So, what are you waiting for?

Are you and your favorite teenager having too many conversations like this? "How was school?" "Fine." "Soccer practice?" "Same as always." "Anything interesting happen today?" "Nope." "Nice talking with you!" Let's face it. Teenagers have a PhD in one-word answers . . . if we don't ask the right questions. In this book, veteran youth expert Jonathan McKee shares 180 creative discussion starters to help teens open up about issues that matter. You'll also find tips for interpreting their responses and follow-up questions. From light-hearted to more serious, these conversation springboards will encourage even the most reluctant teen to talk about friends, school, values, struggles, and much more. "The perfect tool for connecting with today's teenagers." --Dr. Kevin Leman, author of Have a New Teenager by Friday "Few people understand the teenage world like Jonathan McKee. This book is one of the most helpful and practical tools I have ever seen to get teenagers talking with their parents about important topics."--Jim Burns, PhD, author of Teenology: The Art of Raising Great Teenagers and Confident Parenting

The most powerful tool in your book promotion toolkit is your personality. The fact is that personality sells books. Readers want a relationship with authors of the books they read. If you aren't a celebrity or a world-known author, it is up to you to create that relationship. Finally, here's a book that tells you how to develop a greater rapport with your readers, and thus SELL MORE BOOKS through more effective live presentations, well-attended book signings, successful book festival experiences, and more personalized social media techniques. Learn how to get speaking gigs at conferences and how to land and more expertly handle radio, TV, and Internet interviews. This book will teach you how to: · Find and create speaking opportunities at appropriate venues · Handle yourself skillfully in front of an audience · Eliminate your noodle knees · Improve your speaking skills · Improve and protect your speaking voice · Come up with speech topics for fiction and nonfiction books · Organize workshops and present them on your own · Get publicity for your presentations · Land speaking gigs at conferences · Form a bond with audience members · Write a pitch letter and press release · Create better handouts and use them more effectively · Develop better communication skills · Attract more people to your book signings · Sell more books at book festivals If you're ready to take your book promotion to the next level, this thorough guide is for you!

Learn how to communicate with your teen They want independence but need to know you're there. They need guidance, but they don't want advice. They'll chat with their friends, but not with you. Breaking the wall of silence with your teen can sometimes be difficult, but it's possible to find connection and have really good talks when you know how. This supportive parenting book provides communication tools, advice, and relatable real-life stories that will help you get the conversation started and strengthen your relationship with your teen. What sets How to Talk to Your Teen About Anything apart from other books on parenting teens: Key communication skills--Learn essential communication techniques, including active listening and emotional regulation, and how to deal with communicating in the digital age. Teen parenting 101--Explore what teens want from life and how you can find a balance between discipline, support, and letting go. Recognize your patterns--Understand your patterns, and learn how to set healthy emotional boundaries that will help you prepare for things like sex education (aka "the talk"), and inspire your teen to open up about sensitive topics. Open the lines of communication and bond with them every day using How to Talk to Your Teen About Anything.

Have you been struggling to effectively communicate with your child and don't know what to do about it? Too often people find that they don't know how to talk to their children. This is especially true when talking about troubling or down right bad behavior. Often times they'll resort to physical punishment because they don't understand how to correctly convey to their child that what they did was wrong and more importantly why it was wrong. The good news is that it's never too late to learn how to talk to your child the right way. This book will teach you how to talk to your child in a way that is healthy, loving, but at the same time respects the boundaries between you as the adult and them as the child. As, another common mistake people make is talking to their child like they're adults and wind up ruining their own authoritarian aspect. What will you learn from this book? How kids learn and grow and what this means for communication How to talk to your kids about money in a way that they will understand How to talk to your kids about "Bad Friends" How to establish healthy rules for the internet and other digital mediums How to listen so that your child will talk and open up Internet Rules For Kids And so much more! Learning to talk to your kids correctly is one of the most important things that you can do as a parent, not only will it help you to establish a good relationship with your child but it will also help to shape their relationships with others for years to come. If you want to learn how to communicate with your child in the most effective way possible then you need to get this book today!

