

Inevitable A Kingpin Love Affair Book 2 Kindle

InevitableCreateSpace

Running a high-profile casino and hotel complex that ruthless billionaire Armand Jordan is plotting to take from her, Lucky engages in a power struggle against him, while Bobby becomes inadvertently involved in best friend Frankie's drug problems.

This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background information on dozens of high profile films such as the STATE FAIR films of 1933 and 1945, THE BRIDGES OF MADISON COUNTY, FIELD OF DREAMS, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay covering the entire history as well as paragraph length descriptions of each film. A user-friendly feature is the Index of Films, which makes it easy to locate discussions of individual films. Mary Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition.

Dennis Lehane, the New York Times bestselling author of Live by Night—now a Warner Bros. movie starring Ben Affleck—delivers a psychologically, morally complex novel of blood, crime, passion, and vengeance, set in Cuba and Ybor City, Florida, during World War II, in which Joe Coughlin must confront the cost of his criminal past and present. Ten years have passed since Joe Coughlin's enemies killed his wife and destroyed his empire, and much has changed. Prohibition is dead, the world is at war again, and Joe's son, Tomás, is growing up. Now, the former crime kingpin works as a consigliere to the Bartolo crime family, traveling between Tampa and Cuba, his wife's homeland. A master who moves in and out of the black, white, and Cuban underworlds, Joe effortlessly mixes with Tampa's social elite, U.S. Naval intelligence, the Lansky-Luciano mob, and the mob-financed government of Fulgencio Batista. He has everything—money, power, a beautiful mistress, and anonymity. But success cannot protect him from the dark truth of his past—and ultimately, the wages of a lifetime of sin will finally be paid in full. Dennis Lehane vividly recreates the rise of the mob during a world at war, from a masterfully choreographed Ash Wednesday gun battle in the streets of Ybor City to a chilling, heartbreaking climax in a Cuban sugar cane field. Told with verve and skill, World Gone By is a superb work of historical fiction from one of "the most interesting and accomplished American novelists" (Washington Post) writing today.

Dark Horse

Crazy Beautiful

The Rise and Fall of an All-American Boy and His Multimillion-Dollar Cocaine Empire

Graveland

The King's Pawn

Doctor Dealer

She was, still is, and will never be anything but my everything. Our love was all consuming, passionate, and forbidden. We took risks to be together, carrying on an affair for months before her psychotic drug lord husband found the truth behind the lies. She barely escaped with her life ... and that of my son. My club president told me that our love was no longer worth the risk, gave me a choice, and loyalty to the club being what it is, I walked away from her. I left behind the only thing I've ever wanted more than life itself and remained the dutiful soldier to a corrupt leader. Six years and a promotion to club president later, it's time the lies stop. She IS worth the risk, I've NEVER gone a day without thinking about her OR my son, and I know underneath it all she DOES still love me. She just won't admit it ... yet.

Here is the ultimate book on the worldwide movement of hackers, pranksters, and activists that operates under the non-name Anonymous, by the writer the Huffington Post says "knows all of Anonymous' deepest, darkest secrets." Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside-outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, Iflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of "trolling," the ethics and metaphysics of hacking, and the origins and manifold meanings of "the lulz."

Books about the Kennedys are legion. Yet missing until now has been the exploration of the bond between Jack and Bobby, and the part that it played in their rise and fall. Eight years apart in age, they were wildly different in temperament and sensibility. Jack was the born leader—charismatic, ironic, capable of extraordinary growth and reach, yet also pathologically reckless. Bobby was the fearless, hardworking Boy Scout—unafraid of dirty work and ruthless about protecting his brother and destroying their enemies. Jack, it was said, was the first Irish Brahman, Bobby the last Irish Puritan. As Mahoney demonstrates with brilliant clarity in this impeccably documented, magisterial book, the Kennedys lived their days of power in dangerous, trackless territory. The revolution in Cuba had created a poisonous cauldron of pro- and anti-Castro forces, the CIA, J. Edgar Hoover's FBI, and the Mafia. Mahoney gives us Jack and Bobby in all their hubris and humanity, youthfulness and fatalism. Here is American history as it unfolds. The Kennedy Brothers is a fresh and masterful account of the men whose legacy continues to hold the American imagination.

