**You many think you know everything you need to know about the historical figure “Jesus Christ”, but every cherished belief you have is false. Jesus Christ is a fraud. For a start, his name wasn’t Jesus Christ but Yehoshua ben Yosef. And, just as his name is a fiction designed to disguise the truth, so is everything else about him. We will demonstrate the following: 1) The central promise of Christianity – the resurrection of the dead – is utterly wrong. The Christian Gospels demonstrate conclusively that Jesus Christ was reincarnated. 2) Jesus Christ was the central figure in one of the most audacious plots in history. 3) He was head of an Elite Family that wished to rule the world. The Family exists to this day. 4) Jesus Christ was the leader of an army that sought to overthrow Roman rule in Judea. He was executed as a violent revolutionary attempting to set himself up as a king. 5) Judas, the infamous traitor, was the brother of Christ. The greatest lie in history has endured too long.**

**A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamases, and Bushes. Reviewing the evidence, documents, and connections, The Illuminati: The Secret Society That Hijacked the World by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government’s accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. He investigates their origin as “The Ancient and Illuminated Seers of Bavaria,” the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, the Protocols—or procedures—for usurping national governments and gaining world domination, the symbolism found in today’s international corporate logos, Knights Templar, assassins, Skull and Bones, whistle blowers, the revolutions in France, Russia, and America, and much, much more. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to powerful people, and their place in modern America.**

**Waiting to be rediscovered in the British Library is an ancient manuscript of the early Church, copied by an anonymous monk. The manuscript is at least 1,450 years old, possibly dating to the first century. And now, The Lost Gospel provides the first ever translation from Syriac into English of this unique document that tells the inside story of Jesus’ social, family, and political life. The Lost Gospel takes the reader on an unparalleled historical adventure through a paradigm shifting manuscript. What the authors eventually discover is as astounding as it is surprising: the confirmation of Jesus’ marriage to Mary Magdalene; the names of their two children; the towering presence of Mary Magdalene; a previously unknown plot on Jesus’ life (thirteen years prior to the crucifixion); an assassination attempt against Mary Magdalene and their children; Jesus’ connection to political figures at the highest level of the Roman Empire; and a religious movement that antedates that of Paul—the Church of Mary Magdalene. Part historical detective story, part modern adventure, The Lost Gospel reveals secrets that have been hiding in plain sight for millennia.**

The rift between the nation's two political parties is caused by a Conspiracy! New England the Bavarian Illuminati is the history of the Illuminati scare that occurred in America at the end of the eighteenth century. It tells how the Federalists, including the New England clergy in particular, seized upon the idea that the Illuminati were behind the actions of the Democrats. Only a far-reaching conspiracy could explain the irreverent habits and searing attacks of the Jeffersonians. Fear of the secret Democratic Clubs, magnified by fear of the French Jacobins, made such a conspiracy readily believable. Dr. Stauffer ably details the state of American politics and religion before and after the American Revolution. He recounts the known history of the Illuminati, and reviews how knowledge of the secret organization was transmitted to America. The conspiracy alarm is traced in detail, from the first announcement of the existence of the Illuminati given during a sermon, through the heated and virulent debates in newspapers and pamphlets, and finally to the decline of the public spectacle under counter-attacks and satirical mockery. This study of the Illuminati in New England was originally published in 1918. Acclaimed from its first printing, it has since then developed a respectable position as one of the most competent and important histories on the shadowy Order of the Illuminati.*

For those of you who want more out of life, and who are tired of failure, this collection of timeless success wisdom will show you the path to achievement and the keys to prosperity. Do not sit idly by and reject or deny the abundance of the world*