"The greatest enemy of sexual wholeness today," asserts Mark Laaser, Ph.D., "is silence." A therapist specializing in the field of sexual health, Dr. Laaser has worked with hundreds of adults who suffer the consequences of sexual sin and dysfunction. All of them long to have had meaningful conversations with their parents about sex when they were growing up. Most parents would agree that healthy sexuality should be taught at home rather than left to their children's teachers, peers, or culture. However, even parents with the best intentions can feel at a loss regarding where to start. In Talking with Your Kids about Sex, Dr. Laaser cuts through the confusion, coaching you through specific, age-appropriate discussions you can have with your son or daughter from early childhood through young adulthood; giving guidance on how to explore and examine your own sexual beliefs and issues; and empowering you to help your child develop a healthy and biblical understanding of sexuality, a glorious gift from God.

Every chapter within is broken down with easy-to-follow stories and information, laced with quick-fire facts and tips you can put into action right now. Offers parents practical guidance on answering children's difficult questions about everyday life

Linda and Richard Eyre stress that it's never too soon-or too late to start discussing sex and values with your children, and they've got proven strategies to make it easier. For parents who want to go beyond the birds and the bees talk, How to Talk to Your Child About Sex provides thoughtful, clear, specific guidance on when and, most important, how to help children begin to learn and understand sex, love, and commitment from the most positive viewpoint possible. Preliminary "as needed" talks with three-to eight-year-olds The age eight Big Talk Follow-up talks with eight-to thirteen-year-olds Behavior discussions and guidelines with eleven-to sixteen-year-olds Discussions of perspective and personal standards with fifteen-to nineteen-year-olds

Do you feel awkward at networking events? Do you wonder what your date really thinks of you? Do you wish you could decode people? You need to learn the science of people. As a human behavior hacker, Vanessa Van Edwards created a research lab to study the hidden forces that drive us. And she's cracked the code. In Captivate, she shares shortcuts, systems, and secrets for taking charge of your interactions at work, at home, and in any social situation. These aren't the people skills you learned in school. This is the first comprehensive, science backed, real life manual on how to captivate anyone—and a completely new approach to building connections. Just like knowing the formulas to use in a chemistry lab, or the right programming language to build an app, Captivate provides simple ways to solve people problems.

You'll learn, for example... · How to work a room: Every party, networking event, and social situation has a predictable map. Discover the sweet spot for making the most connections. · How to read faces: It's easier than you think to speed-read facial expressions and use them to predict people's emotions. · How to talk to anyone: Every conversation can be memorable—once you learn how certain words generate the pleasure hormone dopamine in listeners. When you understand the laws of human behavior, your influence, impact, and income will increase significantly. What's more, you will improve your interpersonal intelligence, make a killer first impression, and build rapport quickly and authentically in any situation—negotiations, interviews, parties, and pitches. You'll never interact the same way again.

Homo sapiens have been speaking for hundreds of years—and yet basic communication still stymies us. We freeze up in elevators, on dates, at parties, under Dumpsters. We stagger through our exchanges merely hoping not to crash, never considering that we might soar. We go home sweaty and eat a birthday cake in the shower. But no more. With What to Talk About you'll learn to speak—fluently, intelligently, charmingly—to family, friends, coworkers, lovers, future lovers, children, even yourself. This hilarious manual, written by two award-winning authors and illustrated by legendary cartoonist Tony Millionaire, is tailor-made for anyone who might one day attend a dinner party, start a job, celebrate a birthday, graduate from school, date a human, or otherwise use words. What to Talk About is not rocket science, but it is a lot like brain surgery, in the sense that is terrifying, risky—and could change you forever.

"Many parents do not know that the simple act of speaking to a child, even before he or she can respond, stimulates the child to learn speech. This book shows how babies learn and encourages parents to use all settings—from parks to stores to car rides—as opportunities for rewarding exchanges."

The twentieth anniversary edition of the best-selling parenting guide includes updated information as well as the practical, sensible advice that made the book a classic to begin with. Original. 44,000 first printing.

