A Newbery Honor Book author has written a powerful and gripping novel about a youth in Nazi Germany who tells the truth about Hitler. Susan Campbell Bartoletti has taken one episode from her Newbery Honor Book, Hitler Youth, and fleshed it out into thought-provoking novel. When 16-year-old Helmut Hubner listens to the BBC news on an illegal short-wave radio, he quickly discovers Germany is lying to the people. But when he tries to expose the truth with leaflets, he's tried for treason. Sentenced to death and waiting in a jail cell, Helmut's story emerges in a series of flashbacks that show his growth from a naive child caught up in the patriotism of the times, to a sensitive and mature young man who thinks for himself.

Doomsday Book

A Dada Diary

The Hunchback of Notre-Dame is a French Gothic novel by Victor Hugo published in January 14, 1831. The title refers to the Notre Dame Cathedral in Paris, on which the story is centered. Set in medieval Paris, it tells the story of the beautiful gypsy Esmeralda, condemned as a witch by the tormented archdeacon Claude Frollo, who lusts after her. Quasimodo, the deformed bell ringer of Notre-Dame Cathedral, having fallen in love with the kindhearted Esmeralda, tries to save her by hiding her in the cathedral's tower.

The Hugo series of popular self-study language courses prepares the visitor for vacation or business travel in France, Germany, Italy, Spain, and Spanish-speaking Central and South America. The books guide the language student through essential grammar, pronunciation, model sentences and word lists to build up vocabulary, conversation exercises to practice speaking skills, and a small bilingual dictionary. Native speakers of each language demonstrate proper use of the language, including the words and exercises from the books as well as specially adapted vocal drills for oral work, making pronunciation easy with Hugo's unique "imitated pronunciation" system.

Five years in the writing by one of science fiction's most honored authors, Doomsday Book is a storytelling triumph. Connie Willis draws upon her understanding of the universalities of human nature to explore the ageless issues of evil, suffering and the indomitable will of the human spirit. For Kivrin, preparing an on-site study of one of the deadliest eras in humanity's history was as simple as receiving inoculations against the diseases of the fourteenth century and inventing an alibi for a woman traveling alone. For her instructors in the twenty-first century, it meant painstaking calculations and careful monitoring of the rendezvous location where Kivrin would be received. But a crisis strangely linking past and future strands Kivrin in a bygone age as her fellows try desperately to rescue her. In a time of superstition and fear, Kivrin—barely of age herself—finds she has become an unlikely angel of hope during one of history's darkest hours. Praise for Doomsday Book "A stunning novel that encompasses both suffering and hope. . . . The best work yet from one of science fiction's best writers."—The Denver Post "Splendid work—brutal, gripping and genuinely harrowing, the product of diligent research, fine writing and well-honed instincts, that should appeal far beyond the normal science-fiction constituency."—Kirkus Reviews (starred review) "The world of 1348 burns in the mind's eye, and every character alive that year is a fully recognized being. . . . It becomes possible to feel . . . that Connie Willis did, in fact, over the five years Doomsday Book took her to write, open a window to another world, and that she saw something there."—The Washington Post Book World

An entirely original novel in which a book—Joseph Roth's masterpiece Rebellion—narrates its own astonishing life story, from 1930s Germany to the present day, at the heart of a gripping mystery. "A powerful, powerful piece of work." —Colum McCann, best-selling author of Apeirogon One old copy of the novel Rebellion sits in Lena Knecht's tote bag, about to accompany her on a journey from New York to Berlin in search of a clue to the hand-drawn map on its last page. It is the brilliantly captivating voice of this novel—a first edition nearly burned by Nazis in May 1933—that is our narrator. Fast-paced and tightly plotted, The Pages brings together a multitude of dazzling characters, real and invented, in a sweeping story of survival, chance, and the joys and struggles of love. At its center are Roth, an Austrian Jewish author on the run, and his wife, Friederike, who falls victim to mental illness as Europe descends into war. With vivid evocations of Germany under Nazism and today, The

Pages dramatically illuminates the connections between past and present as it looks at censorship, oppression, and violence. Here is a propulsive, inspiring tale of literature over a hundred years: a novel for book lovers everywhere that will bring a fresh audience to this acclaimed writer.

