David Boswell's classic counterculture icon is collected here in an oversized hardcover format. This volume collects the first Reid Fleming comic and the mini-series, Rogues to Riches, as well as Heartbreak Comics. "The success of Alison Bechdel's 'Dykes To Watch Out For' is impressive for any comic strip and unheard of for one with a lesbian theme". -- Boston Globe

In their first five decades, the funnies became an essential part of American life. Comic strip characters - Mutt and Jeff, Barney Google, Little Orphan Annie, Popeye, Blondie, Dick Tracy, Flash Gordon, Li'l Abner - were everywhere. They starred in live-action and animated films, stage plays, and radio programs, and they helped market a wide range of products. Their phrases enriched the language; their adventures, which reflected societal changes, were retold in books and inspired hit songs. Cartoonist and historian Brian Walker's comprehensive survey - illustrated with rare original art - is the most authoritative history of American newspaper comics currently in print. It documents the fascinating origins of the comics and, decade by decade, the major trends in the funnies business. In-depth biographies of twenty-one of the most important creators of the era are featured, as well as samples of many other artists' work. The Comics Before 1945 joins the author's The Comics Since 1945 to form a classic survey of American popular culture by one of the greatest authorities in the field.

From the trailblazing Wonder Woman of the 1940s to edgy, girl-power-driven comics series like Birds of Prey, DC Comics Covergirls: takes a look at the female characters of DC Comics throughout the company's history; features many of DC Comics' iconic comic book covers; and, examines the evolution of the comic book women of DC Comics - the 1942 introduction of the famous DC heroine, Wonder Woman, and her various incarnations up to the present; the creation of comic book spin-offs based on characters such as Lois Lane; and the recent wealth of fierce, female character-driven comics.

This document is a collection of slang terms used by various subcultures of computer hackers. Though some technical material is included for background and flavor, it is not a technical dictionary; what we describe here is the language hackers use among themselves for fun, social communication, and technical debate.

In this adventure Tintin hears of a robbery at the Museum of Ethnography. A sacred tribal object from the Arumbaya tribe has been stolen. Tintin embarks upon a journey to find out the truth behind the object's disappearance.

A provocative chronicle of the guerilla art movement that changed comics forever, this comprehensive book follows the movements of 50 artists from 1967 to 1972, the heyday of the underground comix movement. With the cooperation of every significant underground cartoonist of the period, including R. Crumb, Gilbert Shelton, Bill Griffith, Art Spiegelman, Jack Jackson, S. Clay Wilson, Robert Williams and many more, the book is illustrated with many never-before-seen drawings and exclusive photos.

Tintin searches the mountains of Nepal and Tibet for his friend, victim of an airplane crash.

Reading Comics

From his early newspaper comics to the sophisticated graphic novels he produces today, Will Eisner has been a pioneering force in comics for more than sixty years. Ron Goulart, writing in Book World, declared, "A shrewd, thoughtful man, Eisner has always had a knack for deftly combining dialogue and images to tell his story," and fellow graphic novelist Alan Moore simply said, "Eisner is the single person most responsible for giving comics its BRAINS." And Amazon.com, which called him "the Elvis of comics," said, "It's fair to say that Eisner invented modern comic art." In FAGIN THE JEW, Eisner proves himself to be not only a master of comic storytelling, but also an incisive literary and social critic. This project was first conceived as an introduction to a pictorial adaptation of Oliver Twist, but as he learned more about the history of Dickens-era Jewish life in London, Eisner uncovered intriguing material that led him to create this new work. In the course of his research, Eisner came to believe that Dickens had not intended to defame Jews in his famous depiction. By referring to Fagin as "the Jew" throughout the book, however, he had perpetuated the common prejudice; his fictional creation imbedded itself in the public's imagination as the classic profile of a Jew. In his award-winning style, Eisner recasts the notorious villain as a complex and troubled antihero and gives him the opportunity to tell his tale in his own words. Depicting Fagin's choices and actions within a historical context, Eisner captures the details of life in London's Ashkenazi community and brilliantly re-creates the social milieu of Dickensian England. Eisner's fresh, compelling look at prejudice, poverty, and anti-Semitism lends an extraordinary richness to his artwork, ever evocative and complex. Like the modern classics Maus and The Jew of New York, FAGIN THE JEW blends image and prose in an unforgettable exploration of history.

A collection of the best gay and lesbian cartoonists in America today, compiled from the 12-issue comic series Gay Comix and other national and regional gay periodicals.

Details the achievements of an array of comics creators and the characters they created during the 1960s.

A nostalgic as well as scholarly examination of some of the comics' most famous detective, monsters, aviators, jungle men, superheroines, and magicians.