*The world keeps changing extremely fast, but in times of abundance and scarcity, under revolutions or wars, many have prospered. And they did so by looking at the patterns of reality. They understood these Divine Patterns and used them to achieve their personal goals. The patterns have been kept secret for thousands of years in religious books, manuscripts and even fairytales, under allegories and metaphors meant to hide them in plain sight. The enlightened ones - those who can see, called that Sacred Geometry, in a direct reference to the Creator. They then studied the nature of life through the art of the Almighty God, the Master Architect of the Universe. For "The secret of the occult sciences is that of nature itself" (Albert Pike, Freemason). They discovered that there is only one Truth, one God and one religion, despite the many branches characterizing the impulses of the masses. They also saw that this Truth is manifested by the highest moral state, from which the highest wisdom is received. That is when "the half-told story comes to be finished" (Arthur Conan Doyle, Freemason). The one who completes these studies becomes a master of the craft, for he possesses the capacity to alter reality with his mind, and create new worlds like a mason or builder. He becomes both aware and responsible of what he experiences, as much as he is made able to transition to new momentums and alter the future. For "When the Mason learns that the key is a proper application of the dynamo of living power, he has learned the mystery of the craft" (Manly P. Hall, Freemason). This great secret was reorganized here to show you exactly how to experience it, and despite the many attempts of others to remove this knowledge from the public eye. This information comes now as a great opportunity for you to transcend into a new perspective on the attraction of wealth.*

*"...By the late 1600s Masonic lodges were abandoning the rules of the masters and all forms of infighting took place. The Masonic Brotherhood was to remain a secular institution, but*

renegades started their own Masonic Lodges, invented initiation rituals, and permitted just about anyone whom wished and had wealth or position of power to join their Lodges. The Church, even though it banished and denounced the Masonic Order, sent agents (Jesuit priests) to infiltrate the organization, which until the 1700 was comprised of secularists, philosophers and the educated elite and men of influence. In 1701 a group of friends gathered together at the house of a host whom had invited them to his birth day party. It is during this occasion, while the 13 of them were in the host' cellar admiring the fine wine collection and relaxing in the cool of the chamber that the issue of politics and religion was brought up. These wealthy friends decided then and there to seek out all the Masons whom were atheists, deists, agnostics and freethinkers and initiate them into "a circle of friends" with the goal to eradicate religion and seek to free man kind from the chains of superstition. The new initiates were taught the art of the Craft and learned to master it and use it to find potential new recruits. Adam Weishaupt was soon called before the council and asked if he would be the "Initiator of the Order" later to be known as The Illuminati Order. Weishaupt was very successful, as he had deep and far-reaching connections as well as close friendship with the Enlightened Masons of Europe. He set up many Illuminati Lodges within the European Lodges, and charged a group of loyal friends to start Lodges in America and recruit every liberal minded person of notoriety. The Circle of Friends already had special friends in America and the founding fathers of the US constitution were among the strongest Illuminists, having recruited many industrialists and bought many others with funds provided by the Circle of Friends. John Adams had established many institutions in France, Germany, and England, after which the Illuminati were ordered to operate from deep underground cover."

