### INTELLIGENCE IS THE MOST DANGEROUS WEAPON

Following a devastating military conflict, countries fight their wars in the shadows. One unusual spy, Klaus, has never failed on the job despite his quirks, and he is building a team to take on an Impossible Mission—one with over a 90 percent chance of failure. However, his chosen members are all washouts with no practical experience. They'll have to use every trick in the book (and some that aren't) to prove they're up to the task!

A non fiction story about what you can spy in the garden.  
Cross-Curricular: Sense of place. ELG: Observe, find out about and identify features in the place they live and the natural world.

enigmatic Aritomo, exiled former gardener of the emperor of Japan. Despite her hatred of the Japanese, Yun Ling seeks to engage Aritomo to create a garden in memory of her sister, who died in the camp. Aritomo refuses but agrees to accept Yun Ling as his apprentice "until the monsoon comes." Then she can design a garden for herself. As the months pass, Yun Ling finds herself intimately drawn to the gardener and his art, while all around them a communist guerilla war rages. But the Garden of Evening Mists remains a place of mystery. Who is Aritomo and how did he come to leave Japan? And is the real story of how Yun Ling managed to survive
