"Extraordinary...beautifully precise...[an] earnestly ambitious debut."—The New York Times Book Review
"A wild, angry, and devastating masterpiece of a book."—NPR
"[A] descendent of the Dickensian 'social novel' by way of Jonathan Franzen: epic fiction that lays bare contemporary culture clashes, showing us who we are and how we got here."—O, The Oprah Magazine
One sweltering night in 2013, four former high school classmates converge on their hometown in northeastern Ohio. There's Bill Ashcraft, a passionate, drug-abusing young activist whose flailing ambitions have taken him from Cambodia to Zucotti Park to post-BP New Orleans, and now back home with a mysterious package strapped to the undercarriage of his truck; Stacey Moore, a doctoral candidate reluctantly confronting her family and the mother of her best friend and first love, whose disappearance spurs the mystery at the heart of the novel; Dan Eaton, a shy veteran of three tours in Iraq, home for a dinner date with the high school sweetheart he's tied desperately to forget; and the beautiful, fragile Tina Ross, whose rendezvous with the washed-up captain of the football team triggers the novel's shocking climax. Set over the course of a single evening, Ohio toggles between the perspectives of these unforgettable characters as they unearth dark secrets, revisit old regrets and uncover—and compound—bitter betrayals. Before the evening is through, these narratives converge masterfully to reveal a mystery so dark and shocking it will take your breath away.

Dear Reader: This is called the "back cover copy," and you are no doubt familiar with its purpose. It describes what the book is about, so you can decide if you want to read it. Here's the problem, though: I can't even describe this book, and I wrote the damn thing.(1) Basically, it's like this: fed up with the Byzantine quest of trying to publish a novel, I decide instead to cut to the chase and write a memoir about trying to publish a book: to be precise. Of course, now you're saying to yourself, "That is stupid," which is fair. But then you'll read it, and you'll say, "Damn, that was actually pretty good." Because obviously it's about much more than just publishing a book. It's about life and love and friendship, politics, pop culture, and basketball; sex, drugs, and mild, inoffensive, slow-tempo Christian rock.(2) It's about the pitfalls of narrating your life as it unfolds, freaking out when an agent actually (spoiler alert!) takes an interest in this bizarre experiment, and the surreal shock you undergo when a publisher actually buys it(3) and you suddenly realize that every secret drunk, drug, and sex story you've related will now be required reading for your parents, aunts, ex-girlfriends, and thousands of strangers who-you were kind of hoping-would never find out that you once accidentally shut your penis in a dresser drawer(4) And finally, but most importantly, it's about those tumultuous early years of adulthood-the years when hope and fear and rage brot together and the promise of youth still holds the capacity to inspire awe. This is a story of those struggles-to find your true voice in your work and in your life. And the best part? You pretty much know it has a happy ending(5)P? 1 What's beside it on the shelf? Something with a sexy vampire? If you're looking for sexy, I do full-frontal nudity in Chapter 11, 3 And then later makes you write your own back cover copy even though you clearly do not know what you're doing. 4 Although I'll dodge a bullet there because I totally left that story out of the book. 5 Except for what happens to the puppy at the fertilizer plant. I admit, that part is kind of a downer.

From drinking late into the night with gorgeous Icelandic blondes to traveling to the farthest reaches of the country, from hiking over glaciers to encountering a drunk, raging Kiefer Sutherland, from interviewing Jón Gnarr, the comedian mayor of Reykjavik (who ran on a platform of having free towels at all the swimming pools), to touring the homes of Iceland's hidden elves; Markley delivers the fastest, funniest memoir of an American experience in Iceland. -- p. 4] of cover. In the last year, Allie's survived three arrests, two breakups and one family breakdown. The only bright point has been her new life at Cimmeria Academy. It's the one place she's felt she belongs. And the fact that it's brought the dreamy Carter West into her life hasn't hurt. . . But far from being a safe haven, the cloistered walls of Cimmeria are proving more dangerous than Allie could've imagined. The students, and faculty, are under threat and Allie's family - from her mysterious grandma to her runaway brother - are at the center of the storm. Allie is going to have to choose between protecting her family and trusting her friends. But secrets have a way of ripping even the strongest relationships apart . . .

