I wrote this book to describe the beautiful workings of hydronic heating systems and I tried to use words that made the subject spring to life in a visual way. It's been one of my best-selling books for years. I kept the drawings simple. Even if you've never worked with hydronics before, you'll be able to follow these drawings. The first part deals with boiler-room piping and explains how you can put the discoveries of the late, great Gil Carlson to work for you. If you pipe Gil's way, you'll save time, money and never again have to bleed radiators. Thousands of installers have reported great success by following the principles in the first part of this book. I wish I could take credit but the genius was Gil Carlson's. I just did my best to tell his story in plain English. The second half of the book takes the "Pumping Away" boiler-room piping design and applies it to a delicious menu of piping options. This is a book that you'll refer to again and again. It will save you time and money. And I guarantee that.

From speaking to a manager to seeing birth certificates to requiring permits to sell lemonade, there's no 911 call they won't make, no social norm nor grace today's put-upon white person won't upend, in an effort to exercise and maintain their privilege. The Book of Karen: An Activity Book for Reactionary Adults demands only one thing: you laugh at them. Filled with the kinds of stickers, brain teasers, word searches, crossword puzzles, riddles, connect-the-dots, crafts, fill-in-the-blanks, and prompts found in any traditional adult activity book, The Book of Karen subverts and parodies the genre by highlighting the horrible behaviors of the entitled women and men whose videoed and memed behaviors would be comical were they not so condemnable. As much an activity book as as it is as call to action, The Book of Karen contains a comprehensive and useful list of anti-Karen nonprofits, especially those focusing on social justice, voting rights, pay equity, LGBTQIA rights, immigration, hunger and food instability, disability services, and victim's rights to raise awareness and for readers to support, learn more about, and work with to fight the status quo. A portion of the proceeds from The Book of Karen will directly go to benefit The Equal Justice Initiative, a non-profit committee working to end mass incarceration and excessive punishment, challenging racial
