The follow up novel to the runaway bestseller JUST ONE NIGHT. The heroine of JUST ONE NIGHT, Kasie, was in some ways shaped by the death of her sister, Melody. For the first time, fans can read Melody's story. As the lead singer of an indie band, Melody is caught in a love triangle between herself, Ash and Brad, Ash being the party boy who unwittingly brought Melody's conflict with her parents to a head and Brad the more grounded guy who wants her to settle down a bit. However, it's Melody's secret that haunts her and ties in to her father's decision to declare her "dead." JUST ONE NIGHT was about a repressed woman who finds herself when her wild, ambitious side is unleashed, while JUST ONE LIE is about a wild woman struggling to find balance and self-control without losing the essence of what makes her who she is.
