This powerful debut thriller from "a major new talent" (Kirkus) set in a poor, rural community where loyalty is everything, "packs an emotional punch" (Lisa Gardner) as the daughter of a meth kingpin is forced to choose between family, or freedom. Never cut the drugs--leave them pure. Guns are meant to be shot--keep them loaded. Family is everything--betray them and die. Harley McKenna is the only child of North County's biggest criminal. Duke McKenna's run more guns, cooked more meth, and killed more men than anyone around. Harley's been working for him since she was sixteen, dreading the day he'd deem her ready to rule the rural drug empire he's built. Her time's run out.

The Springfields, her family's biggest rivals, are moving in. And they're coming for Duke's only weak spot: his daughter. Duke's raised her to be deadly -- he never counted on her being disloyal. But if Harley wants to survive and protect the people she loves, she's got to take out both Duke's operation and the Springfields. Blowing up meth labs is dangerous business, and getting caught will be the end of her, but Harley has one advantage: She is her father's daughter. And McKennas always win. It is a book that will leave no reader unchanged. Gary Gilmore, the infamous murderer immortalized by Norman Mailer in *The Executioner's Song*, campaigned for his own death and was executed by firing squad in 1977. Writer Mikal Gilmore is his younger brother. In *Shot in the Heart*, he tells the stunning story of their wildly dysfunctional family: their mother, a black sheep daughter of unforgiving Mormon farmers; their father, a drunk, thief, and con man. It was a family destroyed by a multigenerational history of child abuse, alcoholism, crime, adultery, and murder. Mikal, burdened with the guilt of being his father's favorite and the shame of being Gary's brother, gracefully and painfully

relates a murder tale "from inside the house where murder is born... a house that, in some ways, [he has] never been able to leave." Shot in the Heart is the history of an American family inextricably tied up with violence, and the story of how the children of this family committed murder and murdered themselves in payment for a long lineage of ruin. "Equal parts memoir, whodunit, and manual for living . . . a beautifully written, honest look at the forces of blood and bone that make us who we are, and how we make ourselves." --Neil Gaiman In his unique and engaging voice, the acclaimed actor of stage and screen shares the emotional story of his complicated relationship with his father and the

deeply buried family secrets that shaped his life and career. A beloved star of stage, television, and film—“one of the most fun people in show business” (Time magazine)—Alan Cumming is a successful artist whose diversity and fearlessness is unparalleled. His success masks a painful childhood growing up under the heavy rule of an emotionally and physically abusive father—a relationship that tormented him long into adulthood. When television producers in the UK approached him to appear on a popular celebrity genealogy show in 2010, Alan enthusiastically agreed. He hoped the show would solve a family mystery involving his maternal grandfather, a celebrated

WWII hero who disappeared in the Far East. But as the truth of his family ancestors revealed itself, Alan learned far more than he bargained for about himself, his past, and his own father. With ribald humor, wit, and incredible insight, Alan seamlessly moves back and forth in time, integrating stories from his childhood in Scotland and his experiences today as a film, television, and theater star. At times suspenseful, deeply moving, and wickedly funny, Not My Father's Son will make readers laugh even as it breaks their hearts.

At the age of eighteen, Christal left home and didn't look back. She barely spoke to her father for the next thirteen years. To any outsider, Christal appeared to be doing well: she earned a BA and a master's, got married, and traveled to India. But despite all these accomplishments, Christal still hadn't faced her biggest challenge—her relationship with her father. In 2009,

son, Ray Charles Robinson Jr., shares an intimate glimpse of the man behind the music, with never-before-told stories. Going beyond the fame, the concerts, and the tours, Ray Jr. opens the doors of his family home and reveals their private lives with fondness and frankness. He shares his father's grief and guilt over his little brother's death at the age of five — as well of moments of personal joy, like watching his father run his hands over the Christmas presents under their tree while singing softly to himself. He tells of how Ray overcame the challenges of being blind, even driving cars, riding a Vespa, and flying his own plane. And, in gripping detail, he reveals how as a six-year-old boy he saved his

father's life one harrowing night. Ray Jr. writes honestly about the painful facts of the addiction that nearly destroyed his father's life. His father's struggles with heroin addiction, his arrests, and how he ultimately kicked the drug cold turkey are presented in unflinching detail. Ray Jr. also shares openly about how, as an adult, he fell victim to the same temptations that plagued his father. He paints a compassionate portrait of his mother, Della, whose amazing voice as a gospel singer first attracted Ray Charles. Though her husband's drug use, his womanizing, and the paternity suits leveled against him constantly threatened the stability of the Robinson home,

Della exhibited incredible resilience and inner strength. Told with deep love and fearless candor, You Don't Know Me is the powerful and poignant story of the Ray Charles the public never saw — the father and husband and fascinating human being who also happened to be one of the greatest musicians of all time. 'You are here for the rest of your life. Do you understand? You are not leaving Iran. You are here until you die.' Betty Mahmoody and her husband, Dr Sayyed Bozorg Mahmoody ('Moody'), came to Iran from the USA to meet Moody's family. With them was their four-year-old daughter, Mahtob. Appalled by the squalor of their living conditions, horrified by what she saw of a

country where women are merely chattels and Westerners are despised, Betty soon became desperate to return to the States. But Moody, and his often vicious family, had other plans. Mother and daughter became prisoners of an alien culture, hostages of an increasingly tyrannical and violent man. Betty began to try to arrange an escape. Evading Moody's sinister spy network, she secretly met sympathisers opposed to Khomeini's savage regime. But every scheme that was suggested to her meant leaving Mahtob behind for ever... Eventually, Betty was given the name of a man who would plan their perilous route out of Iran, a journey that few women or children had ever made. Their

total misery, the good and the bad of the rural heart of Australia. Virginia Meehan has a vivid recall of her childhood years, first on Mt Vernon station in the Murchison and then on Hillside Station in the Pilbara when circumstances forced the family to start again. Her memories include living through the radioactive fallout of the Monte Bello atomic tests, the effects of 'the alone' on the mental health of outback people and the tragedies when all they could do was not enough. Lindsay Hunter tells the

How Victims Make Sense of Childhood
Abuse

Tens of thousands of
children are removed from
home each year due to some
form of child maltreatment,
usually physical neglect,
physical abuse, or sexual
abuse, although sometimes
for emotional abuse as well.
An additional significant
number of children are
victims of child
maltreatment but remain in
their home. Extensive
research reveals the far

negative impact of maltreatment on child victims, including on their physical, social, emotional, and behavioral functioning. One particularly troubling and complicated aspect is how the child victim forms (and maintains) a "traumatic bond" with his abuser, even becoming protective and defensive of that person despite the pain and suffering they have caused. This book will provide the reader with the essential experience of understanding how children make meaning of being maltreated by a parent, and how these traumatic bonds form and last. Through an examination

of published memoirs of abuse, the authors analyze and reveal the commonalities in the stories to uncover the ways in which adult victims of childhood abuse understand and digest the traumatic experiences of their childhoods. This understanding can inform interventions and treatments designed for this vulnerable population and can help family and friends of victims understand more fully the maltreatment experience "from the inside out."
