*Not everyone has the means and resources to become a successful entrepreneur. So does that mean everyone else must hinge their success on the hopes that they survive the next set of layoffs and that their chosen field doesn't become the next dying industry? Not at all! The successful methods that the leading entrepreneurs used to find their niche in today's marketplace can be applied by all in their pursuit of a long-lasting, rewarding career.Own Your Future shows how to take the same small steps forward they use--Act. Learn. Build. Repeat.--to reinvent the way you maneuver in an unpredictable job market. • Act--Thinking alone will never change your life; you must take that first step. • Learn--What lessons did you learn from that first step? • Build--Take what you learned and apply it to improve upon that first step. • Repeat--Continue this process until you have achieved your goal! Too often, people picture their perfect career and then think through all the steps backward in order to plan out their path to career success. But today there is very little assurance that your chosen job--perhaps even the industry itself--will even be there by the time you maneuver through the long path of continuing education and promotions. Don't rest your success on the mercy of an ever-changing marketplace. Learn to take control! Filled with stories of professionals of all kinds who have profited from this proactive approach, Own Your Future gives you the tools you need to succeed--no matter what comes your way.*

*Jump Start Your Business Brain details data-proven methods that can make your sales, marketing and business development measurably more effective. What makes this book unique is that the methods detailed are backed up with hard data. They're grounded in statistical analysis of the success and failures of more than 4,000 new products and services, and more than 6,000 innovation teams. The research quantifies the impact of a back-to-basic, customer-focused approach to sales, marketing and business development. The research also uncovers news regarding how you can measurably increase effectiveness in today's super-competitive, time-compressed and overstressed marketplace. It's the perfect book for today's up-and-coming executive.*

*Work for yourself in just one week with Britain's most dynamic entrepreneur 'Everybody wants to be an entrepreneur. Every single day of my life I am bombarded by people with pitches. But 90% of new businesses fail, because their founders failed to ask themselves the simplest of questions. I can save you years of wasted time and thousands of pounds of wasted money by giving you the ammunition to ask the right questions, and helping you make the decision that is right for you. I will show you how to spend a maximum of seven days deciding if your idea is workable and bankable. How to say 'I'm in', but equally importantly, to have the courage to say 'I'm out'. How to become your own Dragon. Each piece of advice in this book is based on my thirty years of starting businesses. You will find all the fundamental ingredients for any new company, whatever sector you want to be in, whatever size of business you have in mind, along with the tools to make it work. Answer all the tough questions I am going to get you to ask yourself and you will have a business that genuinely has a chance of success. You can be one of the 10% of businesses that do make it.' - James Caan. James Caan is one of the UK's most successful and dynamic entrepreneurs, having built and sold businesses since 1985. After dropping out of school at sixteen and starting his first business in a Pall Mall broom cupboard - armed with little more than charm and his father's advice - Caan went on to make his fortune in the recruitment industry, founding the Alexander Mann Group, a company with a turnover of £130m. A 2003 graduate of Harvard Business School, Caan's most recent endeavor has been to set up private equity firm Hamilton Bradshaw. Caan hit our screens when he joined the panel of the BBC's Dragons' Den in 2007. He is a regular in the national and business press, advises on various Government programmes, and initiates numerous philanthropic projects via the James Caan Foundation.*

More than 15 years ago, the staff at Entrepreneur Media introduced bestseller Start Your Own Business. Since its release, Start Your Own Business has sold more than 300,000 copies and has been called “the best startup book of all time.” At it again, the staff at Entrepreneur delivers a new dose of fundamental startup how-to, backed by 33 years at the forefront of small business. Write Your Business Plan takes aspiring entrepreneurs past one of the hardest steps of startup second to committing to their business goal — defining how to achieve it. Each chapter is devoted to analyzing, explaining, and presenting practical instruction on developing a business plan relevant to today's marketplace and lending landscapes. Appropriate for both existing companies and brand-new startups, this guide is divided into three sections: Before Writing Your Business Plan, Writing Your Business Plan, and Enhancing Your Business Plan. Starting with basic FAQs, experts then lead readers into evaluating their venture, identifying what type of plan they need, and getting their plan on paper and polished for their intended audience. Coached by a diverse group of experts and successful business owners, readers gain an in-depth understanding of what's essential to any plan, what's appropriate for their industry, and what they can do to ensure success.
