

I Houdini

Harry Houdini astounded audiences around the globe with his death-defying acts and illusions. With his wife, Bess, often by his side, he freed himself from ropes, handcuffs, straitjackets, and prison cells. Once he even made a ten-thousand-pound elephant vanish into thin air! Yet Harry's life was not always so glamorous. When he was a boy, he shined shoes and did odd jobs to help make ends meet. But a career in magic was always in the cards for Harry. Readers will be mesmerized by this captivating biography of one of the most celebrated escape artists and magicians in history.

Read about familiar communities such as Myrtle, Couch, Kosh, Thomasville, Alton, Thayer; and many places like Grand Gulf, Eleven Point River, Greer Mill, Many Springs, and amany more. Sit back and let nostalgia wash over you as you travel back in time with the history of Oregon County, Missouri in the Ozarks. The Oregon County Historical Society developed and published this book in 1990 as a labor of love. The current club has reprinted this book digitally with issues

available in paper and e-book form. More books to follow. Classic study exposing closely-kept professional secrets and revealing, in general terms, the whole art of stage magic. 98 illustrations.

Young Harry Houdini spends his days chaining himself to train tracks and teetering on wires high above the city with his two best friends, Arthur and Billie. But when Harry's friend and magical mentor, Herbie, disappears, the three friends band together, determined to rescue the beloved magician. With nothing more than a mysterious puff of purple smoke, an ominous threat, and a menacing Bulgarian for evidence, Harry, Arthur, and Billie embark on a dangerously thrilling investigation that pushes their skill, and friendship, to the limits. But can Harry find Herbie before it's too late?

"I Am Houdini! And You are a Fraud!"

The Unmasking of Robert-Houdin

Oregon County Missouri History

A boastful hamster with exceptional talent as an escape artist recounts his experiences chewing, wriggling, or squeezing his way out of various closed areas in his quest for the great Outside.

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Revealing new insights, this ground-breaking book vividly recreates Houdini's solitarian lectures which he presented from 1922 until his untimely death in 1926. The reader becomes involved in understanding his struggles to reach into the afterlife to contact his deceased mother during an era filled with deceptive spirit mediums. Each of the fifty glass lantern slides that Houdini used to highlight his lectures are painstakingly recreated and matched to his original lecture text. Houdini

Harry Houdini: Illusionist & Stunt Performer

"In graphic novel format, explores the life of Harry Houdini

and describes some of his most daring escapes"--Provided by publisher.

One family's household has been in a state of disarray because of one small furry problem. Meet Houdini, an extraordinarily brilliant escapologist. No, not that Houdini. This one is a hamster. Once you meet him, you will understand that his owners just couldn't name him anything else, for his name is quite fitting. He can escape from anything—a cage or the clutches of a mean cat. While on his escapades, he causes all kinds of trouble from chewing through wires to causing a flood. But Houdini thinks it's all worth it, because he is desperate to explore the great Outdoors. But once he gets out, will he ever come back? Or will this be his final escape?

Draws on newly uncovered archives and the co-author's expertise in magic to reveal Houdini's secret work as a spy for the United States and England, his post-war efforts to expose the fraudulent activities of spiritualist mediums, and the plot organized by Arthur Conan Doyle to have him

murdered. Reprint.

An exploration of the world of magic that teaches the reader many tricks--including how better to understand the real world. Alex Stone--journalist and part-time conjurer--is here to amaze you. But first he had to amaze his fellow magicians. Fooling Houdini is his fascinating, revealing, and nailbiting account of his attempt to win the 23rd World Championships of Magic, the "Magic Olympics," the largest and most prestigious competition of its kind. Alex Stone managed to qualify for entry and began preparing to astonish people who astonish others for a living. It didn't help his nerves that he was placed on the bill straight after Canadian magician Shawn Farquhar, winner of more magic competitions than anyone in history. Stone's preparations and participation provide his readers with in-depth exploration of the world of magic, and magic's meaning. He spills many professional secrets, arguing that what is important is to ask questions about what lies behind the tricks: how the mind perceives the world and parses everyday

experience, about how the mind works--and why sometimes it doesn't, about why people need to believe. As we become more attuned to the limits of our own perception, we become better at distinguishing reality from illusion, at reading the angles and decoding the fine print, he says. We gain intuition and understanding into how people behave. We even learn ways to influence this behavior. This makes us less susceptible to all manner of deception. It is to gain and maintain this sixth sense that Alex Stone--a schoolboy prestidigitator--has continued performing magic well into adulthood. In Fooling Houdini he takes us into that other world, populated by truly astounding characters, and leaves us with a heightened sense of awareness about the supposedly real world.

