From the nationally beloved co-host of the #1 hit show *Home Town* comes the quintessential celebration of home. Imagine a house's early days as a home: A young family builds a picket fence and plants flowers in its yard, children climb the magnolia tree and play the piano in the living room, and there is music inside the house for many happy years. But what will happen when its windows grow dark, its paint starts to crumble, and its boards creak in the winter wind? The house dreams of a family who will love it again...and one day, a new story will emerge from within its walls. In this modern classic, Erin Napier's lyrical prose and Adam Trest's warm and comforting paintings deeply evoke the soul of a house cherishing the seasons of life and discovering the joy of rebirth. A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new

A tender and compelling memoir of the author's grandparents, their literary salon, and a way of life that is no more. The House of Twenty Thousand Books is the story of Chimen Abramsky, an extraordinary polymath and bibliophile who amassed a vast collection of socialist literature and Jewish history. For more than fifty years Chimen and his wife, Miriam, hosted epic gatherings in their house of books that brought together many of the age's greatest thinkers. The atheist son of one of the century's most important rabbis, Chimen was born in 1916 near Minsk, spent his early teenage years in Moscow while his father served time in a Siberian labor camp for religious proselytizing, and then immigrated to London, where he discovered the writings of Karl Marx and became involved in left-wing politics. He briefly attended the newly established Hebrew University in Jerusalem, until World War II interrupted his studies. Back in England, he married, and for many years he and Miriam ran a respected Jewish bookshop in London's East End. When the Nazis invaded Russia in June 1941, Chimen joined the Communist Party,

becoming a leading figure in the party's National Jewish Committee. He remained a member until 1958, when, shockingly late in the day, he finally acknowledged the atrocities committed by Stalin. In middle age, Chimen reinvented himself once more, this time as a liberal thinker, humanist, professor, and manuscripts' expert for Sotheby's auction house. Journalist Sasha Abramsky re-creates here a lost world, bringing to life the people, the books, and the ideas that filled his grandparents' house, from gatherings that included Eric Hobsbawm and Isaiah Berlin to books with Marx's handwritten notes, William Morris manuscripts and woodcuts, an early sixteenth-century Bomberg Bible, and a first edition of Descartes's Meditations. The House of Twenty Thousand Books is a wondrous journey through our times, from the vanished worlds of Eastern European Jewry to the cacophonous politics of modernity. The House of Twenty Thousand Books includes 43 photos.

Some vols. include supplemental journals of "such proceedings of the sessions, as, during the time they were depending, were ordered to be kept secret, and respecting which the injunction of secrecy was afterwards taken off by the order of the House".

** A Washington Post Notable Fiction Book of the Year * Named a Best Book of 2017 by NPR, The Guardian, The Boston Globe, St. Louis Dispatch From the thrilling imagination of bestselling, award-winning Colm Tóibín comes a retelling of the story of Clytemnestra and her children—“brilliant...gripping...high drama...made tangible and graphic in Tóibín’s lush prose” (Booklist, starred review). “I have been acquainted with the smell of death.” So begins Clytemnestra’s tale of her own life in ancient Mycenae, the legendary Greek city from which her husband King Agamemnon left when he set sail with his army for Troy. Clytemnestra rules Mycenae now, along with her new lover Aegisthus, and together they plot the bloody murder of Agamemnon on the day of his return after nine years at war. Judged, despised, cursed by gods, Clytemnestra reveals the tragic saga that led to these bloody actions: how her husband deceived her eldest daughter Iphigeneia with a promise of marriage to Achilles, only to sacrifice her; how she seduced and collaborated with the prisoner Aegisthus; how Agamemnon came back with a lover himself; and how Clytemnestra finally achieved her vengeance for his stunning betrayal—his quest for victory, greater than his love for his*

child. House of Names "is a disturbingly contemporary story of a powerful woman caught between the demands of her ambition and the constraints on her gender...Never before has Tóibín demonstrated such range," (The Washington Post). He brings a modern sensibility and language to an ancient classic, and gives this extraordinary character new life, so that we not only believe Clytemnestra's thirst for revenge, but applaud it. Told in four parts, this is a fiercely dramatic portrait of a murderess, who will herself be murdered by her own son, Orestes. It is Orestes's story, too: his capture by the forces of his mother's lover Aegisthus, his escape and his exile. And it is the story of the vengeful Electra, who watches over her mother and Aegisthus with cold anger and slow calculation, until, on the return of her brother, she has the fates of both of them in her hands.