Cat Kid Comic Club is back in session in this groundbreaking graphic novel narrative by Dav Pilkey, the worldwide bestselling and award-winning author and illustrator of Dog Man. Flippy, Molly, Li'l Petey, and twenty-one baby frogs each have something to say. Naomi and Melvin don't see eye to eye and Poppy perceives the world differently than her siblings. Will the baby frogs figure out how to work together and appreciate one another's point of view -- both inside and outside the classroom? The shenanigans are nonstop and the baby frogs' minicomics are funny and full of heart. Creating stories within a story, author and illustrator Dav Pilkey uses a variety of techniques -- including acrylic paints, colored pencils, Japanese calligraphy, photography, collage, gouache, watercolors, and much more -- to portray each frog's perspective. The kaleidoscope of art styles, paired with Pilkey's trademark storytelling and humor, fosters creativity, collaboration, independence, and empathy. Readers of all ages will relish this joyful graphic novel adventure.

From the creator of the cult favorite Angry Youth Comix: the one-man MAD magazine strikes again! The most acclaimed (and controversial) humor cartoonist to burst on the comics scene since Peter Bagge, Johnny Ryan mixes social satire with an absurdist sense of humor to come up with some of the most notoriously hilarious comics in the last five years, in the pages of his ongoing comic book series, Angry Youth Comix. It's almost impossible to explain what makes something funny, but whatever it is, fans and critics agree that Ryan has it in spades. The book includes several stories featuring Ryan's signature creation, Loady McGee (and straight-man Synus O'Gynus), a misanthropic, acne-scarred hustler who finds himself in scams that would make Wimpy proud, and responds to almost everything with an endless stream of wisecracks, puns, and X-rated double entendres. Loady's ridiculous crackpot schemes opening a brothel staffed by mutant lizards, get-rich-quick inventions like the "Pussy Hunter 6000," founding a comic book school, and selling used toilet paper passed-off as new, just to name a few serve as perfect comic set-ups, and Ryan's art is crammed with visual gags and existential asides that brings to mind the great Will Elder (MAD magazine). Needless to say, this is not politically-correct stuff, nor is it for children. Ryan's in-your-face humor spares no prisoners, as these stories indicate: "Hipler," a riotous satire of our "extreme makeover" era and celebrity culture; "Islamic Terrorist Spring Break," in which Ryan seemed to be single-handedly trying to counterbalance all of the self-censorship going on in the early post-9/11 media; and "Ku Klux Kuties," which tests just how far the usual doe-eyed visual tropes can be taken and still make you go, "Aww." The book also includes Ryan's most infamous strip to-date, "The Gaytriot," which caused a PC-stir when it was included in The Comics Journal's otherwise-sincere and serious "Cartoonists on Patriotism" volume in 2002. The collection also features such absurdist classics as "Weight-Lifting Gophers," "The Deaf Chef," "Dolemite's Masters of the Universe," "1976," and a selection of single-panel gag cartoons titled "Johnny Ryan's 'Pukin's' and 'Spit-Ups.'" Find out why Ryan's work has been cited as a favorite of such luminaries as the late Edward Gorey, Simpsons producers George Meyer and Dana Gould, and cartoonists like Joe Sacco, Daniel Clowes, Peter Bagge, Coop, Gary Panter and many others. 152 pages including 16 pages in color.

For the better part of three decades romance comics were an American institution. Nearly 6,000 romance comics were published between 1947 and 1977, and there was a time when one of every five comics sold in the U.S. was a romance comic. This is the first book devoted entirely to the rarely studied world of romance comics. The text includes information on several types of romance comics and their creators, plus the history, numbers, and publishing frequency of dozens of romance titles. The author examines several significant periods in the development of the romance genre, including the origins of Archie Comics and other teen romance publications, the romance comic "boom and bust" of the 1950s, and the genre's sudden disappearance when fantasy and superhero comics began to dominate mainstream comics in the late 1970s.

Through exclusive interviews with colleagues and family, a biography of the actor-comedian traces the fluctuations of his erratic life and career, from his impoverished Brooklyn childhood to his return to film success with The Nutty Professor.

