### The Best Value Colleges 2013 Hands On

For fans of HBO's *Girls*, Abigail Ulman's heartbreakingly tender and often darkly funny fiction is a fresh take on the experiences of contemporary young women. "A familiar yet highly inventive collection of short fiction which hits virtually all my buttons: dark humor, complex female characters, and a strong summer camp storyline."—Lena Dunham, *Lenny*

Claire is magnetic. On the cusp of adulthood and letting go of her adolescence one miserable responsibility at a time, she's moved from London to San Francisco to work toward her PhD

and minor in cheap whiskey, pour-over coffee, and guys who can't be bothered to shower. When she finds out she's pregnant by a heartsick ex-boyfriend, the solution seems clear, if only to her. Kira is a talented thirteen-year-old Russian gymnast who leaves her traditional family to travel to America. Elise and Jenni, two Australian high school students, seek asylum from the hooking up and heavy drinking they've been doing for years by reenrolling in their childhood sleepaway camp. Over the course of nine loosely connected stories, *Hot Little Hands* introduces us to young women, at once clever and naïve, who struggle to navigate the chronic uncertainty

and very real dangers that come with being impatient for the future and reluctant to leave childhood behind. Abigail Ulman's voice feels of the moment—sharp and powerful—as she deftly explores ageless themes of sex and maturity among girls who are both confident and frighteningly exposed. Praise for *Hot Little Hands* “In this sardonic, smart, and thoroughly modern debut collection, Ulman presents nine stories about young women on the verge of adulthood, motherhood, and more who make momentous decisions while delirious with desire.”—O: The Oprah Magazine “[Ulman] excels at dialogue and narrative. The more you get to know her characters, the

funnier it is to witness their verbal code-switching as they navigate between nosy parents, fumbling love interests, and trusted friends. That none of these stories is constrained by any need for tidy endings makes them all the more believable.”—The Atlantic “Deftly written with a fresh and realistic style . . . Each female protagonist is wonderfully complicated and charming in her own way.”—Bookreporter “The captivating women in this collection leave a lasting impression.”—Publishers Weekly “Genuinely insightful . . . Hot Little Hands is the rare collection that portrays how life pivots around mundane moments as readily as

earth-shaking events.”—Shelf Awareness “It is rare for a collection to so adeptly capture the way life can be at once facile and intense. Ulman’s details are lifelike and droll, her style lucid and engaging, and the overall effect stirring.”—Kirkus Reviews “A noteworthy debut. . . . Ulman writes without judgment, and this is what gives her characters life. They are multifaceted, flawed beings—sometimes victims of others, but often victims of their own actions—in whom readers will recognize flashes of themselves.”—Booklist “The stories are beautifully paced, the dialogue perfect. There is a lovely comedy

underpinning the cool tone. Often this becomes hilarious, but it is also controlled and well-judged. Abigail Ulman knows how to write a story, manage a buildup, hold your attention, suggest that somehow nothing much is happening while, in fact, everything is going on.”—Colm Tóibín, author of *Brooklyn*

The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine

“Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.”

—Entertainment Weekly “Lydia is dead. But they don’t know this yet.”

Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue.
