

I Hate Rich Men Virginia Novita

In Rich Man's War historian David Williams focuses on the Civil War experience of people in the Chattahoochee River Valley of Georgia and Alabama to illustrate how the exploitation of enslaved blacks and poor whites by a planter oligarchy generated overwhelming class conflict across the South, eventually leading to Confederate defeat. This conflict was so clearly highlighted by the perception that the Civil War was "a rich man's war and a poor man's fight" that growing numbers of oppressed whites and blacks openly rebelled against Confederate authority, undermining the fight for independence. After the war, however, the upper classes encouraged enmity between freedpeople and poor whites to prevent a class revolution. Trapped by racism and poverty, the poor remained in virtual economic slavery, still dominated by an almost unchanged planter elite. The publication of this book was supported by the Historic Chattahoochee Commission.

Uplifting Modern Family Saga Series Often the most difficult choices can lead to the greatest joys, but what if the stakes feel too high? Jess is ready for a fresh start. Her twenty-five-year marriage is over, her youngest is heading off to college, and all she wants to do is retreat to Whispering Pines, a place of peace and solitude, to start rebuilding her own life. She's watched her sister Renee make the most of second chances, and now it's her turn. But when her estranged husband crashes a family gathering, broken and distraught, he asks her to do the unthinkable. His mistakes again threaten to undermine her chance at happiness. She owes him nothing, but this could impact the lives of her whole family. Long-buried secrets and new accusations tangle together, threatening to ruin reputations and lives. Jess may be the only one who can find out the truth. She feels her fresh start slipping away. Even the tranquility she usually finds at Whispering Pines might not be enough to help her stay true to her own path. Can she do what her ex asks? Can she protect a dear family member's reputation before it's too late? Does she even have a choice? In Tangled Beginnings, the sequel to the bestselling Whispering Pines and the second book in the ongoing Celia's Gifts series, Kimberly Diede brings more of her trademark family intrigue and moral dilemmas. Threaded with romance and mystery and ghosts from the past, this novel is bound to make you fall in love once more with the prospect of life and love and forgiveness. Come along as Jess learns to open her wounded heart to new possibilities. *** KEYWORDS: midlife women's fiction, historical summer lake, starting over, sister friends, family fiction series, family inheritance, new beginnings, divorced mom, mature women's fiction, hopeful series, rich aunt series, feel good fiction

Hard Times and Survival; the Autobiography of an African-American Son

Current Opinion

Tangled Beginnings

Rich Man's War

Hard Times and Survival: The Autobiography of an African American Son is my story. It is how I overcame all the heartbreaking, brutal, and

horrendous circumstances that I was born into in 1947. I saw it all in my first sixteen years: unbridled lust, gross immorality, damning lies, and terrible brutality by my father against me and my mother. He tried to kill me once but kept up a constant campaign of horrible abuses of my mother until I left home at sixteen. However, success is the best revenge! After three years of alcoholism, I pulled myself together and went back to school on my own. That was after I spent a year in Job Corps from 1966 to 1967. From 1975 to 1977, I went to Piedmont Virginia Community College in Charlottesville. From 1977 to 1980, I attended Virginia State University in Petersburg. I earned my BA and MA degrees. I studied above a master's at the University of Virginia at Charlottesville from 1980 to 1983. I did not graduate, but I learned valuable life lessons. I started to write in 1993 about what had happened to me over the years and how I used my dire circumstances as motivation to pick myself up and make my life better. I hope I am an example that will help others who are suffering through similar atrocities to be motivated to not give up but persevere and that they will, as I did, overcome anything they are being faced with.

Her high school graduation just days away, Gabriel Landry is blissfully happy - until rich cannery owner Octavious Tate waylays her near a secluded pond and shatters her innocence, forever. Pregnant and desolate, Gabriel agrees to a shocking plan that will allow Octavious' frigid wife, Gladys, to claim the baby as her own. But nothing can prepare Gabriel for the terrible moment when Gladys takes her baby away. Drifting in a world of gloom, Gabriel is only comforted by chance glimpses of her son, until a hunting party brings handsome Creole millionaire Pierre Dumas to the bayou. Falling desperately in love, Gabriel will not heed the voice warning her that their joy may bring her more grief than she can bear.

Native People and the Problem of Wealth in American History

The Vassar Miscellany

Jessie and Ki take on a deadly breed of "River Rats" in the thirty-sixth Lone Star novel! They call them The Lone Star Legend: Jessica Starbuck—a magnificent woman of the West, fighting for justice on America's frontier, and Ki—the martial arts master sworn to protect her and the code she lived by. Together they conquered the West as no other man and woman ever had!