Secret societies have both fascinated and frightened people for hundreds of years. Often the infamous Illuminati is mentioned as the core of conspiracies which span the globe. The Illuminati is actually a historical secret society which had goals of revolutions and world domination dating back to the 1770s. Since then, rumors and conspiracy theories involving the Illuminati continue to spread, sometimes finding their way into popular novels like Dan Brown's Angels & Demons and Hollywood movies like Lara Croft: Tomb Raider. Some men have even come forward claiming to be former members, offering details of what they allege are the inner workings of the organization. When you sift through all of the information available on the subject, you may be surprised that the truth is stranger than fiction. **• Details the rise and fall of this famous and infamous Order, including its penetration of Bavarian society and its destruction by the Bavarian government • Explains the Bavarian Illuminati's grades, rituals, ceremonies, and fundamental philosophies and examines the leaders of the Order • Contains the only surviving record of documents that were destroyed during the two World Wars The most celebrated secret society in the world, the original Order of the Illuminati was founded by Bavarian professor Adam Weishaupt in 1776. Although the Order was banned and brought down by the Bavarian Elector when he became aware of the extent to which it had infiltrated the courts, schools, and his own administration. Charting the rise and fall of this infamous Order, this book first published in French in 1915 and never before available in English remains the definitive history of the order of the Bavarian Illuminati and their founder, Adam Weishaupt. Many of the documents the author consulted for the writing of this book were destroyed during the two World Wars, making this book the only surviving record of many of the order's secrets. It is also significant for its history of contemporary Masonic Orders such as the Templar Strict Observance and Von Hund's Templar Freemasonry. The author explains the Bavarian Illuminati's grades, rituals, and ceremonies as well as its fundamental philosophies. He examines the leaders of the Order, including Weishaupt, Baron Knigge, and Xavier von Zwack. He reveals how Weishaupt early on decided to subvert the existing German Freemason Lodge as a shortcut to gain esoteric hegemony over the occult world, all in order to extend Illuminati influence into the society at large and the government. The author also provides extensive detail of the Order's eventual destruction by the Bavarian government. **Herein, we are talking about how to awaken from the illusion and develop your powers of perception, and learn to see the world in a smarter way while being more cognitive, and more responsive than 99% of the rest of the world's population. The first question is do you believe in a intelligent life force, an abundant world, or a beneficent spirit of the universe. The spiritually enlightened person might say I don't believe, but I know there is a framework and force, more powerful than gravity that controls the great laws of metaphysics, success and happiness. To begin with, the key really is to learn to look in the mirror and respect & love creation. Herein, we will discuss further ideas to help you tap into the intelligent force of the universe where we can begin to transcend the unseen laws of nature and reach your authentic potential. We're all evolving in human consciousness. We're all created for a purpose. How can you get closer to your "raison d'etre" or your Reason to Be. And as St. Augustine implied, it's unnecessary to struggle. There's no need for unnecessary suffering. If we were willing to draw closer to the life force of the universe, we can grow and change without needless struggle. In Buddhism, the source of suffering is Trishna which is "clinging or grasping". In the I Ching, the Book of Changes advises students to take action in tandem with the momentum of their life. Therefore, what can we do to hack the brain and go to the next level of speculative and operative metaphysics.**

A three thousand year history of the occult, and its relationship with the phenomenon of terrorism, for the purposes of fomenting a Clash of Civilisations and a "New World Order". Islam is no threat to the West. On the contrary, Islamic terrorism is a phantom created to serve Western imperialistic goals. Terrorism itself is expressly forbidden in Islam. Such terror groups as exist are artificial, and intertwined with Western power through a network of occult secret societies, that date back to the Babylonian Kabbalah of the 6th century BC, and a plot to rule the world by magic and deception. Under Herod the Great, a series of dynasties arose, who imposed a corrupt version of Christianity upon the Roman world. During the Crusades, their association with the Ismaili Assassins formed the basis of what is known as Scottish Rite Freemasonry. When Napoleon conquered Egypt, these Freemasons reconnected with their brethren there, sparking developments like the Occult Revival of the late 19th century, the Salafi reform movement of Islam, promoted by Saudi Arabia, and Nazism. They founded the Muslim Brotherhood, a collective of impostors run by the CIA, to further the scheme for world domination. Appearances belie reality. In fact, the Muslim nations are the victims of terror from the West. With their near-complete control of the media, the powers that be have instilled an inverted image of the real world.

"The 66 Laws of the Illuminati: Secrets of Success," written by The House of Illuminati, provides the blueprint and tenets required for personal success. The House of Illuminati, known around the world as "The Illuminati," has broken years of silence with this publication. The Illuminati has made known its "Laws" which they indicate are the secrets of success for anyone who embarks upon the path of Light.

Organized in six chapters, the book begins with "Chapter 1: The 66 Laws." Chapter 1 details the sixty-six rules of life suggested by the Illuminati as a guaranteed guide to success. The Laws are age-old, proverbial wisdom which typically sheds light on a principle of good character. Each of the Laws is followed by a Lesson that gives further clarity; insight, meaning, and commentary to help the reader better understand how to apply the Law. Chapter 2, "A Letter to the Youth of the Present Age," is a letter written by the Illuminati to the youth of the 21st century. It is a passionate epistle in response to comments made by rap artist Jay-Z and negative, inaccurate rumors which were circulating at the time. Chapter 3, "The House of Illuminati," shares the ancient and modern history of Illuminati. Chapter 4, "The Rituals," is a behind-the-scenes look at what happens inside the secret House including admission criteria and ceremonies. Chapter 5, "The Creed," and Chapter 6, "The Prayer," publish the Illuminati's creed and prayer which shape the essence of what the Illuminati believes. For the first time in centuries, this book is the only known source of written documents which define The Illuminati. A detailed account of our purpose and our commitment to the "path of Light" is provided for the public. The Illuminati hopes that all readers around the world will unite in a common cause to pursue the Light and travel down a road of success. Success is guaranteed to any person who follows the Laws and learns from the Lessons. On the path of the Light, The Illuminati