We live in a time when kids of all ages are bombarded with age-sensitive material wherever they turn; "sexting" and bullying are on the rise at an increasingly younger age, and teen moms are "celebrified." What is a concerned -- and embarrassed -- parent to do? With wit, wisdom, and savvy, Deborah Roffman translates her experiences gleaned from decades of teaching kids and parents, and as a mom, into strategies to help parents navigate this tricky terrain. Talk to Me First is for any parent who wants to become and remain the most credible and influential resource about sexuality in their children's lives.

Cats are, without question, our favorite pets. Over the thousands of years that they have been our companions, a very real understanding has evolved between them and their human counterparts. This fantastic book is a must-read for every feline fanatic. It is the ultimate guide to forging a more meaningful bond with your pet - to make life happier for both of you! The book explains how cats function as cats - what they like, what they dislike, how they behave - and uses that knowledge to help you build a real relationship with your pet on a day-to-day basis. When problems occur, you will learn why they exist and what you can do to solve them. By finding out more about your cat, you will appreciate it even more, not only for its natural behaviour and abilities, but for the fact that it can share its life with us in such a smooth and rewarding manner.

Strengthen and deepen your relationship with your kids.

Author's Note: Specially written to provide guidance for those who are facing difficulties in communicating with their bosses. A practical guidebook for those who are fresh or just starting out in their careers. Common Problem that People are Facing You're an outstanding employee, you've been working at your company for a while now, but you still feel you're not getting what you want. Most people don't like to ask for things directly because they have phobia talking to their bosses and they do not know how to overcome it. Your boss is a human being, and while he or she may seem like an unreachable deity in the workplace, they are actually just another person. They have flaws, quirks, and emotions that you can use to your advantage when it comes time to talk about something important at work. We all know that communicating with your boss is important, but it's hard to figure out how to do this effectively. The problem is that most people don't know how to communicate effectively with their bosses because they haven't been taught how. It's not as easy as telling someone what you want - it takes finesse and tact! Your boss doesn't have the time to read your mind and figure out exactly what you need from them. This can lead to frustrations and unmet expectations. Both are bad for business and employee morale. How This Book Can Help How To Talk To Your Boss Like A Boss will help bridge the gap between what you want in your work and what your boss wants to understand. This book will show you exactly what steps to take in order to communicate effectively with your boss so they can give the support and direction needed for success. In this book, I shared the best tips on how to communicate with your boss in order to make sure that you are always heard and understood by them. By using these techniques and learning the secrets of communicating effectively with your boss, you can be more productive and happier at work! This book will teach you everything from the basics of getting along with your boss on a day-to-day basis to more complex issues, such as asking for a raise or promotion. Whether you're new to your job or looking for ways to improve things at work, How To Talk To Your Boss Like A Boss has got you covered! - Learns the skills to talk to your boss and get what you want - A simple, clear guide through all the perils of talking with your boss - Make soft skills a weapon of choice and take control of difficult conversations with superiors - You will learn how to start a conversation with confidence and competence - Achieving higher job satisfaction, confidence and earning more money If this is what you are looking for, then Get Your Caps Today!

"This parenting book actually made me a better parent."—Lydia Kiesling, The New York Times bestselling author, the ultimate "parenting bible" (The Boston Globe)—a timeless, beloved book on how to effectively communicate with your child. This bestselling classic by internationally acclaimed experts on communication between parents and children includes fresh insights and suggestions, as well as the author's time-tested methods to solve common problems and build foundations for lasting relationships, including innovative ways to: - Cope with your child's negative feelings, such as frustration, anger, and disappointment - Express your strong feelings without being hurtful - Engage your child's willing cooperation - Set firm limits and maintain goodwill - Use alternatives to punishment that promote self-discipline - Understand the difference between helpful and unhelpful praise - Resolve family conflicts peacefully Enthusiastically praised by parents and professionals around the world, Faber and Mazlish's down-to-earth, respectful approach makes relationships with children of all ages less stressful and more rewarding.

