In the novel *Hannah Fowler*, Janice Holt Giles created a pioneer woman who would, in Giles's words, "endow her own physical seed with her strength and courage, and her own tenderness and love." First published in 1956, this work is the second in Giles's series of historical novels on Kentucky, which includes *The Kentuckians* and *The Believers*. Samuel Moore and his daughter Hannah set out for the border country with a party led by George Rogers Clark but left to follow the Kentucky River to Boones' Fort. As the story opens, Hannah is nursing her father, injured when an axe slips and cuts his leg. By the time Tice Fowler, on his way to Logan's Fort, stumbles upon them alone in the wilderness, Samuel is dying from blood poisoning. When Samuel dies, Tice takes Hannah to the fort, where women are scarce, and Hannah finds herself besieged by suitors. Only with Tice, as silent and downright as herself, does Hannah feel at ease. Finally, she turns to the bashful Tice and asks him to marry her and take her away from the crowded fort. Together, they take their claim to land, build a cabin, and start a family. They endure the harsh frontier life, the threat of hungry wolves, a killing blizzard, and Indian raids. Hannah is an unforgettable character -- tall, physically and psychologically strong, the epitome of frontier womanhood -- brought to life by a woman who knew and loved the Kentucky people and setting about which she wrote. Janice Holt Giles (1905-1979), author of nineteen books, lived and wrote near Knifley, Kentucky, for thirty-four years. Her biography is told in *Janice Holt Giles: A Writer's Life*.

Warren takes you on a journey into the workhouses, slums, factories, and schools of Victorian England, and into the world of Dickens. She shows how he used his pen to do battle on behalf of the poor, becoming one of the great reformers of his or any age. This set of 14 volumes, originally published between 1932 and 1995, amalgamates several topics on the history of education between the years 1800 and 1926, including women and education, education and the working-class, and the history of universities in the United Kingdom. This set also includes titles that focus on key figures in education, such as Samuel Wilderspin, Georg Kerschensteiner and Edward Thring. This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject and will be of particular interest to students of history, education and those undertaking teaching qualifications.

The Sign Of The Beaver

In this celebrated memoir and exploration of identity, cancer transforms the author's face, childhood, and the rest of her life. At age nine, Lucy Grealy was diagnosed with a potentially terminal cancer. When she returned to school with a third of her jaw removed, she faced the cruel taunts of classmates. It took her twenty years of living with a distorted self-image and more than thirty years of reconstructive procedures before she could come to terms with her appearance. In this lyrical and strikingly candid memoir, Grealy tells her story of great suffering and remarkable strength without sentimentality and with considerable wit. She captures what it is like as a child and a young adult to be torn between two warring impulses: to feel that more than anything else we want to be loved for who we are, while wishing desperately and secretly to be perfect. A New York Times Notable Book "This is a young woman's first book, the story of her own life, and both book and life are unforgettable." —New York Times "Engaging and engrossing, a story of grace as well as cruelty, and a demonstration of [Grealy's] own wit and style and class."—Washington Post Book World

Born the eighth of seventeen children in Philadelphia, Betsy Ross lived in a time when the American colonies were yearning for independence from British rule. Ross worked as a seamstress and was eager to contribute to the cause, making tents and repairing uniforms when the colonies declared war. By 1779 she was filling cartridges for the Continental Army. Did she sew the first flag? That's up for debate, but Who Was Betsy Ross? tells the story of a fierce patriot who certainly helped create the flag of a new nation.

My Antonia is a novel by an American writer Willa Cather. It is the final book of the "prairie trilogy" of novels, preceded by O Pioneers! and The Song of the Lark. The novel tells the stories of an orphaned boy from Virginia, Jim Burden, and Antonia Shimerda, the daughter of Bohemian immigrants. They are both became pioneers and settled in Nebraska in the end of the 19th century. The first year in the very new place leaves strong impressions in both children, affecting them lifelong. The narrator and the main character of the novel My Antonia, Jim grows up in Black Hawk, Nebraska from age 10. Eventually, he becomes a successful lawyer and moves to New York City.

Relates how the wares of the little match girl illuminate her cold world on the last day of the old year.

Contributions of the Jewish men and women who helped shape the American frontier.

A 1984 Newbery Honor Book Although he faces responsibility bravely, thirteen-year-old Matt is more than a little apprehensive when his father leaves him alone to guard their new cabin in the wilderness. When a renegade white stranger steals his gun, Matt realizes he has no way to shoot game or to protect himself. When Matt meets Attean, a boy in the Beaver clan, he begins to better understand their way of life and their growing problem in adapting to the white man and the changing frontier. Elizabeth George Speare's Newbery Honor-winning survival story is filled with wonderful detail about living in the wilderness and the relationships that formed between settlers and natives in the 1700s. Now with an introduction by Joseph Bruchac.

Their lives would be tempered by adversity, expanded by faith, polished by perseverance. Based on an actual 1852 Oregon Trail incident, All Together in One Place, Book One in the Kinship and Courage series, speaks to the strength in every woman and celebrates the promise of hope that unfailingly blooms amidst tragedy and challenge. For Madison "Mazy" Bacon, a young wife living in southern Wisconsin, the future appears every bit as promising as it is reassuringly predictable. A loving marriage, a well-organized home, the pleasure of planting an early spring garden--these are the carefully-tended dreams that sustain her heart and nourish her soul. But when her husband of two years sells the homestead and informs her that they are heading west, Mazy's life is ripped down the middle like a poorly mended sheet forgotten in a midwestern storm. Her love is tried, her boundaries stretched, and the fabric of her faith tested. At the same time, she and eleven extraordinary women are pulled toward an uncertain destiny--one that binds them together through reluctance and longing and into acceptance and renewal.

During World War I, after an impulsive night with an infected soldier, Frieda Mintz, a seventeen-year-old Jewish girl, is sent to a makeshift detention center for medical treatment with other "charity girls" in similar circumstances.
