Every child knows about Santa Claus, the jolly man who brings gifts to all on Christmas. There are many stories that tell of his life, but the delightful version relayed in *The Life and Adventures of Santa Claus* is by far the most charming and original of all. Only L. Frank Baum, the man who created the wonderful land of Oz, could have told Santa's tale in such rich and imaginative detail.

If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, Level Up Your Life is for you. Mockstrich season has begun. Welcome to "The Hunger But Mainly Death Games," the hilarious Hunger Games parody, and the only book brave enough to suggest that Suzanne Collins's epic trilogy was way more about death than food. Or at least this is what Bratniss Everclean discovers, when she leaves the comforts of Slum 12, Pandumb's garbage dump, to shortsightedly volunteer for a teenage death tournament. But she soon realizes there are fates worse than death...like weirdly having to date her fellow competitor, and lifelong stalker, Pita Malarkey. Okay, okay, it's not worse than DEATH, but it's still pretty annoying. Still, with help from her agent Oofie Triptrip and her mentor, Hagridmitch, who's pretty sure he can guide Bratniss to victory in the Tri-Wizard Cup, maybe Bratniss will somehow survive this book that she's the narrator of.

Sixteen-year-old Katniss Everdeen regards it as a death sentence when she steps forward to take her sister's place in the Games. But Katniss has been close to death before-and survival, for her, is second nature. Still, if she is to win, she will have to start making choices that weigh survival against humanity and life against love.

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside

Katniss is the heroine who's changed the world. Like Harry Potter, she's gotten kids and teens reading. And like Harry, she explodes across genres: She is a dystopian heroine, a warrior woman, a reality TV star, a rebellious adolescent. She's surrounded by the figures of Roman history, from Caesar and Cato to Cinna and Coriolanus Snow. She's also traveling the classic heroine's journey. As a child soldier, she faces trauma; as a growing teen, she battles through love triangles and the struggle to be good in a harsh world. This book explores all this and more, while taking a look at the series' symbolism, from food to storytelling, to show how Katniss becomes the greatest power of Panem, the girl on fire. For all the essays and book reports kids write on The Hunger Games, for all the curious fans who want to know who "Cinna" and "Plutarch" were historically, for all the kids confused about the trilogy's ending, for all the fascinated teachers and scholars, this book will be an invaluable resource. Valerie Estelle Frankel is the author of two books on the heroine's journey, along with books on the Harry Potter series. Her book exploring the popular series of books, *The Mortal Instruments*, is being published soon by Zossima Press (*Myths and Motifs in The Instruments*). Valerie lives (and writes) in Sunnyvale, California.
