**NEW YORK TIMES BESTSELLER** • The perfect gift for new parents and grandparents this Mother's Day: a bighearted book of wisdom, wit, and insight, celebrating the love and joy of being a grandmother, from the Pulitzer Prize-winning columnist and #1 bestselling author "This tender book should be required reading for grandparents everywhere."—Booklist (starred review) "I am changing his diaper, he is kicking and complaining, his exhausted father has gone to the kitchen for a glass of water, his exhausted mother is prone on the couch. He weighs little more than a large sack of flour and yet he has laid waste to the living room: swaddles on the chair, a nursing pillow on the sofa, a car seat, a stroller. No one cares about order, he is our order, we revolve around him. And as I try to get in the creases of his thighs with a wipe, I look at his, let's be honest, largely formless face and unfocused eyes and fall in love with him. Look at him and think, well, that's taken care of, I will do anything for you as long as we both shall live, world without end, amen." Before blogs even existed, Anna Quindlen became a go-to writer on the joys and challenges of family, motherhood, and modern life, in her nationally syndicated column. Now she's taking the next step and going full nana in the pages of this lively, beautiful, and moving book about being a

grandmother. Quindlen offers thoughtful and telling observations about her new role, no longer mother and decision-maker but secondary character and support to the parents of her grandson. She writes, "Where I once led, I have to learn to follow." Eventually a close friend provides words to live by: "Did they ask you?" Candid, funny, frank, and illuminating, Quindlen's singular voice has never been sharper or warmer. With the same insights she brought to motherhood in *Living Out Loud* and to growing older in *Lots of Candles, Plenty of Cake*, this new nana uses her own experiences to illuminate those of many others. Praise for *Nanaville* "Witty and thoughtful . . . .  
Nanaville serves up enough vivid anecdotes and fresh insights—about childhood, about parenthood, about grandparenthood and about life—to make for a gratifying read."—The New York Times "Classic, bittersweet Quindlen . . . [Her] wonder at seeing her eldest child grow into his new role is lovely and moving. . . . The best parts of *Nanaville* are the charming vignettes of Quindlen's solo time with her grandson."—NPR  
This follow-up to the highly successful *Blitz Cartooning Kit* (more than 250,000 units sold) teaches the basics of cartooning in a completely innovative way thanks to the exciting new *Blitz Re-Tooner™*. In addition to traditional drawing exercises and games, the kit allows any fledgling cartoonist to create original drawings on a clever wipe-away surface that packs neatly away. *Blitz's* 56-page book presents

page-by-page projects that are done with the Re-Tooner™—a plastic "box" set at an incline by risers on the bottom for ease and comfort in drawing. The user slides one of 50 Re-Tooner™ sheets beneath the clear plastic surface, which can be drawn on and wiped clean again and again. The Re-Tooner™ sheets feature partial illustrations and guidelines for learning a particular lesson that's detailed and cross-referenced. BLITZ ULTIMATE CARTOONING KIT comes with the instruction book, Re-Tooner™, two black markers, one wipe-away cloth, and 50 Re-Tooner™ sheets.

*'Arabiyyat al-Naas (Part One) offers a groundbreaking introduction to Arabic as it is written and spoken by native speakers. It combines a progressive and rigorous grounding in Modern Standard Arabic (MSA) – the form employed for reading, writing and formal speaking – with an innovative integration of the spoken Levantine variety used in everyday situations in Syria, Lebanon, Jordan and Palestine. Introducing the two simultaneously 'Arabiyyat al Naas (Part One) uses each in its proper context: Levantine for conversations and MSA for reading and writing activities. In this way, the course efficiently prepares students for the practical realities of learning and "living" Arabic today. Features include: 21 theme-based units covering all the core topics expected in a first-year Arabic course, such as countries, clothes, colors, family and professions a broad range of stimulating activities and exercises fostering active engagement with the course and the development of*

**Brilliant. Colorful. Visionary. Tenacious. Witty. Since his appointment to the Supreme Court in 1986, Associate Justice Antonin Scalia has**

**been described as all of these things and for good reason. He is perhaps the best-known justice on the Supreme Court today and certainly the most controversial. Yet most Americans have probably not read even one of his several hundred Supreme Court opinions. In *Scalia Dissents*, Kevin Ring, former counsel to the U.S. Senate's Constitution Subcommittee, lets Justice Scalia speak for himself. This volume—the first of its kind— showcases the quotable justice's take on many of today's most contentious constitutional debates. *Scalia Dissents* contains over a dozen of the justice's most compelling and controversial opinions. Ring also provides helpful background on the opinions and a primer on Justice Scalia's judicial philosophy. *Scalia Dissents* is the perfect book for readers who love scintillating prose and penetrating insight on the most important constitutional issues of our time.**

**Here is the revealing underground classic, a work that stands beside the "Seth" books as a delightful and invaluable guide to our inner spirit and our outer world. Emmanuel speaks to us through Pat Rodegast and shares his wisdom and insights on all aspects of life. Beautifully written and illustrated, Emmanuel's Book I is to be**

**treasured, enjoyed and passed on to a friend. Emmanuel says: "The gifts I wish to give you are my deepest love, the safety of truth, the wisdom of the universe and the reality of God . . . . The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says: "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . . And at each moment we are at just the right place in the journey. As Emmanuel points out, 'Who you are is a necessary step to being who you will be.'"**
