*professional gambler? The answer is an unequivocal, "Yes!" This book's authors are but two examples. Many thousands of people around the country make a good living exclusively from gambling. It is not easy, but it can be done. The key is to understand which games are beatable and know how to beat them. David Sklansky and Mason Malmuth have spent many years writing about the finer points of poker, blackjack, and other beatable games. As you will see in the book, those other "games" are horses, sports, progressive slots and video poker, casino tournaments, and special promotions. They don't include craps, roulette, keno, or baccarat for reasons they'll explain. This book, was written for the not quite as experienced*

For example, "If you want to have \$10 million before retirement, then your first priority is to make a quick profit of one million dollars." This bucket of gold is important for you to create more wealth. Investment principal. In the second step, you must reject all "showing" consumption before you earn the first pot of gold, such as buying a more dazzling car or buying a beautiful watch that will envy your friends. In the third step, after you have the first bucket of gold, you must work hard to increase your work income, or reduce your expenses. You must use the*

The fourth step is to continue to invest in the first barrel of gold and the remaining money of the month, invest in the target with "long-term value-added opportunities," and hold it for a long time, and do not arbitrarily redeem it. Or, invest in financial tools that can consistently create cash flow. The fifth step is to repeat the first four steps until you find that the passive income generated through the investment has "equal to or exceeds" your main work income. "This means you no longer need to spend your time or energy to make money.*

*million US dollars, in the end, Calden was based on "passive income over salary" as a measure of the work of retirement financial projects. The five major steps he has proposed are not so much to "earn wealth," but rather to let you "accumulate wealth" step by step, and transfer funds into passive income commodities before retirement. Today, Calden's identity is no longer a super salesman, more of the title of a well-known financial coach in the United States, it writes a lot of books related to financial management, teach readers how to accurately target the financial goals of each stage, and create passive income. For many wealth management people, the words "passive income" do have some magic. The so-called passive income refers to the source of*

Among the various types of investment and wealth management products on the market, there are indeed many tools that are "limited in risk and can be fixedly distributed." But you will also find that in Calden's plan to create passive income, it is necessary to have a long-term resistance to passive income over salary. The five steps he proposed included two important elements: the principal, which included enough first bucket of gold and monthly investment amount; time, which is a process that requires long-term discipline and slow landing. more important, helps you make new choices that lead to a happier, more successful life in every way. Many people have tried using social media to start a business or just integrate their small business on social media but failed. Places like Facebook and twitter are Goldmines but only few people know the exact secret used by the Gurus. This is because the less you know the less competition they have to deal with, and the easier they make profit. On this book, the step by step procedures on how to create a passive income on Facebook is revealed. This involves different income generation methods that can lead to reoccurring and growing stream of

profit. You will be shown exactly how one of these methods generated over \$2000 on a single Facebook account within few weeks. Odessa Berry, owner of a Pet Clinic in New York used one of these methods and made in 2 months what she used to make in a year. After reading just the First and Second Chapters of this book you will start to see Facebook in a different way, to use each and every feature for boosting your income on a daily basis. Delay causes the ineffectiveness of a method. This principle also applies to social media marketing; the starters always do better. Most so-called social media marketers don't even know these strategies exist.

earning enough side income to cover your needs so you can afford more of your wants? Yeah, those are some great dreams. And guess what? You can make them come true-with a good plan in place. The good plan we're talking about here is called passive income. What is passive income? There are many different ideas of what passive income is and ways to earn it, so let's get right to it. Imagine, rather than you working for money that you intend to make every day, you work for you 40hr a week. Better?