Rich Man's War - Poor Man's Fight, is the story of two Scot - Irish families who left Ireland for the promise of a better life in America. While accurately set in time and place, this is not a battle by battle account of Civil War history. It is the story of a determined people who were pressed into a war by a country who spurned their kind and used them as pawns so their wealthy sons could be kept out of harm's way. One family, a young man who hoped to use his family trade as a sword smith entered through the port of New York in 1862. New York was in the midst of the conscription riots as Abraham Lincoln's cabinet desperately fought to fill the ranks of an Army to hold the Union together. A second family left Dublin for New Orleans. They arrived as organizers tried to convince young Irish men

that the South's fight for independence from the federal government is a struggle that the Irish should understand. Fate brings the young men together on opposing sides of a Virginia battlefield where they collapse in exhaustion and come to realize the irony of their meeting and the cruel circumstances that brought them together as enemies.

Long before lucrative tribal casinos sparked controversy, Native Americans amassed other wealth that provoked intense debate about the desirability, morality, and compatibility of Indian and non-Indian economic practices. Alexandra Harmon examines seven such instances of Indian affluence and the dilemmas they presented both for Native Americans and for Euro-Americans--dilemmas rooted in the colonial origins of the modern American economy. Harmon's study not only compels us to look beyond stereotypes of greedy whites and poor Indians, but also convincingly demonstrates that Indians deserve a prominent place in American economic history and in the history of American ideas.

Rich Man, Poor Man and Beggarman, Thief

Southern Literary Messenger

Two books in one: Irwin Shaw's bestselling Rich Man, Poor Man and Beggarman, Thief chronicle one family's struggle with the forces of change after WWII. In Rich Man, Poor Man, siblings Rudy, Tom, and Gretchen Jordache grow up in a small town on the Hudson River. They're in their teens in the 1940s, too young to go to war but marked by it nevertheless. Their father is the local baker, and nothing suggests they will live storied lives. Yet, in this sprawling saga, each member of the family pushes against the grain of history and confronts the perils and pleasures of a world devastated by conflict and transformed by American commerce and culture. In Beggarman, Thief, the Jordache family reunites after a terrible act of violence. Wesley never really knew his father, Tom, the black sheep of the Jordache family. Driven by his sorrow and a need for justice, Wesley uncovers surprising truths about his estranged family's complicated past. An important voice in twentieth-century American literature, Irwin Shaw has been called "one of the great storytellers" by bestselling author William Goldman, for his ability to take readers on a gripping ride from World War II to Vietnam and beyond.

"Adrian Aditomo benar-benar tipikal pria kaya yang dibenci Miranda, tidak peduli betapa tampan dan seksinya pria itu. Sifatnya angkuh dan begitu superior. Ada lagi, pria itu sinting! Adrian berani menculik Miranda hanya untuk mengatakan kalimat yang tidak masuk akal—"Adik Anda merebut tunangan saya," kata pria itu dingin. "Hah?" Hanya itu yang bisa dikatakan Miranda. Apakah orang yang dimaksud pria itu adalah Nino? Nino-nya yang masih berumur tujuh belas tahun dan masih polos? Tidak mungkin Nino-

nya yang masih remaja itu menyukai wanita yang lebih tua, apalagi milik orang lain! Demi untuk membersihkan nama baik Nino, Miranda terpaksa bekerja sama dengan Adrian. Hal yang sangat sulit dilakukan karena mereka berdua tidak pernah sependapat dan selalu bertengkar. Seharusnya sejak awal Miranda menolak berurusan dengan Adrian. Ia benar-benar mengabaikan firasatnya. Firasat yang mengatakan Adrian mampu menjungkir-balikkan hidupnya dan terutama... hatinya."

*This New York Times–bestselling saga of two brothers in postwar America, the basis for the classic miniseries, is “a book you can’t put down” (The New York Times). Siblings Rudy, Tom, and Gretchen Jordache grow up in a small town on the Hudson River. They’re in their teens in the 1940s, too young to go to war but marked by it nevertheless. Their father is the local baker, and nothing suggests they will live storied lives. Yet, in this sprawling saga, each member of the family pushes against the grain of history and confronts the perils and pleasures of a world devastated by conflict and transformed by American commerce and culture. A memorable novel by one of America’s greatest twentieth-century authors, *Rich Man, Poor Man* offers a gripping ride through America between the Second World War and Vietnam. It was made into one of the first primetime TV mini-series, and starred Nick Nolte, Peter Strauss, and Susan Blakely. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author’s estate.*

Virginia Woolf's writing has generated passion and controversy for the best part of a century. Her novels - challenging, moving, and always deeply intelligent - remain as popular with readers as they are with students and academics. The highly successful Cambridge Companion has been fully revised to take account of new departures in scholarship since it first appeared. The second edition includes new chapters on race, nation and empire, sexuality, aesthetics, visual culture and the public sphere. The remaining chapters, as well as the guide to further reading, have all been fully updated. The Cambridge Companion to Virginia Woolf remains the first port of call for students new to Woolf's work, with its informative, readable style, chronology and authoritative information about secondary sources.a