The definitive collection of the influential comic zine John Porcellino has long been considered the greatest of all cartoonists coming from the self-publishing and zine movement of the early '90s. His spare approach with words and pictures focuses on the smallest of details, revealing a wealth of meaning and emotion in everyday events that most of us overlook in our daily hustle and bustle. Since 1989, he has released more than sixty-five issues of his self-published comic King-Cat Comics and Stories. This large collection focuses on the first fifty issues, with extensive endnotes and an index, along with selections of all the extra ephemera that makes an individual issue of King-Cat its own unique experience--essays, articles, stories, and letters from friends. Included are more than two hundred and fifty pages of comics, ranging from Porcellino's earliest scrawls to his later, perfectly minimalist delineations. The comics range through all of his concerns--family, family pets, the natural world, work, music, romance. This book presents an artist who always knew what he wanted to do. King-Cat Classics shows Porcellino's confidence and skill as it grows steadily through the past fifteen years.

Li'l Petey, Flippy, and Molly introduce twenty-one rambunctious, funny, and talented baby frogs to the art of comic making. As the story unwinds with mishaps and hilarity, readers get to see the progress, mistakes, and improvements that come with practice and persistence.

Kevin has a bad attitude. He's the one who laughs when you trip and fall. In fact, he may have been the one who tripped you in the first place. He has a real knack for rubbing people the wrong way—and he's even figured out a secret way to do it with poems. But what happens when the tables are turned and he is the one getting picked on? Rhyme Schemer is a touching and hilarious middle-grade novel in verse about one seventh grader's journey from bully-er to bully-ee, as he learns about friendship, family, and the influence that words can have on people's lives. Includes bonus material! - Book Club Discussion Guide - Reading and Writing Connections

I Love Led Zeppelin is a long-awaited collection of strips by the Harvey and Eisner Award-nominated cartoonist Ellen Forney. This book includes full-page comics published in prestigious weeklies such as the L.A. Weekly and Seattle's The Stranger, as well as the leading feminist magazine Bust, and the Oxford American. Her strips are characterized by bold, sensual brushstrokes and striking images of powerful, butt-kicking women. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri}

Examines long-form comics, focusing on the graphic novel, to argue that comics are a fundamental literary form and studies alternative comics as both a literary genre and a cultural phenomenon.

The Business of Comics

Does an abandoned asylum hold the key to a frightful haunting? Everyone's heard the stories about Graylock Hall. It was meant to be a place of healing - a hospital where children and teenagers with mental disorders would be cared for and perhaps even cured. But something went wrong. Several young patients died under mysterious circumstances. Eventually, the hospital was shut down, the building abandoned and left to rot deep in the woods. As the new kid in town, Neil Cady wants to see Graylock for himself. Especially since rumor has it that the building is haunted. He's got fresh batteries in his flashlight, a camera to document the adventure, and a new best friend watching his back. Neil might think he's prepared for what he'll find in the dark and decrepit asylum. But he's certainly not prepared for what follows him home. . . . Scary, suspenseful, and surprising, Dan Poblocki's latest ghost story will keep you turning pages deep into the dead of night.

One of the rare current publications that showcases comix by queer artists, this ground-breaking volume contains richly drawn tales that examine LGBT life from new perspectives: killer dykes chasing romance, a superhero tranny, how Hothead met Chicken, homeboys in love, lesbian internet hook-ups, West Hollywood parties, kids with queer parents and many other unexpectedly funny depictions of how like-minded individuals have found each other for love, lust and heartbreak.

In The Castafiore Emerald (1963), all the characters from the series gather in Marlinspike Hall for a real comedy classic behind closed doors. Resolutely turning his back on the adventure genre, Herg? concentrates on describing the difficulties of communication between human beings. This is the "anti-adventure", full of misunderstandings, a comedy of errors.

From 1914 to 1918, Hans Von Hammer earned the nickname "The Hammer of Hell" in the bloody skies of World War I. Now it's World War II, and bloodrains from the skies once again! The Comics

The Crown Rose tells the story of Isabelle of France, born heir to the throne: her life from childhood to her later years; a life of turmoil and strife and longing.... The year is 1240. It is the reign of King Louis IX. Knighthood is still honored, though the traditions are beginning to fade. This will be the last generation of knights as we understand them. It is a time of intense chivalry and faith; religious orders such as the Templars, the Franciscans, Dominicans, and the Knights of Malta are springing up everywhere. And it is a time of conflict between nations struggling and warring to form their own identities and their own destinies. The Crown Rose portrays the mystery of one man who enters Isabelle's life at several key moments, becoming her icon, her soul's other half, and her destiny... a man who may, in fact, be much more than an ordinary man. His bloodline goes back to the Holy Land, and he is far, far older than he appears. The Crown Rose weaves its tale around the actual events of the time, blending historical realism with a hint of the fantastic, drawing upon extensive research to make the story as accurate as possible. It is a tale of chivalry, knighthood, romance, and war; of lost secrets and hidden mysteries; of honor, duty and sacrifice; and the power of a few dedicated people to change the face of the world itself.