Building grit and hope in the face of the climate emergency With catastrophic global warming already baked into the climate system, today's children face a future entirely unlike that of their parents. Yet how can we maintain hope and make a difference in the face of overwhelming evidence of the climate crisis? Help is at hand. Written by Harriet Shugarman - the Climate Mama and trusted advisor to parents - How to Talk to Your Kids About Climate Change provides tools and strategies for parents to explain the climate emergency to their children and galvanize positive action. Coverage includes: The unvarnished realities of the climate crisis, including advice from engaged parents on the ground How to maintain our own hope and that of our children A list of practical actions families can take to tackle the climate change crisis Ideas for helping children follow their passions in pursuit of a livable, just, and sustainable world. A lifeline for parents who are feeling overwhelmed with fear and grief, this book provides both hope and practical ways to engage children in pursuit of a better world that is still possible.

Because exposure to pornography is inevitable, it's become necessary to prepare our kids for that exposure. Porn's addictive nature, the way it can alter a child's developing brain, and how it will affect all of their future relationships make this discussion not only important, but vital to a child's healthy sexual development. Pornography use among kids is now a major public health issue due to its far-reaching effects. We have provided critical information and great discussion questions that will foster productive and meaningful conversations between you and your kids. Look at these discussions as an opportunity to grow closer. As you become more comfortable and gain confidence in discussing these tough topics, your kids will be able to ask you deeper questions and share more personal thoughts and experiences with you. You will find that if you can discuss the dangers of online pornography and the related topics in this book, you can talk with your kids about ANYTHING!

A HANDY PARENT'S GUIDE THAT TURNS PROFESSIONAL LANGUAGE DEVELOPMENT INTO CHILD'S PLAY Are you concerned that your child is not verbalizing? The solution may be as simple as a game. What to Say When You Talk to Your Self

***MOST PARENTS DREAD "THE CONVERSATION."* They don't know how or when to talk to their kids about S-E-X. However, the mismanagement of sexuality is so prevalent in our world that understanding what is good and healthy about sex is a great place to start-not just for our kids, but for us too. In How To Talk With Your Kids About Sex, Rodney and Traci Wright help parents look into the cultures we are creating in our families and what it looks like to have an ongoing conversation with our kids, based on 10 foundational principles. As parents, we have the opportunity to show our children a healthier pathway forward than many of us had. If understood and managed correctly, our sexuality can be the source of some of life's greatest joys and blessings-Heaven on earth!**

Offers practical advice to older readers on how they can talk to their adult children about their end-of-life needs.

***Find out what your cat is really saying -- and talk back!* Jean Craighead George, Newbery Medal-winning author of over 80 books about nature and animals, demonstrates in words and photos how to communicate with that ever-mysterious, ever-lovable animal -- the cat.**

Have you ever stopped to think how much "talk" occurs in our own little busy world every day of our lives? Do you realize how much talk is involved in our jobs in everyday business? How everything we do every day of our lives involves conversation and speech on many different topics? Our conversations in our household and community affairs, at our desk in the office, out in the factory or on the road, with our fellow workers, executives, vendors, customers, visitors, friends—all these involve thousands of words every day in our lives. Imagine what help it might be to your prospects of success if all your talk and conversation were consciously directed to specific objectives and goals of accomplishment. Think of the pleasant and desirable things that might happen if your talks, your conversations, your letters, your telephone messages, your public appearances all were consciously channeled along the road to success. This book has as its major purpose the directing of all these words into proper, efficient, and effective lines of communication.

"Couple Talk" is a treasure of practical ideas for building a relationship of caring, respect, and intimacy In this book, you will gain "Couple Talk" strategies to help you to create a loving, respectful relationship with your partner, one that is held firmly together with trust, caring, and compassion. The book teaches a style of language and a system of communication that will produce a more open and honest pattern of communication between you and your partner.