The New Hermetics is a powerful spiritual technology of the mind. It is a course of study and practice that teaches the science of illumination and the ability to alter reality. The ancient Egyptian form of Hermetic philosophy was that the mind shapes reality. The New Hermetics extends that philosophy - the universe is a great mind or consciousness, and we are a part of that consciousness; therefore by learning to control the mind, we learn to control our part of the universe. With updated versions of the ancient Rosicrucian brotherhood's 10 levels of initiation, combined with ancient and modern mind-expanding techniques such as visualization and NLP (neuro-linguistic programming), The New Hermetics progressively gives initiates power over their minds and world. Practicing these elements simultaneously makes it possible to undergo initiation into the mysteries of consciousness in a fraction of the time it was ever before possible. The course offered in the book lets practitioners master their minds in such a way that they will be able to achieve anything and everything they want in life, spiritually and physically. The New Hermetics offers 10 levels of instruction to control the mind and control reality: Level 1-The Initiate teaches mastery over behavior and visualization in the Ether. Level 2-The Zealot bestows mastery over emotions, breathing, and Etheric energy. Level 3-The Practitioner gives mastery over mind, beliefs, and the ability to project Etheric energy. Level 4-The Philosopher masters creativity, values, and the ability to direct Etheric energy. Level 5-The Adept develops relationship with cosmic consciousness. Level 6-The Advanced Adept offers the power to direct the forces of cosmic consciousness. Level 7-The Perfect Adept gives wisdom and the ability to share these forces with others.

Level 8-The Master bestows mastery of cosmic consciousness. Level 9-The Mage gains mastery of universal power. Level 10-The Ultimate Master obtains mastery over the universal self. The New Hermetics is a powerful course of instruction that can help anyone master themselves to rule their world.

This American underground classic is a rollicking cosmic mystery featuring Albert Einstein and James Joyce as the ultimate space/time detectives. One fateful evening in a suitably dark, beer-soaked Swiss rathskeller, a wild and obscure Irishman named James Joyce would become the drinking partner of an unknown physics professor called Albert Einstein. And on that same momentous night, Sir John Babcock, a terror-stricken young Englishman, would rush through the tavern door bringing a mystery that only the two most brilliant minds of the century could solve . . . or perhaps bringing only a figment of his imagination born of the paranoia of our times. An outrageous, raunchy ride through the twists and turns of mind and space, Masks of the Illuminati runs amok with all our fondest conspiracy theories to show us the truth behind the laughter . . . and the laughter in the truth. Praise for Masks of the Illuminati "I was astonished and delighted . . . Robert Anton Wilson managed to reverse every mental polarity in me, as if I had been pulled through infinity."—Philip K. **The infamous Illuminati secret society represents the pinnacle of power in politics, banking, and the news media; but what about the entertainment industry? Do Hollywood's elite studios, producers, and celebrities have a secret agenda? Are they part of a covert conspiracy? Media analyst Mark Dice will show you exactly how Hollywood uses celebrities and entertainment as a powerful propaganda tool to shape our culture, attitudes, behaviors, and to promote corrupt government policies and programs. You will see how the CIA and the Pentagon work hand in hand with Hollywood to produce blockbuster movies and popular television shows crafted to paint positive portraits of war, Orwellian government surveillance,**

