A course text and self-study tool for advanced learners of English for academic purposes. Is English not your first language? Have you already reached an advanced level of competence in written English? (e.g. IELTS 6.0) Do you wish to improve your formal written grammar? If so, you will be delighted with this essential grammar course, which will ensure you get to grips with the intricacies of English as it is written by students, academics, business people, and other professional writers. Paul Fanning has produced a straight-forward, easy-to-use guide to writing style. The units clearly explain points of grammar and provide plenty of practical advice and self-study tasks to help you develop your style. Topics include how to introduce data, naming academic sources and punctuation and grammar for academic arguments. Paul Fanning has taught English to speakers of other languages since 1971. He has mostly been in higher education in Britain and Africa, working with advanced learners and specialising in English for academic purposes. Since 1990 he has also developed and taught language teaching courses at undergraduate and postgraduate level."

Swahili Grammar and Workbook provides a practical and comprehensive companion to Swahili grammar, filling in gaps left by other textbooks. Presenting the essentials of Swahili grammar in a highly accessible fashion, it reduces complex language topics to helpful rules and mnemonic aids, enabling maximum grammar retention and accurate usage. Grammar points are followed by multiple examples and exercises, allowing students to consolidate and practice their learning. No prior knowledge of linguistic terminology is required. Key features include: Twenty five language notes covering key topics such as: personal pronouns; the Swahili noun class system; special class combinations; the imperative, the subjunctive, and the conditional moods; the use of comparatives; the use of monosyllabic verbs; the passive form and various other forms of verb extensions; the relative clause Clear, detailed and jargon-free grammatical explanations supported by an assortment of helpful diagrams, charts and tables and many relevant and up-to-date examples A wide range of communication-oriented exercises to reinforce learning and develop students' ability to use Swahili actively Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/> Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to information. Written by a highly experienced instructor, Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes.

Containing 1000 varied questions, Conquer Grammar Workbook 5 is designed to provide students with a systematic approach to mastering grammar and usage covered in the curriculum. The exercises in this book can be used as a resource for enrichment work to complement the textbook. Each grammar item is enforced over a few exercises. Revision exercises are included for extra practice. General revision exercises included at the back of the book serve as quick assessment tests. Answers to all questions are provided for

easy self-assessment. Teachers and students can choose the exercises to work on by referring to the contents page. The pages of the book are perforated so that each exercise can be easily detached and used as a worksheet for classroom and/or home learning. This book will certainly help students keen on learning to write and communicate more effectively in the language.

English Grammar Drills

Primary Grammar and Word Study: Ages 5-6

The Gramming Guide to English Grammar is a resource book on the grammar of Standard British English. It is intended for intermediate to advanced students of

English as a second or foreign language who have already studied the basic grammar of English. It covers the most important areas of English grammar and concentrates on structures which may cause difficulty at an intermediate level or above. The book starts with a pretest that helps you identify the areas you need to work on. The pretest is followed by eleven chapters, broken down to a number of subchapters that each deal with a specific grammar point. The related explanations are accompanied by real-life sample sentences, timeline diagrams, tables, and quotes. If a similar point or the same point is discussed in a different part of the book, you will find cross-references to that point. Where appropriate, chapters begin with guiding questions and end with revision questions. Most of the chapters are followed by exercises, including multiple choice, sentence transformation, error correction, gap filling and matching exercises, as well as communicative tasks that can be done in language lessons. At the end of the book, there is an appendix which contains a list of the most common irregular verb forms and the most important spelling rules; a list of the quotes that appear in the book; and a glossary that defines grammatical terms frequently used in the explanations. The chapters in this book are not arranged in order of difficulty. This way, the book can be used for quick reference on specific points of interest, as well as for systematic study, either as a self-study grammar book or as additional material in an ESL/EFL course. No matter which way you use the book, it is recommended that you follow the cross-references, which will lead you to further information on a given item. The exercises, which come with suggested answers, are best done using pen and paper. These exercises will not only help you to practise grammar but also to tie grammatical forms to real-world meaning.