Resistance is the thrilling fourth book in the international bestselling Night School series. What others are saying about Night School Resistance: 'You need this book!' - Maximum Pop 'In my Top 5 books of 2014.' - Gizmo's Reviews 'Nail-biting stuff.' - Top of the Pops 'What a ride!' - Artistic Nonsense Jan Kozma's translation of Marianna Sirca is the near-literal rendering of a novel written by Grazia Deledda (1871-1936), the celebrated Italian author from Sardinia who won the Nobel Prize for Literature in 1936. Almost all of Deledda's stories treat the lives, loves, tragedies, and triumphs of the author's native land - the remote, isolated, and often forbidding island of Sardinia. This new translation includes an introduction that highlights the author's opera omnia and as part of the general literary trends of the early European twentieth century. Jan Kozma presents the homonymous protagonist, Marianna Sirca, as one of the great literary precursors of the liberated, independent, modern woman - an ironic twist, given the repressive culture in which Marianna lives. The translator also provides numerous explanatory foot-notes that elucidate particular arcane aspects of Sardinian life in the late nineteenth century. Marianna Sirca is a 30-year-old woman of inherited wealth who lives in Nuoro, Sardinia. Because of her strong will and sense of independence, Marianna is the family "black sheep" - refusing to be married off to a distant relative in a social arrangement of convenience. Instead Marianna becomes involved with Simone Sela, a younger man who was a servant in the Sirca household in his youth and who is now an outlaw - wanted for banditry. Against the will of her entire family, the lovers plan to marry, but at Marianna's insistence only after Simone "gets right with the law." The novel traces the story of these two emarginated lovers through various twists and turns, ending with a typical Deleddan flourish that leaves the reader with a real awareness of Sardinian, social mores, values, attitudes, and tradition.

"A Must Read Romance. This is one of the best books I've read this year. It has everything a book should have: action, adventure, violence, a butt-kicking heroine and one hot hero."—USA Today
This world is trying to kill Lily Proctor. Her life-threatening allergies make it increasingly difficult to live a normal life, and after a completely humiliating incident ruins her first (and perhaps only) real party, she's ready to disappear. "Come and be the most powerful person in the world." Suddenly, Lily finds herself in a different Salem. One overrun with horrifying creatures and ruled by powerful women—including Lillian, this world's version of Lily. "It will be terrific. It was for me." What made Lily weak at home, makes her extraordinary here. It also puts her in terrible danger. Faced with new responsibilities she can barely understand and a love she never expected, Lily is left with one question: How can she be the savior of this world when she is literally her own worst enemy?

When a murder echoing a fifteen-year-old cold case rocks the Southern town of Savannah, crime reporter Harper McClain risks everything to find the identity of this calculated killer in Christil Daugherty's new novel The Echo Killing. A city of antebellum architecture, picturesque parks, and cobblestone streets, Savannah moves at a graceful pace. But for Harper McClain, the timeless beauty and culture that distinguishes her home's Southern heritage vanishes during the dark and dangerous nights. She wouldn't have it any other way. Not even finding her mother brutally murdered in their home when she was twelve has made her love Savannah any less. Her mother's killer was never found, and that unsolved murder led Harper with an open heart to the small town of Savannah. "A Must Read Romance. This is one of the best books I've read this year. It has everything a book should have: action, adventure, violence, a butt-kicking heroine and one hot hero."—USA Today
This world is trying to kill Lily Proctor. Her life-threatening allergies make it increasingly difficult to live a normal life, and after a completely humiliating incident ruins her first (and perhaps only) real party, she's ready to disappear. "Come and be the most powerful person in the world." Suddenly, Lily finds herself in a different Salem. One overrun with horrifying creatures and ruled by powerful women—including Lillian, this world's version of Lily. "It will be terrific. It was for me." What made Lily weak at home, makes her extraordinary here. It also puts her in terrible danger. Faced with new responsibilities she can barely understand and a love she never expected, Lily is left with one question: How can she be the savior of this world when she is literally her own worst enemy?