Harry Houdini Mysteries: The Floating Lady Murder

The Magic of Houdini

The Life and Many Deaths of Harry Houdini

Fletcher 'Red' Brandon is a conjurer, an illusionist, a master of deception who uses his talents to seduce wild, impulsive Irish rose, Rosa, into his life with a simple sleight of hand. But when Rosa is killed, Red is pitched into a new world

where betrayal, exploitation and violence are no act. The deeper Red delves into the life and death of the woman with who he shared one sexy, freewheeling year, the closer he comes to a painful realization: even the trickster can be tricked.

“ Richly lyrical and thought-provoking ” (Publishers Weekly, starred review), this “ stellar debut from a novelist to watch ” (Geraldine Brooks, Pulitzer Prize winning author) explores the passionate marriage of Harry Houdini and his wife, Bess—a love story that defied death itself. Before escape artist Harry Houdini died, he vowed he would find a way to speak to his beloved wife, Bess, from beyond the grave using a coded message known only to the two of them. But when a widowed Bess begins seeing this code in seemingly impossible places, it becomes clear that Harry has an urgent message to convey. Unlocking the puzzle will set Bess on a course back through the pair ’ s extraordinary romance, which swept the illusionist and his bride from the beaches of Coney Island, to the palaces of Budapest, to the back lots of Hollywood. When the mystery finally leads Bess to the doorstep of a mysterious young photographer, she realizes that her husband ’ s magic may have been more than just illusion. In surprising turns that weave through the uncertain days of the dawn of the twentieth century and continue into the dazzling 1920s, Mrs. Houdini is a “ dazzling and enchanting ” (Shelf Awareness, starred review) tale, “ a marvel that gallops through time and

space ” (Associated Press), and a “ mesmerizing reimagining ” (People) of one of history ’ s greatest love stories.

Who was this man who could walk through brick walls and, with a snap of his fingers, vanish elephants? In these pages you will meet the astonishing Houdini—magician, ghost chaser, daredevil, pioneer aviator, and king of escape artists. No jail cell or straitjacket could hold him! He shucked off handcuffs as easily as gloves. In this fresh, witty biography of the most famous bamboozler since Merlin, Sid Fleischman, a former professional magician, enriches his warm homage with insider information and unmaskings. Did Houdini really pick the jailhouse lock to let a fellow circus performer escape? Were his secrets really buried with him? Was he a bum magician, as some rivals claimed? How did he manage to be born in two cities, in two countries, on two continents at the same instant? Here are the stories of how a knockabout kid named Ehrich Weiss, the son of an impoverished rabbi, presto-changoed himself into the legendary Harry Houdini. Here, too, are rare photographs never before seen by the general reader!

An 8x8 based on an episode from the PBS KIDS animated television series Xavier Riddle and the Secret Museum starring Harry Houdini. Based on the children's book series Ordinary People Change the World by New York Times

bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, the series will introduce kids to inspiring historical figures and the character virtues that helped them succeed. Brad is too scared to spend a full night in the museum's nature exhibit so the Secret Museum sends him and his friends to meet Harry Houdini! This episode-based 8x8 will focus on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves.

Written by an experienced 3D animator and teacher, it provides an approachable and accurate introduction to Houdini.

The #1 bestselling series that started with Stalking Jack the Ripper and Hunting Prince Dracula continues its streak in this third bloody installment . . . Audrey Rose and Thomas Cresswell find

themselves aboard a luxurious ocean liner that becomes a floating prison of horror when passengers are murdered one by one, with nowhere to run from the killer. Embarking on a week-long voyage across the Atlantic on the opulent RMS Etruria , Audrey Rose Wadsworth and her partner-in-crime-investigation, Thomas Cresswell, are delighted to discover a traveling troupe of circus performers, fortune tellers, and a certain charismatic young escape artist entertaining the first-class passengers nightly. But privileged young women begin to go missing without explanation, and a series of brutal slayings shocks the entire ship. The strange and disturbing influence of the Moonlight Carnival pervades the decks as the murders grow more and more bizarre. It's up to Audrey Rose and Thomas to piece together the gruesome investigation before more passengers die before reaching their destination. But with clues to the next victim pointing to someone she loves, can Audrey Rose unravel the mystery before the killer's horrifying finale? Every kid has heard of Harry Houdini, the famous magician who could escape from handcuffs, jail cells, and locked trunks. But do they know that the ever-ambitious and adventurous Houdini was also a famous movie star and the first pilot to fly a plane in Australia? This well-told biography is full of the details of Houdini's life that kids will really want to know about and illustrated throughout with beautiful black-and-white line drawings. Illustrated by John O'Brien. Houdini is no ordinary hamster. He is an escapologist with an exceptional talent for getting out of cages and urge to escape leads him to all kinds of adventures... Published into the First Modern Classics list, fantastic stories for young readers.

