

Im A Dingle Dangle Scarecrow Baby Board Books

'Doctor Dolittle's Circus' is the story we all know and love that was adapted into the wonderful Rex Harrison film. To raise money for a trip to Africa Doctor Dolittle contacts a local circus and offers them the once in a lifetime opportunity of having the most rare animal on Earth, the Pushmi-Pullyu, perform in their circus. Of course, with Doctor Dolittle's involvement nothing goes as planned and the doctor finds himself once again launched on another grand adventure.

Children flourish in their development and learning when practitioners and parents work together. Childrens' development and learning are further enhanced when interconnected knowledge and understanding work together. In this new edition the authors guide readers in understanding of child development. They highlight the need for those who work with young children to become reflective practitioners. Through a focus on the introduction of nursery rhymes, finger rhymes, action songs and poetry cards, the authors provide a gentle, child-friendly way to develop literacy 0-7. Thoroughly revised and updated, this book includes: - Case studies and examples - Discussion of the primary framework - Inclusion of schools as an educational setting - Age-appropriate activities - Further reading suggestions at the end of each chapter This book is useful for teachers, practitioners, teaching assistants and childminders and for anyone working with children from birth to seven years in nursery and primary schools, children's centres, foundation units, and at home. Tina Bruce is an Honorary visiting professor in Early Childhood at Roehampton University. Jenny Spratt is Head of EYFS and Children's Centre Services for Peterborough Local Authority

Die-cut windows reveal glimpses of what five spacemen observe as they fly around the world, then leave one by one because they do not like what they see.

The body is a physical entity and a symbolic artifact. It is both created in the world of nature and also physically reconstructed by a culture. The body is both an internal, subjective environment and simultaneously an object for others to observe and evaluate. Bodily practices, woven within a dense web of social relationships, are then both

individual and collective- the individual body expresses cultural values, rules, and regulations in the daily routine of living.p The American Body in Context: An Anthology is an interdisciplinary investigation of these body relationships, examining the American historical and contemporary constructions of the body. Through readings and exercises, this new book allows readers to explore interrelationships between the individualized and the constructed nature of embodied experiences. This comprehensive text draws together a wide variety of analyses and demonstrates the interdependence between the individual and the structural (re)productions of embodied experiences in the U.S.p This is an excellent text for courses in American studies, American society, cultural and social anthropology, and gender studies.p

Im a dingle-dangle scarecrow with a flippy-floppy hat. I can shake my hands like this and shake my feet like that! The charmed combination of the Topp Twins and Jenny Cooper goes from strength to strength, this time bringing their talents to this well-loved childrens song about a scarecrow who loves to frolic in the night, when everyone else is sleeping!

First published in 1987. Routledge is an imprint of Taylor & Francis, an informa company.

Physical development underpins much of a child's later educational advancement. Without good coordination, core stability and gross motor skills the fine motor skills needed for tool handling and writing may not fully develop. Each aspect of physical development is interlinked with a child's future success as a learner. This book contains practical, easy to follow suggestions linked to the ages and stages of the Early Years Outcomes. It offers clear

information on what to look for in terms of the child's developing moving and handling skills and how to plan for next steps. Each section is colour coded and links the Early Years Outcomes to the planning cycle and Characteristics of Effective Learning. It contains a wide range of additional activities and an assessment grid to support practitioners' current tracking systems and help demonstrate progress over a specific period of time.

If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.

Grandmas are cuddly with arms that hug tight, they wrap you in dreams when they kiss you goodnight. This beautiful book celebrates the special bond between grandmothers and their grandchildren.

Animals gently angle to have a new baby named after themselves in this sweet picture book by Lizi Boyd, whose previous work was named a New York Times Best Illustrated Book of the Year. "A name is a sound that follows you around. I'm listening for one," says Mother Mouse. Holding her new baby close, she fields suggestions from Sadie Snail, Kiki Cat, Merle Squirrel, and a host of other animals (many of whom would like to see the new baby named after themselves!). One by one, the animals suggest names for baby that would personally honor themselves. Lyrical text filled with wordplay will charm soon-to-be parents and soon-to-be older siblings alike. Lizi Boyd is an

innovative and celebrated illustrator. Her book Big Bear Little Chair was named a New York Times Best Illustrated Book of 2015.

The Big Book of Reading, Rhyming and Resources

Join a cast of lovable animals as they make music on instruments from A to Z. Jane Austen, the world-famous author, spent most of her life in Hampshire, England. Its houses, countryside and people inspired her writing. This book's design is inspired by the oak leaf pattern on a pelisse coat thought to have belonged to Jane Austen. The coat is in the care of Hampshire Cultural Trust.