When a murder echoing a fifteen-year-old cold case rocks the Southern town of Savannah, crime reporter Harper McClain risks everything to find the identity of this calculated killer in Christil Daugherty's new novel The Echo Killing. A city of antebellum architecture, picturesque parks, and cobblestone streets, Savannah moves at a graceful pace. But for Harper McClain, the timeless beauty and culture that distinguishes her home's Southern heritage vanishes during the dark and dangerous nights. She wouldn't have it any other way. Not even finding her mother brutally murdered in their home when she was twelve has made her love Savannah any less. Her mother's killer was never found, and that unsolved murder led Harper with an open heart to the small town of Savannah. This new translation includes an introduction that highlights the author's opera omnia and as part of the general literary trends of the early European twentieth century. Jan Kozma presents the homonymous protagonist, Marianna Sirca, as one of the great literary precursors of the liberated, independent, modern woman - an ironic twist, given the repressive culture in which Marianna lives. The translator also provides numerous explanatory foot-notes that elucidate particular arcane aspects of Sardinian life in the late nineteenth century. Marianna Sirca is a 30-year-old woman of inherited wealth who lives in Nuoro, Sardinia. Because of her strong will and sense of independence, Marianna is the family "black sheep" - refusing to be married off to a distant relative in a social arrangement of convenience. Instead Marianna becomes involved with Simone Sela, a younger man who was a servant in the Sirca household in his youth and who is now an outlaw - wanted for banditry. Against the will of her entire family, the lovers plan to marry, but at Marianna's insistence only after Simone "gets right with the law." The novel traces the story of these two emarginated lovers through various twists and turns, ending with a typical Deleddan flourish that leaves the reader with a real awareness of Sardinian, social mores, values, attitudes, and tradition.

There were moments when I laughed, moments where I gasped in surprise, and moments where I knew I could not read fast enough because I had to know what was going to happen next... My only complaint? That it ended and now I need to wait. I must know what happens next. I must!!!! Series Tracker 'Are you ready for a grip the edge of your seat-repeating mantra of OMG as you turn the pages eagerly? Looking for something with intensity but also something that leaves you begging for more??? Looking for a new fav??? YES. This book is all of what you need and so much more! Go Into This One Knowing. Best. Book. Ever.' Crossroad Reviews 'This was incredible!... such a slow burn romance but the build-up had my heart beating out of my chest, the angst and suspense was killing me... This book was perfectly paced and the lack of info-dumping, love triangles and insta-love made for a perfect start to a new series. Switching from POV's from England and Paris and following the characters as they go from across countries was a great concept. With the addition of magic, action and adventure this book could really do no wrong in my eyes. There isn't a cliffhanger ending just the promise of lots more to come in the next installment which I'm now anxiously awaiting. I highly recommend this to fellow fantasy lovers who are looking for a brand new world to immerse themselves in, with great characters, a promising romance and a thrilling journey ahead.' 'Literary-ly Obsessed 'I love this book! It was really great! I've always loved books that include Alchemy as its major fantasy core. I just think that it's such a fascinating 'science!' ... I read the first chapter, and I was completely swept into this amazing world! ... can't wait until the second book comes out, and to continue exploring this amazing story! Just Another Bookish Blog 'thrilling and exciting all at the same time... an excellent paranormal fantasy... such amazing story telling' Books at Dawn

Two book sheds new light on the role of the military in Italian society and culture during war and peacetime by bringing together a whole host of contributors across the interdisciplinary spectrum of Italian Studies. Divided into five thematic units, this volume examines the continuous and multifaceted impact of the military on modern and contemporary Italy. The Italian context offers a particularly fertile ground for studying the cultural impact of the military because the institution was used not only for defensive/offensive purposes, but also to unify the country and to spread ideas of socio-cultural and technological development across its diverse population.