"If you were about to leave this planet, what would you say, and who would you say it to?" This shocking and provocative question is at the core of the remarkable and inspiring book, One Last Talk: Why Your Truth Matters and How to Speak It. This book emerged from the speaking series designed to help people discover their truth, and then speak it out loud, developed by renowned coach Philip McKernan. In this book, McKernan goes beyond the event, and dives into what it means to discover your truth and speak it feeling more authentically could allow you to have a greater impact on others, or you can't find the words to speak your truth as boldly as you know you need to, this is the book for you. Make no mistake, the path McKernan lays out is simple, but not easy, because your greatest gift lies next to your deepest wounds.

Learn to start open, productive talks about money with your parents as they age As your parents age, you may find that you want or need to broach the often-difficult subject of finances. In Mom and Dad, We Need to Talk: How to Have Essential Conversations with Your Parents About Their Finances, you'll learn the best ways to approach this issue, along with a wealth of financial and legal information that will help you help your parents into and through their golden years. Sometimes parents are reluctant to address money matters with their adult children, and topics such as long-term care, retirement savings (or lack thereof), and end-of-life planning can be particularly touchy. In this book, you'll hear from others in your position who have successfully had "the talk" with their parents, and you'll read about a variety of conversation strategies that can make talking finances more comfortable and more productive. Learn conversation starters and strategies to open the lines of communication about your parents' finances Discover the essential financial and legal information you should gather from your parents to be prepared for the future Gain insight from others' stories of successfully talking money with aging parents Gather the courage, hope, and motivation you need to broach difficult subjects such as care facilities and end-of-life plans For children of Baby Boomers and others looking to assist aging parents with their finances, Mom and Dad, We Need to Talk is a welcome and comforting read. Although talking money with your parents can be hard, you aren't alone, and this book will guide you through the process of having fruitful financial conversations that lead to meaningful action.

Animal communicator Gail Thackray believes that everyone can learn to talk to their pets. Gail leads you through specific exercises to develop this skill and guides you step-by-step to connect and communicate. You'll learn the most voiced "pet peeves," solutions to common behavioral issues, and how to push what your animal wants. Gail teaches you how to perform energy healings, do body scans for health, and how to connect to lost pets. With Gail's down-to-earth style and hilariously funny stories, you'll get a firsthand look at how animal communication works and just how cute these critters really are.

An indispensable practical toolkit for dismantling racism in the workplace without fear Reporting and personal testimonials in every institution in this country. But knowing that racism exists isn't nearly enough. Social media posts about #BlackLivesMatter are nice, but how do you push leadership towards real anti-racist action? Diversity and inclusion strategist Y-Yonne Hutchinson helps tech giants, political leaders, and Fortune 500 companies speak more productively about racism and bias and turn talk into action. In this clear and accessible guide, Hutchinson equips employees with a framework to think about race at work, prepares them to have frank and effective conversations with more powerful leaders, helps them center marginalized perspectives, and explains how to leverage power dynamics to get results while navigating backlash and gaslighting. How to Talk To Your Boss About Race is a crucial handbook to moving beyond fear to push for change. No matter how much formal power you have, you can create antiracist change at work.

How to Be the Parent You Always Wanted to Be: Tips on How to Teach Your Children and Habits of a Happy Family. Parenting Skills to Raising Children with Logic and Love

The cats of America are under siege! Long gone are the good old days when a cat's biggest worries were mean dogs or a bath. Modern cats must confront satanists, online predators, the possibility of needing to survive in a post-apocalyptic wasteland, and countless other threats to their nine lives. For over four decades, the American Association of Patriots have stood at the vanguard of our country's defense by

helping to prepare our nation's cat owners for the difficult conversations they dread having with their pets. Written in a simple Q&A format, How to Talk to Your Cat About Gun Safety answers crucial questions such as, "What is the right age to talk to my cat about the proper use of firearms?" and "What are the benefits of my cat living a lifestyle of abstinence?" and especially "Why does my cat need to use the internet? Can't he just play with yarn like cats used to do?" Our country—and our cats—stand at a precipice. It will take courage, and it will take hard work, but armed with the knowledge within these pages, we can make our cats—and America—great again!