The Man Who Laughs

The Story of 732 Young Concentration Camp Survivors

The Seven Husbands of Evelyn Hugo

Italian

German, Jew, Muslim, Gay

The epic adventures Evelyn creates over the course of a lifetime will leave every reader mesmerized. This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama.

*Hugo Marcus (1880–1966) was a man of many names and many identities. Born a German Jew, he converted to Islam and took the name Hamid, becoming one of the most prominent Muslims in Germany prior to World War II. He was renamed Israel by the Nazis and sent to the Sachsenhausen concentration camp before escaping to Switzerland. He was a gay man who never called himself gay but fought for homosexual rights and wrote queer fiction under the pen name Hans Alienus during his decades of exile. In German, Jew, Muslim, Gay, Marc David Baer uses Marcus's life and work to shed new light on a striking range of subjects, including German Jewish history and anti-Semitism, Islam in Europe, Muslim-Jewish relations, and the history of the gay rights struggle. Baer explores how Marcus created a unique synthesis of German, gay, and Muslim identity that positioned Johann Wolfgang von Goethe as an intellectual and spiritual model. Marcus's life offers a new perspective on sexuality and on competing conceptions of gay identity in the multilayered world of interwar and postwar Europe. His unconventional story reveals new aspects of the interconnected histories of Jewish and Muslim individuals and communities, including Muslim responses to Nazism and Muslim experiences of the Holocaust. An intellectual biography of an exceptional yet little-known figure, German, Jew, Muslim, Gay illuminates the complexities of twentieth-century Europe's religious, sexual, and cultural politics. Moving away from the explicitly political content of his previous novels, Victor Hugo turns to social commentary in *The Man Who Laughs*, an 1869 work that was made into a popular film in the 1920s. The plot deals with a band of miscreants who deliberately deform children to make them more effective beggars, as well as the long-lasting emotional and social damage that this abhorrent practice inflicts upon its victims.*

*Adapted for the stage from the best-selling memoir, *The Speckled People* tells a profoundly moving story of a young boy trapped in a language war. Set in 1950s Ireland, this is a gripping, poignant, and at times very funny family drama of homesickness, control and identity. As a young boy, Hugo Hamilton struggles with what it means to be speckled, "half and half... Irish on top and German below." An idealistic Irish father enforces his cultural crusade by forbidding his son to speak English while his German mother tries to rescue him with her warm-hearted humour and uplifting industry. The boy must free himself from his father and from bullies on the street who persecute him with taunts of Nazism. Above all he must free himself from history and from the terrible secrets of his mother and father before he can find a place where he belongs. Surrounded by fear, guilt, and frequently comic cultural entanglements, Hugo tries to understand the differences between Irish history and German history and to turn the strange logic of what he is told into truth. It is a journey that ends in liberation but not before the long-buried secrets at the back of the parents' wardrobe have been laid bare.*

The gypsy street dancer Esmeralda captures the hearts of many men, including those of Captain Phoebus and Pierre Gringoire, but especially Quasimodo and his guardian Archdeacon Claude Frollo. Frollo is torn between his obsessive lust for Esmeralda and the rules of the Notre Dame Cathedral. His obsessive lust for La Esmerelda has made him renounce God and study alchemy and black magic. Esmerelda is falsely accused and sentenced to hang. Frollo visits her in jail and declares his love. He begs her to love him but she calls him a "goblin-monk" and a murderer. Before her execution, Esmerelda is publicly humiliated in front of Notre Dame. Looking across the square, she suddenly sees Phoebus and calls out his name. Just then, Quasimodo swings down on a rope from Notre Dame and carries her back to the cathedral, crying out "Sanctuary!" He had fallen in love with her and had been planning her escape all along.

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages

and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.