I, Houdini

The Life of the Great Escape Artist

The Story of the Great Houdini

The Fairy Rebel

A children's book that takes a closer look inside the world of triplets...their relationship, their uniqueness and the bond that they share

From Dakin's bedroom window, the farthest-away mountain looks quite close, its peak capped with pink and purple and green snow rising above the pine wood just beyond the village.

Using exclusive access to newly uncovered archives, Kalush and Sloman reveal the clandestine agreements in which the British and Americans recruited Houdini to be an active secret agent. In exchange for his cooperation, the governments of these two countries facilitated his rise to the top of the world stage. The authors give thrilling accounts of his assignments, such as his participation in early aerial surveillance and his use of his own magic magazine to communicate espionage-related information. After the war, Houdini embarked upon what became his most dangerous mission when he took on the Spiritualist movement. Convinced that Spiritualist mediums were frauds, he became obsessed with exposing them. But the Spiritualists

were a powerful adversary. An organized network of fanatics, led by Sherlock Holmes creator Arthur Conan Doyle, worked relentlessly to orchestrate a campaign that would silence Houdini forever. Grounded in solid research, but as exciting and dramatic as a good thriller, *THE SECRET LIFE OF HOUDINI* traces the magician's long and circuitous route from struggling vaudevillian to worldwide legend.

Joe Posnanski enters the colorful world of Harry Houdini and his legions of devoted fans to explore the illusionist's impact on global culture—and why his legacy endures to this day. Nearly a century after Harry Houdini died on Halloween in 1926, he feels as modern and alive as ever. The name Houdini still leaps to mind whenever we witness a daring escape. The baby who frees herself from her crib? Houdini. The dog who vanishes and reappears in the neighbor's garden? Houdini. Every generation produces new disciples of the magician, from household names in magic like David Copperfield and David Blaine to countless other followers whose lives have been transformed by the power of Houdini. In rural Pennsylvania, a thirteen-year-old girl finds the courage to leave a violent home after learning that Houdini ran away to join the circus; she eventually becomes the first female

magician to see a man in half on television. In Australia, an eight-year-old boy with a learning impediment feels worthless until he sees an old poster of Houdini advertising “Nothing on earth can hold Houdini prisoner,” and begins his path to becoming that nation’s most popular magician. In California, an actor and Vietnam War veteran finds purpose in his life by uncovering the secrets of his hero. But the unique phenomenon of Houdini was always more than his death-defying stunts or his ability to escape handcuffs and straitjackets. It is also about the power of imagination and self-invention. His incredible transformation from Ehrich Weiss, humble Hungarian immigrant and rabbi’s son, into the self-named Harry Houdini has won him a slice of immortality. No one has withstood the test of time quite like Houdini. Fueled by Posnanski’s personal obsession with the magician—and magic itself—*The Life and Afterlife of Harry Houdini* is a poignant odyssey of discovery, blending biography, memoir, and first-person reporting to trace Houdini’s metamorphosis into an iconic figure who has inspired millions.

The Life and Afterlife of Harry Houdini
I Am Harry Houdini

This collection of literature attempts to compile many classics that have stood the test of time and offer them at a reduced, affordable price in an attractive volume so that everyone can enjoy them.

For many performers, stage life and real life are separate identities. For master illusionist Harry Houdini, the two were inextricably linked. In this widely acclaimed biography, Ruth Brandon shows how Houdini's obsession with his own mortality drove him to create death-defying stunts that not only captivated the public but also subdued his own raging psychological demons. As Brandon relates Houdini's methods of escape, she asks: What was he trying to escape from? Her exploration of the psychic landscape of one of the most enduringly famous performers of the twentieth century makes for utterly fascinating reading. Brandon reveals much that is new: how Houdini invented a phantom son; why he wrote long daily letters to his wife, Bess, who lived one floor below him; his combative relations with mediums and spiritualists, including Arthur Conan Doyle; and the first full description of his fabled death. This definitive biography allows readers to peer into Houdini's psyche and understand him more deeply than ever before.

A song book that highlights that inside everyone there is a perfect and loving heart, and

that if we uncover our perfection and recognise it in others we can change the world for the better. The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change the world to a better place. "Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love on this earth, it is why we are here, it is the reason for our birth."