"You'll not only break the ice, you'll melt it away with your new skills." -- Larry King "The lost art of verbal communication may be revitalized by Leil Lowndes." -- Harvey McKay, author of "How to Swim with the Sharks Without Being Eaten Alive" What is that magic quality makes some people instantly loved and respected? Everyone wants to be their friend (or, if single, their lover!) In business, they rise swiftly to the top of the corporate ladder. What is their "Midas touch?" What it boils down to is a more skillful way of dealing with people. The author has spent her career teaching people how to communicate for success. In her book How to Talk to Anyone (Contemporary Books, October 2003) Lowndes offers 92 easy and effective sure-fire success techniques-- she takes the reader from first meeting all the way up to sophisticated techniques used by the big winners in life. In this information-packed book you'll find: 9 ways to make a dynamite first impression 14 ways to master small talk, "big talk," and body language 14 ways to walk and talk like a VIP or celebrity 6 ways to sound like an insider in any crowd 7 ways to establish deep subliminal rapport with anyone 9 ways to feed someone's ego (and know when NOT to!) 11 ways to make your phone a powerful communications tool 15 ways to work a party like a politician works a room 7 ways to talk with tigers and not get eaten alive In her trademark entertaining and straight-shooting style, Leil gives the techniques catchy names so you'll remember them when you really need them, including: "Rubberneck the Room," "Be a Copyclass," "Come Hither Hands," "Bare Their Hot Button," "The Great Scorecard in the Sky," and "Play the Tombstone Game," for big success in your social life, romance, and business. How to Talk to Anyone, which is an update of her popular book, Talking the Winner's Way (see the 5-star reviews of the latter) is based on solid research about techniques that work! By the way, don't confuse How to Talk to Anyone with one of Leil's previous books, How to Talk to Anybody About Anything. This one is completely different!

A must-have resource for anyone who lives or works with young kids, with an introduction by Adele Faber, coauthor of How to Talk So Kids Will Listen & Listen So Kids Will Talk, the international mega-bestseller The Boston Globe dubbed "The Parenting Bible." For over thirty-five years, parents have turned to How to Talk So Kids Will Listen & Listen So Kids Will Talk for its respectful and effective solutions to the unending challenges of raising children. Now, in response to growing demand, Adele's daughter, Joanna Faber, along with Julie King, tailor How to Talk's powerful communication skills to children ages two to seven. Faber and King, each a parenting expert in her own right, share their wisdom accumulated over years of conducting How To Talk workshops with parents and a broad variety of professionals. With a lively combination of storytelling, cartoons, and fly-on-the-wall discussions from their workshops, they provide concrete tools and tips that will transform your relationship with the young kids in your life. What do you do with a little kid who...won't brush her teeth...screams in his car seat...pinches the baby...refuses to eat vegetables...throws books in the library...runs rampant in the supermarket? Organized according to common challenges and conflicts, this book is an essential emergency first-aid manual of communication strategies, including a chapter that addresses the special needs of children with sensory processing and autism spectrum disorders. This user-friendly guide will empower parents and caregivers of young children to forge rewarding, joyful relationships with terrible two-year-olds, truculent three-year-olds, ferocious four-year-olds, foolhardy five-year-olds, self-centered six-year-olds, and the occasional semi-civilized seven-year-old. And, it will help little kids grow into self-reliant big kids who are cooperative and connected to their parents, teachers, siblings, and peers.

The renowned #1 New York Times bestselling authors share their advice and expertise with parents and teens in this accessible, indispensable guide to surviving adolescence. Adele Faber and Elaine Mazlish transformed parenting with their breakthrough, bestselling books Siblings Without Rivalry and How to Talk So Kids Will Listen & Listen So Kids Will Talk. Now, they return with this essential guide that tackles the tough issues teens and parents face today. Filled with straightforward advice and written in their trademark, down-to-earth style sure to appeal to both parents and teens, this all-new volume offers both innovative, easy-to-implement suggestions and proven techniques to build the foundation for lasting relationships. From curfews and cliques to sex and drugs, it gives parents the tools to help their children safely navigate the often stormy years of adolescence.
