recipes from the Hooter's restaurant in your own kitchen. Hooters is a classic American-themed restaurant. The Hooters name is a double entndre referring to both its owl logo, a bird known for its "hooting" calls, and an American slang term popularized by the comedian Steve Martin referring to women's breasts. The waiting staff at Hooters restaurants are primarily young women, usually referred to simply as "Hooters Girls", whose revealing outfits and sex appeal are played up and are a primary component of the company's image. The menu includes hamburgers and other sandwiches, steaks, seafood entrees, appetizers, and the restaurant's specialty, chicken wings. Some of the recipes you will find include: Orange Shorts Margarita Banana-Rama Pina Colada Nectar Tropics Tidal Wave Long-Legged Long Island Hootercane Rip Roarin' Rum Runner Hooters Original Buffalo Chicken Dip Lots-A-Tots Buffalo Chicken Quesadilla Fried Cheese Sticks Tex Mex Nachos Beer Cheese & Pretzels Hooters Chili Hooters Original Buffalo Shrimp Fried Pickles Chicken Garden Salad Chicken Caesar Salad Shrimp And Spinach Salad Hooters Pasta Salad Smoked Wings Hooters Original Style Wings Hooters Daytona Beach Style Wings Bacon Wrapped Wings Honey Thai Chili Pepper Sauce Hooters Dipping Sauce Caribbean Jerk Sauce Chipotle Garlic Sauce Three Mile Island Sauce Twisted Texas Melt Big Hootie Burger Western BBQ Burger Hooters Original Buffalo Chicken Sandwich Hooters Original Chicken Strip Cheese Sandwich Smothered Chicken Sandwich Philly Cheesesteak Sandwich Baja Fish Tacos Buffalo Chicken Chocolate Mousse Cake Key Lime Pie Caramel Fudge Cheesecake Grab your copy of this cookbook now!

What about Hooters

Young Girl's Hooters

Hooters Japan

For 30 years, Hooters restaurants and their world-famous Hooters Girls have been serving up wings, cold beverages, and a healthy dose of fun. In All I Needed to Know I Learned at Hooters, hear the story behind the walls and meet the women behind the orange and white uniforms. Filled with color photos and interesting tidbits, All I Needed to Know... shares 30 inspiring stories from alumnae who went on from their time at Hooters to become business leaders, public figures, and famous names, including actress Amy Adams, Playboy Bunny Holly Madison, and Cinnabon CEO Kat Cole. With more than 300,000 women who have proudly worked as Hooters Girls, the original restaurant chain gives a book that shows the world that being a Hooters Girl is more than a job; it's an opportunity that opens doors. All I Needed to Know... explores the history of Hooters, from its beginnings in Clearwater, Florida, to its status as a household brand. With sensational chapters including funny stories and the best of Hooters traditions, this anniversary book showcases the people who have helped Hooters become the thriving business it is today. All I Needed to Know... rounds up Hooters history and anticipates the bright future of the women who don the owl.

With an introduction that details the origins of Hooters Restaurant chain, and a description of Hooters through the ages, this cookbook is not only a wonderful collection of recipes, but also a biography of a successful American chain of restaurants. The recipes in this book range from incredible wing recipes like Beer-Battered Wings, Buffalo Wings, Waikiki Wings, and Wings of Fire to sandwiches and burgers like Big Hooties' Burgers, Crab Cake Po' Boys, and Stuffed Burgers. Other recipes include dips, calamari, bread bowls, drunken chicken, and rib-eye. Beverages and salads round out this collection to make the perfect Hooters meal at home! This book is a must-have for any cook who enjoys real, hearty meals.

"A well-written and thorough treatment of the occupational demands and biography of the flight attendant. Working the Skies describes both how the work shapes the personal lives of those in the profession, as well as how work can be 'chosen' in an effort to craft a particular kind of life. The book also illustrates how the process of globalization has moved the profession 'backwards' in terms of working conditions and compensation-challenges faced by workers in numerous other professions..."--Veronica Jarvis Tichenor, author of Earning More And Getting Less: Why Successful Wives Can't Buy EqualityGet ready for takeoff. The life of the flight attendant, a.k.a., stewardess, was supposedly once one of glamour, exotic travel and sexual freedom, as recently depicted in such films as Catch Me If You Can and View From the Top. The nostalgia for the beautiful, carefree and ever helpful stewardess perhaps reveals a yearning for simpler times, but nonetheless does not square with the difficult, demanding and sometimes dangerous job of today's flight attendants. Based on interviews with over sixty flight attendants, both female and male airline leaders, and on drawing upon his observations while flying across the country and overseas, Drew Whiteleg reveals a much more complicated profession, one that in many ways is the quintessential job of the modern age where life moves at record speeds and all that is solid seems up in the air.Containing lively portraits of flight attendants, both current and retired, this book is the first to show the intimate, illuminating, funny, and sometimes dangerous behind-the-scenes stories of daily life for the flight attendant. Going behind the curtain, Whitelegventures into first-class, coach, the cabin, and life on call for these men and women who spend week in and