Originally published under the title Sons and Brothers.

A powerful, funny, and wise debut from a writer Esquire praises as “the second coming of Denis Johnson.” In this widely acclaimed story collection, Jim Gavin delivers a hilarious and panoramic vision of California, in which a number of down-on-their-luck men, from young dreamers to old vets, make vallant forays into middle-class respectability. Each of the men in Gavin's stories is stuck somewhere in the middle, caught halfway between his dreams and the often crushing reality of his life. A work of profound humanity that pairs moments of high comedy with searing truths about life's missed opportunities, Middle Men brings to life unforgettable characters as they learn what it means to love and work and exist in the world as a man. Hailed as a “modern-day Dubliners” (Time Out) and “reminiscent of Tom Perotta's best work” (The Boston Globe), this stellar debut has the Los Angeles Review of Books raving, “Middle Men deserves its hype and demonstrates a top-shelf talent. . . . A brilliant sense of humor animates each story and creates a state of near-continuous reading pleasure.”

Making Sense of Messages

Indebted (An Enemies to Lovers Mafia Romance)

From the USA Today bestselling author comes a story of two shattered souls trying to find love in the dark. It's raw, unapologetic, and carnal. "Greed was my vice. A sin that led to my addiction." I hid the monster from everyone, including myself. Emotions were firmly locked away. As much control as I had in my life, I could never control my heart. Eva exposed me. She begged and pleaded, and I swore I'd make her kneel. And when she finally did, I broke the only jewel I ever owned.

They say love conquers all. It's a lie. The compulsive second novel in the USA Today bestselling Cartel trilogy. Five days a week, I dressed in smart business clothes. I painted my face, and went to work as an accountant. But nothing about my life was normal. For eight years I had been the property of the Gypsy Brothers Motorcycle Club. I laundered their money so well they'd never let me leave. My only glimmer of light was the man I loved. The man who had saved me. Dornan. His love had been the only thing that kept the demons at bay. But he'd become so immersed in the cartel's brutal business that I hardly knew him anymore. Dornan had been my salvation, but he was also my undoing. Would he pull me down into the darkness until he destroyed me? Could I save him? Did I even want to? Before the Gypsy Brothers there was the Cartel —from USA Today bestselling author Lili Si Germain. Praise for the Cartel trilogy: "Good lord, this series.... this book.... these characters.... they are seriously playing all sorts of havoc with my emotions, my feelings, my nerves and my anxiety levels" The Hopeless Romantics Book Blog "Sensational, shocking, compelling and totally addictive ... the best when it comes to dark, brooding and bloody romance" Kelly, Perusing Princesses

NEW YORK TIMES BESTSELLER Gregg Hurwitz's *New York Times* bestselling series returns when Orphan X faces his most challenging mission ever in *Dark Horse*. *Evan Smoak* is a man with many identities and a challenging past. As *Orphan X*, he was a government assassin for the off-the-books Orphan Program. After he broke with the Program, he adopted a new name and a new mission—*The Nowhere Man*, helping the most desperate in their times of trouble. Having just survived an attack on his life and the complete devastation of his base of operations, as well as his complicated (and deepening) relationship with his neighbor Mia Hall, *Evan isn't* interested in taking on a new mission. But one finds him anyway. Aragon Urrea is a kingpin of a major drug-dealing operation in South Texas. He's also the patron of the local area—supplying employment in legitimate operations, providing help to the helpless, rough justice to the downtrodden, and a future to a people normally with little hope. He's complicated—a not completely good man, who does bad things for often good reasons. However, for all his money and power, he is helpless when one of the most vicious cartels kidnaps his innocent eighteen year old daughter, spiriting her away into the armored complex that is their headquarters in Mexico. With no other way to rescue his daughter, he turns to *The Nowhere Man*. Now not only must *Evan* agree to how to get into the impenetrable fortress of a heavily armed, deeply paranoid cartel leader, but he must decide if he should help a very bad man—no matter how just the cause.