English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. As well as clear teaching notes, the updated Intermediate A and B Teacher's Pack (Teacher's Book with DVD-ROM) offers lots of extra ideas and activities to suit different classroom situations and teaching styles. The DVD-ROM provides a range of extra printable activities, a comprehensive testing and assessment program, extra literacy and handwriting activities for non-Roman alphabet users and clear mapping of the syllabus against the CEFR 'can do' statements. It also includes the videos from the Self-study Pack DVD-ROM for classroom use.

An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes

Get REA's newly updated grammar guide and workbook for intermediate and advanced ESL learners. This second edition is ideal for self-guided study or as a supplement to your ESL coursebook. If you're an ESL student who would like to make English a part of your everyday life, ESL Grammar: Intermediate and Advanced is for you. The book is for anyone with a basic command of English grammar and vocabulary who wants to build their fluency and confidence. You will find this study guide and workbook to be an excellent resource that you can use as a supplement to your coursebook or on its own, whether you're at home, in school, or on the job. This new second edition expands the book's thorough coverage of the important intermediate and advanced grammar topics, with handy usage tips and easy-to-follow practice exercises in every section. The book has been enriched with current topics and examples designed to help you increase your fluency on your journey to mastering English as it's spoken by native speakers. We've included the most commonly confused words (including sound-alikes) to help you avoid the top mistakes English learners make. We show you how word families—groups of words formed from the same base or root word—will help you grow your vocabulary and understand what words mean even before you look them up in a dictionary. Many English words are borrowed from other world languages. This book will show you how to have fun with useful "loanwords" while you improve your vocabulary. We've added a new chapter on "Technology in Our Life Today." Here you will find clear definitions of frequently used computer and technology terms to

help you communicate effectively in today's digital world. Whether you're in school, managing a household, or looking for a job to advance your career, this book will help you take command of English and express yourself with precision. Be sure to look for the companion volume, *ESL Writing: Intermediate and Advanced*, also by Mary Ellen Muñoz Page.

The Blue Book of Grammar and Punctuation
The Mysteries of Grammar and Punctuation Revealed
Bare Bones Training & Consulting Company
Thousands of students have found these books the ideal way to master the grammar of their chosen language. They offer a step-by-step explanation of a concept as it applies to English, a presentation of the same concept as it applies to the target language, the similarities and differences between the two languages, stressing common pitfalls for English speakers and including review exercises with an answer key.

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – *English Grammar For Dummies* will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With *English Grammar For Dummies*, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. *English Grammar For Dummies* covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as

writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

The revised second edition of Basic Korean: A Grammar and Workbook is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language. Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, Basic Korean provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.

TRENDS IN LINGUISTICS is a series of books that open new perspectives in our

understanding of language. The series publishes state-of-the-art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science. TRENDS IN LINGUISTICS considers itself a forum for cutting-edge research based on solid empirical data on language in its various manifestations, including sign languages. It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language. TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes, which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints. High quality standards are ensured through anonymous reviewing.

Brighter Child(R) English & Grammar for Grade 5 helps students master language arts skills. Practice is included for parts of speech, punctuation, vocabulary, frequently confused words, and more. School success starts here! Workbooks in the popular Brighter Child(R) series are packed with plenty of fun activities that teach a variety of essential school skills. Students will find help for math, English and grammar, handwriting, and other important subject areas. Each book contains full-color practice pages, easy-to-follow instructions, and an answer key.

Do you know how to use semicolons, where to put your apostrophes and when to use commas? Do you know the difference between affect and effect, if and whether, or who and whom? Do you know why this stuff matters? If you've reached a stage in your career or education where your writing needs to be high quality, Grammar for Grown-ups is a must for your top drawer. Vocational rather than academic, Grammar for Grown-ups is packed with real-life examples and keeps you engaged with a wealth of great quotations from Homer the Greek to Homer the Simpson. Straight talking and methodical, Craig Shriver draws on his years as an intelligence officer as well as over a decade spent compiling his popular grammar website to present a comprehensive but light-hearted and easily digestible grammar reference guide.

Offers elementary teachers advice and strategies to help them teach, apply, and understand English grammar while still adhering to state and school standards. This book provides grammar exercises for students working with a teacher. The book can be used in any order depending on the personal needs of the students and the exercises are not arranged in order of increasing difficulty, but are marked with asterisks to indicate their relative degree of difficulty.
