with IB, with the most comprehensive support for the new syllabus with complete support for the comparative approach - Truly engage learners with topical, relevant material that convincingly connects learning with the modern, global world - Streamline your planning, with a clear and thorough structure helping you logically progress through the syllabus - Build the advanced-level skills learners need for Paper 2, with the student-led approach driving active skills development and strengthening exam performance - Integrate Approaches to learning with ATLs like thinking, communication, research and social skills built directly into learning - Help learners think critically about improving performance with extensive examiner insight and samples based on the latest exam format - The license is valid until 31st December 2023, for use by a single student or teacher - Multiplatform access, compatible with a wide range of devices - Your first login will be facilitated by a printed access card that will be sent to you in the mail An expertly written Spanish B course now updated for first examination 2020, providing students with thought-provoking

Download Ebook Ib Spanish B Skills And Practice Oxford Ib Diploma Program

materials to help them develop strong language skills and solid critical thinking. The coursebook helps students develop their Spanish language skills as they explore the five themes from the new IB Diploma Language B guide: identities, experiences, human ingenuity, social organisation and sharing the planet. Each unit begins with 'big questions' that get learners thinking about global topics such as, 'how do we express our identity?' These help students appreciate wider issues before developing their reading, writing, speaking and listening skills through international texts, practice exercises and activities in the style of the exam. Answers to questions and audio files for the listening exercises are in the teacher's resource.

This comprehensive and engaging text, developed in cooperation with the IB, follows the new curriculum for first assessment in 2022. With accessible, engaging lessons students will actively relate economics to real-world issues and the global economy. The international examples and case studies encourage students to analyse economics in terms of present-day challenges and concerns. Conceptual links are provided to help students understand the over-arching big questions that relate economics to the multi-faceted challenges of the world economy including how it works and changes over time. Through inquiry-based tasks and links to TOK and ATL activities students will gain a