A beautiful new edition of C.J. Dennis' classic tale of rhyme and things that go bump in the night! Hist! ... Hark! The night is very dark, And we've to go a mile or so Across the Possum Park. Three children cross the dark and gloomy park to get home. Will they make it before their imaginary fears come to life?

When the farmer places a scarecrow in the cornfield, Otis the tractor and the farm animals try to make friends, but the scarecrow remains silent with a sour look on his face throughout the summer and fall.

Poppy and Sam help Mr Boot make a scarecrow in this charming short story set at Apple Tree Farm. Specially written, with the help of language experts, for young children just beginning to read. Exclusive ebook material includes a map of Apple Tree Farm, showing all of the places mentioned in the story. Don't forget to spot the Little Yellow Duck on every double page. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "Usborne farmyard tales are delightful short stories superbly illustrated and in easy language, just right for the children who are just beginning to read... if you have a child in the age group of two to five, you can be sure that they are going to love these books." - A Spoonful of Ideas

If You're Happy and You Know it

The American Body in Context

All These Things

Presents an illustrated version of the classic nursery rhyme.

On board pages.

This charming series has been specifically designed for babies.

A great introduction to books through well-known nursery rhymes and interactive text. Singing songs and rhymes is the perfect way to bond with your baby and share quality time. It also aids language development by introducing them to the natural sounds and patterns of speech. Combining these with actions also stimulates the brain and helps muscle development.

Reproducible literature-based, multisensory activities, crafts, and songs that promotes reading and literacy for children ages

four through eight.

In this classroom favorite, a resourceful chicken enlists her farm friends to get a coveted hat from Scarecrow. A delightful circular tale and fall read-aloud! Chicken really admires Scarecrow's straw hat. Scarecrow would gladly trade his hat for a walking stick to rest his tired arms. Chicken doesn't have a walking stick to trade—but she knows someone who does. Author-illustrator Ken Brown pairs vivid, realistic watercolors with an inventive plot, engaging sequencing, and repetition to tell a charming circular story packed with relatable themes of friendship, bartering, and problem-solving. This award-winning title is an ideal story time choice for autumn and harvest themes.

This sparkly board book offers babies and toddlers a peek into the whimsical world of dragons. Discover what makes them so magical! Moonlight and courage and sparks, oh my! That's what dragons are made of. Did you know that dragons don't just breathe fire...they sneeze it? Or that they love to barbecue--even their vegetables? Fantasy lovers will be tickled to learn all sorts of "facts" about these Mythical Creatures in Holly Hatam's (#1 New York Times bestselling illustrator) unique new series. Look for Unicorns are Real, too!

Simple rhymes introduce such large vehicles as dump trucks, fire engines, and tractors, and describe the work that they do. On board pages.

This award winning series, specifically designed for babies, is now available in a smaller format, perfect for little hands. A great introduction to books through well-known nursery rhymes and interactive text. Singing songs and rhymes is the perfect way to bond with your baby and share quality time. It also aids language development by introducing them to the natural sounds and patterns of speech. Combining these with actions also stimulates the brain and helps muscle development.

The content of this book is based on the Andy Croft's experience of working with children in over 400 UK schools and will provide teachers with ideas, games, examples and models that they can use in the classroom to encourage their children to become writers and readers through the practice of rhyme and rhythm. He strongly believes that you don't have to be 'good at English' to be able to enjoy the music of ordinary speech. Using rhythm and rhyme is a democratic creative act that is equally hard and equally easy for everyone. It has special rules which won't let you reach for the first word that comes into your head. Your words have to fit the pattern. You don't have to write anything down, but you do have to become a writer. And once you have become a writer, you might become a reader...

Grandmas Are Lovely

Waltz of the Scarecrows

"It's hard to imagine a more powerful treatment of migration: Baker conveys the strength of the birds and the fragility of their habitat with equal care." -- Publishers Weekly (starred review) Each year, bar-tailed godwits undertake the longest unbroken migration of any bird, flying from their breeding grounds in the Arctic to Australia and New Zealand and back again. They follow invisible pathways -- pathways that have been followed for thousands of years -- while braving hunger and treacherous conditions to reach their destination. In *Circle*, Jeannie Baker follows the godwits' incredible flight, taking readers over awe-inspiring scenes as the birds spread their wings above such beautiful landmarks as the Great Barrier Reef and China's breathtaking cityscapes for an unforgettable journey. When her five little ducks disappear one by one, *Mother Duck* sets out to find them, in a book that includes a sound disc that contains both a sing-along and an instrumental version of the song.