Bestselling author James Lee Burke ' s masterpiece is the story of a father and son separated by war, circumstance, and a race for the Holy Grail—a thrilling entry in the Holland family saga The New York Times Book Review has described as “ saturated with the romance of the past while mournfully attuned to the unholy menace of the present. ” After a violent encounter that leaves four Mexican soldiers dead, Texas Ranger Hackberry Holland escapes the country in possession of a stolen artifact believed to be the mythic cup of Christ, earning the ire of a bloodthirsty Austrian arms dealer who places Hack ' s son, Ishmael, squarely in the cross hairs of a plot to recapture his prize. On the journey from revolutionary Mexico in 1918 to the saloons of San Antonio during the Hole in the Wall Gang ' s reign, we meet three extraordinary women: the Danish immigrant who is Ishmael ' s mother and Hackberry ' s one true love; a brothel madam descended from the Crusader knight who brought the Shroud of Turin back from the Holy Land; and a onetime lover of the Sundance Kid, whose wiles rival those of Lady Macbeth. In her own way, each woman will aid Hack in his quest to reconcile with Ishmael, to vanquish their enemies, and to return the Grail to its rightful place.

House of Four Seasons is a bright and lively family picture book about colors, imagination, and compromise. When Father, Mother, Billy, and Suzy go house hunting in the country, they fall in love with a grand old house nestled among tall weeds and trees. It is in need of repair, and soon a carpenter, mason, and tinsmith come to set things straight, but it needs painting too. The family agrees it would be more fun to paint the house themselves, but no one can agree on the color, and to make matters worse, the hardware store only carries three colors: red, blue, and yellow. But Father has an idea. “ You ’ ll see, he says, “ colors can do many tricks when they get together, ” and with a sudden flourish, a color wheel appears!

Budding artists and engineers will love this surprising story, and adults would do well to note how Father arrives at a winning trifecta of negotiation, education, and thrift. A luminous picture-book tribute to house and home gently evokes the passage of time, the solace of memory, and the joys of preservation and renewal. Every house has a story. This house--an old one hunkered in the deep grass below a wide country sky--is a waiting house. Once it was full of laughter and song. The sounds of life rang within its walls. Now it stands quiet and still. The house

has sheltered many families over the years and remembers them fondly, especially the children. New families arrive to look, but none stay. Perhaps the house, too, now belongs to the Long Ago and Used to Be? Or will the "right" family move in to honor its past and build new memories? Wistful and nostalgic, Mary Lyn Ray's poetic text, combined with glowing, pastoral illustrations by E. B. Goodale that capture the lonely house's unique character, create a quietly affecting hymn to hope and surprise that will enchant readers of all ages.

of power, and his fabled tour bus. John Boehner is the last of a breed. At a time when the arbiters of American culture were obsessing over organic kale, cold-pressed juice, and SoulCycle, the man who stood second in line to the presidency was unapologetically smoking Camels, quaffing a glass of red, and hitting the golf course whenever he could. There could hardly have been a more diametrically opposed figure to represent the opposition party in President Barack Obama's Washington. But when Boehner announced his resignation, President Obama called to tell the outgoing Speaker that he'd miss him. "Mr. President," Boehner replied, "yes you will." He thought of himself as a "regular guy with a big job," and he enjoyed it. In addition to his own stories of life in the swamp city and of his comeback after getting knocked off the leadership ladder, Boehner offers his impressions of leaders he's met and what made them successes or failures, from Ford and Reagan to Obama, Trump, and Biden. He shares his views on how the Republican Party has become unrecognizable today; the advice--some harsh, some fatherly--he dished out to members of his own party, the opposition, the media, and others; and his often acid-tongued comments about his former colleagues. And of course he talks about golfing with five presidents. Through Speaker Boehner's honest and self-aware reflections, you'll be reminded of a time when the adults were

Jane Cockram makes her thrilling debut with this page-turning tale of psychological suspense in which a young woman whose life is in tatters flees to the safety of a family estate in England, but instead of comfort finds chilling secrets and lies. Miranda's life and career has been a roller-coaster ride. Her successful rise to the top of the booming lifestyle industry as a social media influencer led to a humiliating fall after a controversial product she endorsed flopped. Desperate to get away from the hate-spewing trolls shaming her on the internet, she receives a mysterious letter from a young cousin in England that plunges her into a dark family mystery. Miranda's mother Tessa Summers, a famous author, died when Miranda was a child. The young woman's only connection to the Summers family is through Tessa's famous book *The House of Brides*—a chronicle of the generations of women who married into the infamous Summers family and made their home in the rambling Barnsley House, the family's estate. From Gertrude Summers, a famed crime novelist, to Miranda's grandmother Beatrice, who killed herself after setting fire to Barnsley while her children slept, each woman in *The House of Brides* is more notorious than the next. The house's current "bride" is the beautiful, effervescent Daphne, her Uncle Max's wife—a famed celebrity chef who saved Barnsley from

ruin turning the estate into an exclusive culinary destination and hotel. Curious about this legendary family she has never met, Miranda arrives at Barnsley posing as a prospective nanny answering an advertisement. She's greeted by the compelling yet cold housekeeper Mrs. Mins, and meets the children and her Uncle Max—none of whom know her true identity. But Barnsley is not what Miranda expected. The luxury destination and award-winning restaurant is gone, and Daphne is nowhere to be found. Most disturbing, one of the children is in a wheelchair after a mysterious accident. What happened in this house? Where is Daphne? What darkness lies hidden in Barnsley?