**unconstitutional agendas, and more. You'll also learn the strange and secret spiritual beliefs of the stars that fuel their egos and appetites for fame and wealth, making them perfect puppets for the corporate controllers behind the scenes. And you will also discover the rare instances of anti-Illuminati celebrities who have dared to bite the hand that feeds them. Character Howard Beale once warned in the 1976 classic film Network, "This tube is the most awesome God-damned force in the whole godless world, and woe is us if it ever falls in to the hands of the wrong people," and unfortunately that is exactly what has happened. A New York Times Notable Book, winner of the Jerwood Award from the Royal Society of Literature, a New York Times Book Review Editors' Choice, and named a Book of the Year by the Telegraph, Spectator, Observer, and BBC History Magazine, this bold new history of the rise of Christianity shows how its radical followers helped to annihilate Greek and Roman civilizations. The Darkening Age is the largely unknown story of how a militant religion deliberately attacked and suppressed the teachings of the Classical world, ushering in centuries of unquestioning adherence to "one true faith." Despite the long-held notion that the early Christians were meek and mild, going to their martyrs' deaths singing hymns of love and praise, the truth, as Catherine Nixey reveals, is very different. Far from being meek and mild, they were violent, ruthless, and fundamentally intolerant. Unlike the polytheistic world, in which the addition of one new religion made no fundamental difference to the old ones, this new ideology stated not only that it was the way, the truth, and the light but that, by extension, every single other way was wrong and had to be destroyed. From the first century to the sixth, those who didn't fall into step with its beliefs were pursued in every possible way: social, legal, financial, and physical. Their altars were upturned and their temples demolished, their statues hacked to pieces, and their priests killed. It was an annihilation. Authoritative, vividly written, and utterly compelling, this is a remarkable debut from a brilliant young historian.**

Hidden behind the veil of their secret society the group known as the Illuminati have still managed to garner great attention. They have been blamed for everything imaginable such as being the igniting force behind the French Revolution and being the masterminds behind the 9/11 attacks. They have even been credited with assassinating both Presidents Lincoln and Kennedy. Two celebrated presidents made the unfortunate mistake of trying to usurp their unquestionable power. The so-called conspiracy says that they are hell-bent on ushering in their new world order which consists of the establishment of a one world government, a world army and destroying the sovereignty of every nation. They are said to be implementing their New World Order through organizations identified with as being part of like The Bilderberg Group, The Council on Foreign Relations, The Trilateral Commission, The Vatican, Rome and many others. There are prominent families who are also said to be part of the Illuminati like the Rockefellers and the Rothschilds. But are these assertions valid? Does popular society have it right or have they simply misunderstood this secret society? Have they been given a bad rap? In his revealing book entitled *Who Are The Illuminati: The Secret Societies, Symbols, Bloodlines and the New World Order* author Frank White takes a critical look at this powerful underground secret society, who they are and what they are in a world filled with scorn for them. He explores not only the true facts about the group, but also the urban legends and myths, some of which are true and others of which have been greatly exaggerated. For example, do they really control the world? Are we just slaves to their whims and madness? Do they have a stranglehold on the entertainment and music industries and are movie stars just puppets carrying out their agenda to the masses? Did they really order the murder of pop superstar Michael Jackson? These questions and many more will be answered in this explosive book.

We are the Real Illuminati(R). We wrote a new American scripture (which consists of the Book of Mormon and The Sealed Portion) that we know could change our world.

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a

Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Did you know? • Freemasonry's first American lodge included a young Benjamin Franklin among its members. • The Knights Templar began as impoverished warrior monks then evolved into bankers. • Groom Lake, Dreamland, Homey Airport, Paradise Ranch, The Farm, Watertown Strip, Red Square, "The Box," are all names for Area 51. An indispensable guide, *Cults, Conspiracies, and Secret Societies* connects the dots and sets the record straight on a host of greedy gurus and murderous messiahs, crepuscular cabals and suspicious coincidences. Some topics are familiar—the Kennedy assassinations, the Bilderberg Group, the Illuminati, the People's Temple and Heaven's Gate—and some surprising, like Oulipo, a select group of intellectuals who created wild formulas for creating literary masterpieces, and the Chauffeurs, an eighteenth-century society of French home invaders, who set fire to their victims' feet.
