I Am Number Four Lorien Legacies 1 Pittacus Lore

In this villainous one-hundred-page companion novella to the #1 New York Times bestselling I Am Number Four series, get a unprecedented look at the invasion—from three different Mogadorians hoping to conquer Earth. This novella picks up immediately after the cliffhanger ending of The Fate of Ten and coincides with the events of United as One, the final book in this epic series. After the Mogadorian leader is struck with a potentially fatal blow, it becomes uncertain who will step in for him and how the Mogs should proceed with their invasion of the planet. This power vacuum has wide-reaching ramifications. One Mog, who has been on a quest for redemption ever since she first let the Garde slip through her fingers, is given an unimaginable opportunity to make things right with the Beloved Leader. Another, who has an unquenchable thirst for blood, jumps at the opportunity to hunt down the human teens who have begun to develop Legacies. And the last Mog, who has been questioning everything since he crossed paths with Adam, is forced to decide once and for all where his allegiances lie. While the fate of the Mogadorian leader is unknown, the one thing that is for certain is that this war is coming to an end . . . and there can only be one side that wins.
Number Six—when John meets her in I Am Number Four she's strong, powerful, and ready to fight. But who is she? Where has she been living? How has she been training? When did she develop her legacies? And how does she know so much about the Mogadorians? In I Am Number Four: The Lost Files: Six's Legacy, discover the story behind Six. Before Paradise, Ohio, before John Smith, Six was traveling through West Texas with her Cêpan, Katarina. What happened there would change Six forever....
In this spectacular one-hundred-page companion novella to the New York Times bestselling I Am Number Four series, learn how Loric hacker Lexa became the shadowy figure known as GUARD. A sequel to I Am Number Four: The Lost Files: The Navigator, this novella picks up with Lexa shortly after the Mogadorians raided her hideout and murdered her friend. Determined to get her revenge but knowing she can't take the Mogs head on, Lexa goes in search of a weapon that just might help her do some real damage: the spaceship the Garde flew to Earth. The only problem is it's under lock and key at a highly guarded base in Dulce, New Mexico. Lexa's quest to retrieve the ship and track down the Garde has her cross paths with an ally of Pittacus Lore, come under fire from both the FBI and the Mogs, and team up with a headstrong teenager from Paradise, Ohio, by the name of Mark James. To get her secret weapon, Lexa will do whatever it takes. But as the Mogadorians begin their invasion, will it be enough to help save the Garde—and the world?
For years the Garde have fought the Mogadorians in secret, but now the invasion has begun. If the Garde can't find a way to stop the Mogs, humanity will suffer the same fate as the Lorien: annihilation. When the Elders sent the Garde to Earth, they had a plan -- one which the Garde are finally starting to understand. A group of the Garde traveled to an ancient pyramid in Mexico where they awoke a power that had been hidden for generations. Now this power can save the world or destroy it. It will all depend on who wields it.

The Discord of Gods marks the epic conclusion to Jenn Lyons’s Chorus of Dragons series, closing out the saga that began with The Ruin of Kings, for fans of Brandon Sanderson and Patrick Rothfuss. THEIR CONFLICT COULD END THEM ALL. Relos Var’s final plans to enslave the universe are on the cusp of fruition. He believes there’s only one being in existence that might be able to stop him: the demon Xaltorath. As these two masterminds circle each other, neither is paying attention to the third player on the board, Kihrin. Unfortunately, keeping himself classified in the ‘pawn’ category means Kihrin must pretend to be everything the prophecies threatened he’d become: the destroyer of all, the sun eater, a mindless, remorseless plague upon the land. It also means finding an excuse to not destroy the people he loves (or any of the remaining Immortals) without arousing suspicion. Kihrin’s goals are complicated by the fact that not all of his ‘act’ is one. His intentions may be sincere, but he’s still being forced to grapple with the aftereffects of the corrupted magic ritual that twisted both him and the dragons. Worse, he’s now tied to a body that is the literal avatar of a star — a form that is becoming increasingly, catastrophically unstable. All of which means he’s running out of time. After all, some stars fade — but others explode. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Part coming of age, part call to action, this fast-paced #ownvoices novel about a Deaf teenager is a unique and inspiring exploration of what it means to belong. Smart, artistic, and independent, sixteen year old Piper is tired of trying to conform. Her mom wants her to be “normal,” to pass as hearing, to get a good job. Piper has always been told that she needs to compensate for her Deafness in a world made for those who can hear. But when she meets Marley, a new world opens up—one where Deafness is something to celebrate, and where resilience means taking action, building a com-munity, and believing in something better. But that was before he knew the truth: aliens do exist, and some of them seek to destroy our world. That was before he himself became another one of their captives. Now father and son are both missing. . . . But when a rogue Mogadorian named Adam, who now has Number One’s memories, decides the only way to make up for his past atrocities is to return home and infiltrate the Mogadorian stronghold, he’ll find the key to saving both Sam and Malcolm’s life.

They are Lorien and Earth’s only hope. During the dangerous mission at the Mogadorian base in West Virginia, John found and rescued Nine. But even with their combined powers, special abilities known as Legacies, the pair barely escaped with their lives—and they lost Sam in the process. In order to save our world and their own, John and Nine must join forces with Six and Seven who have been battling the Mogadorians in Spain, and who are now trying to locate Number Eight in India. Power in numbers will save us all.
