World of Eric Carle: If You're Happy and You Know It

A Ladybird Book of Action Rhymes

A little girl and various animals sing their own versions of this popular rhyme.

Verses suggest what to do to express anger

Happiness is rooted in our culture, religion, and language, and even in our national constitution. It is a defined right to some, and freedom to pursue it guides our charter of rights. Despite its foundational roots, it can be elusive, scarce, and even the source of conflict and war. “If You’re Happy and You Know It” examines the research on happiness against the back-drop of existential and real life change over time. While psychology has taught us about cognition, behaviour, and emotion, biology has patiently evolved to propel the human organism forward in the pursuit of happiness. When we distill the key factors common in life, we soon learn that happiness is an essential driving force. Happiness propagates the human species, and our interaction with life provides the meaning. If You're Happy and You Know It Lap Book

Pete the Cat: I Love My White Shoes

From the 2020 QLA Glendower winner comes a timely and insightful collection of stories about how we pursue happiness in a turbulent world. The stories in this impressive, thoughtful collection explore the human heart and its desire and capacity for joy. A divorced woman discovers a growing sinkhole in her yard, a lonely man finds an abandoned toddler, a second wife in a fundamentalist community questions her religion, a young Australian veteran of the Afghanistan conflict is haunted by a memory from his last mission. Fiona Robertson's stories traverse the globe to reveal people at moments of change or crisis, as they struggle to repair fractures in their lives and search for something close to happiness.

"After her former band shoots to superstardom without her, Claire reluctantly agrees to a gig as a playgroup musician for overprivileged infants on New York's Park Avenue. Claire is surprised to discover that she is smitten with her new employers, a welcoming clique of wellness addicts with impossibly shiny hair, who whirl from juice cleanse to overpriced miracle vitamins to spin class with limitless energy. There is perfect hostess Whitney, who is on the brink of social-media stardom and just needs to find a way to keep her perfect life from falling apart. Caustically funny recent stay-at-home mom Amara. who is struggling to embrace her new identity. And old money, veteran mom Gwen who never misses an opportunity to dole out parenting advice. But as Claire grows closer to the cool women who pay her bills, she uncovers secrets and betrayals that no amount of activated charcoal can fix."--Back cover.

If you're happy and you know it, and you really want to show it...party like an animal in this silly, colorful book! This classic childhood song paired with fun illustrations is sure to have you and your little one singing and laughing along during storytime!
