Contains more than seven hundred titles categorized by genre, a brief history of the evolution of African-American literature, reader's advisory guidelines, and other works which are central to the compelling African-American experience.

This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

One teenager in a skirt. One teenager with a lighter. One moment that changes both of their lives forever. If it weren ' t for the 57 bus, Sasha and Richard never would have met. Both were high school students from Oakland, California, one of the most diverse cities in the country, but they inhabited different worlds. Sasha, a white teen, lived in the middle-class foothills and attended a small private school. Richard, a black teen, lived in the crime-plagued flatlands and attended a large public one. Each day, their paths overlapped for a mere eight minutes. But one afternoon on the bus ride home from school, a single reckless act left Sasha severely burned, and Richard charged with two hate crimes and facing life imprisonment. The 57 Bus is Dashka Slater's true account of the case that garnered international attention and thrust both teenagers into the spotlight.

Lead from the Outside is a necessary guide to harnessing the strengths of being an outsider by Stacey Abrams, one of the most prominent black female politicians in the U.S. Leadership is hard. Convincing others—and often yourself—that you possess the answers and are capable of world-affecting change requires confidence, insight, and sheer bravado. Stacey Abrams's Lead from the Outside is the handbook for outsiders, written with the awareness of the experiences and challenges that hinder anyone who exists beyond the structure of traditional white male power—women, people of color, members of the LGBTQ community, and millennials ready to make a difference. In Lead from the Outside, Stacey Abrams argues that knowing your own passion is the key to success, regardless of the scale or target. From launching a company, to starting a day care center for homeless teen moms, to running a successful political campaign, finding what you want to fight for is as critical as knowing how to turn thought into

action. Stacey uses her experience and hard-won insights to break down how ambition, fear, money, and failure function in leadership, while offering personal stories that illuminate practical strategies. Stacey includes exercises to help you hone your skills and realize your aspirations. She discusses candidly what she has learned over the course of her impressive career: that differences in race, gender, and class are surmountable. With direction and dedication, being in the minority actually provides unique and vital strength, which we can employ to rise to the top and make real change.

When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation!

In her bestselling guide Can We Help it if We're Fabulous, the irrepressible Peta Mathias shared her thoughts on being a woman. Now, with Just in Time to be Too Late, she turns her attention to what it means to be a man in the 21st century. What makes men cry? Why are bad boys so irresistible? What exactly is the point of sport? To what extent is a man's self worth connected to his job? What do men look

for in a relationship? Does a man ever get over his first love? Why do men lie? What does he need to be happy? And, of course, why are men like buses? These are just some of the vexing questions Peta looks for answers to. Though she has been married and has had her fair share both of meaningful relationships and flirtatious dalliances, Peta is the first to admit that she knew very little about the opposite sex when she began work on this book - 'A virgin would know more about men than me because she's probably listened more.' Consequently Just in Time to be Too Late is an account of Peta's own discoveries as she delves deeper into the mysterious world of men - a highly personal and frequently hilarious pilgrimage that will resonate with women everywhere.

underlining, and shouting 'Amen!' all the way through. How to Be Blessed and Highly Favored is full of God's unchanging truth and Michelle's real-world wisdom, wrapped around the story of one of the 'good girls' of the Bible: Mary, the mother of Jesus. Trust me...you will be blessed!" –Liz Curtis Higgs, best-selling author of *Bad Girls of the Bible* Prepare to crawl into God's lap and experience His highest blessings as your own. A popular phrase often heard after inquiring about someone's welfare is the enthusiastic response, "Blessed and highly favored!" Yet many of us—even those who use this expression readily—don't really lead a lifestyle that reflects God's blessings. It's not that such blessings aren't ours to receive; the Bible clearly teaches that it is the Father's perfect will to give us the kingdom. The problem is that we don't know how to fully access His generous gifts. What does God require of those He chooses to use and bless? Join Michelle McKinney Hammond as she takes a fresh, spirited look at Mary, the mother of Jesus, and shows us how to:

- appeal to God's heart
- remain sensitive to His voice
- believe Him for the impossible
- submit to and rest in His plan
- live before Him with a servant's heart

Get Ready to Receive God's Extra-Dimensional Blessings! Join pastor and bestselling author Kyle Idleman as he illustrates a clear path away from the heartache of our twenty-first-century idolatry and back to the heart of God--enabling us to be completely committed followers of Jesus. What do Netflix, our desire for the corner office, and that perfect picture we just posted on Instagram have to do with each other? None of these things are wrong in and of themselves. But when we begin to allow entertainment, success, or social media to control us, we miss out on the joy of God's rule in our hearts. In *Gods at War*, Idleman helps every believer recognize that

there are false gods at war within each of us, and they battle for the place of glory and control in our lives. According to Idleman, idolatry isn't an issue; it is the issue. And he reveals which false gods we are allowing on the throne of our lives by asking insightful questions, including: What do you sacrifice for? What makes you mad? What do you worry about? Whose applause do you long for? We're all wired for worship, but we often end up valuing and honoring the idols of money, sex, food, romance, success, and many others that keep us from the intimate relationship with God that we desire. In this updated and expanded edition of *Gods at War*, Idleman adds a new introduction as well as new content about the battle many of us face with technology, whether we are tempted to send just one more text, stay online when our bodies need rest, or put email before in-person relationships, teaching us how to seek God with our whole heart instead. Praise for *Gods at War*: "Today's false gods are more tempting than ever as they promise comfort, wealth, and happiness. Kyle Idleman equips us to kill the deceitful pests that harass our hearts. Get ready for battle." --Mark Batterson, pastor, National Community Church, and bestselling author of *The Circle Maker* "Don't just read this book--read it now! Kyle's words will dig deep to expose the false gods that drive us away from the real One. In these pages, liberation awaits." --Lee Strobel, bestselling author of *The Case for Christ* and *The Case for Faith*