A remarkable debut by one of America's premier young reporters on financial corruption, Casey Michel's American Kleptocracy offers an explosive investigation into how the United States of America built the largest illicit offshore finance system the world has ever known. "An indefatigable young American journalist who has virtually cornered the international kleptocracy beat on the US end of the black aquifer." —*The Los Angeles Review of Books* *For years, one country has acted as the greatest offshore haven in the world, attracting hundreds of billions of dollars in illicit finance tied directly to corrupt regimes, extremist networks, and the worst the world has to offer. But it hasn't been the sand-splattered Caribbean islands, or even traditional financial secrecy havens like Switzerland or Panama, that have come to dominate the offshore world. Instead, the country profiting the most also happens to be the one that still claims to be the moral leader of the free world, and the one that claims to be leading the fight against the crooked and the corrupt: the USA. American Kleptocracy examines just how the United States' implosion into a center of global offshore took place: how states like Delaware and Nevada perfected the art of the anonymous shell company, and how post-9/11 reformers watched their success usher in a new flood of illicit finance directly into the U.S.; how African despots and post-Soviet oligarchs came to dominate American coastlines, American industries, and entire cities and small towns across the American Midwest; how Nazi-era lobbyists birthed an entire industry of spin-men whitewashing trans-national crooks and despots, and how dirty money has now begun infiltrating America's universities and think tanks and cultural elites; and how those on the front-line are trying to restore America's legacy of anti-corruption leadership—and finally end this reign of American kleptocracy.*

Drawing from disciplines as diverse as linguistics, cognitive science, psychology, and neuroscience, The Emoji Code explores how emojis are expanding communication and not ending it. For all the handwringing about the imminent death of written language, emoji—those happy faces and hearts—is not taking us backward to the dark ages of illiteracy. Every day 41.5 billion texts are sent by one quarter of the world, using 6 million emoji. Evans argues that these symbols enrich our ability to communicate and allow us to express our emotions and induce empathy. Vyvyan Evans's Emoji Code charts the evolutionary origins of language, the social and cultural factors that govern its use, change, and development; as well as what it reveals about the human mind. In most communication, nonverbal cues are our emotional expression, signal our personality, and are our attitude toward our addressee. They provide the essential means of nuance and are essential to getting our ideas across. But in digital communication, these cues are missing, which can lead to miscommunication. The explosion of emoji, in less than four years, functions which are essential for communication but are otherwise absent in texts and emails. Evans persuasively argues that emoji add tone and an emotional voice and nuance, making us more effective communicators in the digital age.

Two years ago she ruined my family's life. Maybe she thought it was only a little lie. That she did the right thing, that the worst was behind her, that no one had gotten hurt. Oh how naive the black haired beauty was. Fate has finally brought her back to me, to Blackthorn Academy. Once upon a time I was obsessed, consumed with the need to make her mine. Now I just want revenge, and I'll do whatever I can to get it. You see the beautiful, sweet, Willow doesn't realize the mistake she's made yet. She doesn't realize that she's entered the lion's den and the Rothschild, and I'll become her nightmare, her enemy, her bully. By the time I'm finished with her she'll be begging me for forgiveness and pleading to confess her sins. **This is a standalone DARK bully romance. This book contains scenes that may be triggering to some readers. This is not a YA romance novel and should be read by those only 18+ or older. ** rom the bestselling Author who brought you The Kingpin, The Kingpin's Love, and The Bit Between Series, now brings you a new fresh college romance, with a clash of the two book series. Can be read as a standalone, without having read the other two series. "I'm going to tear the fuck out of that pussy tonight, do you understand me?" I growled. I wanted her. Her one and only savior. Going to Auburn University was her dream, and she couldn't wait to be free. She was going to let her hair down and shuck the good girl appearance for a new side—a darker, sexier, and ten times wiser. Gia. She was ready to push the boundaries. Chase Winchester was a God. No, seriously. Women all across campus sighed heavily when their eyes stumbled across him. He was arrogant, sexy, and he knew it. AU was just another reason for him to spread his feathers and bid his fingers into some prime sorority girls. Until Gia King came in.

everything a man would want and yet, somehow, she was off limits. There was no way he could force himself to take her, unless she truthfully wanted him. College, romance, and two families who were hell bent on being enemies. Can love between these two really transpire or will everyone else have the last say. Sometimes you have to chase what you want.

Life at the prestigious Q High School for Girls in Tokyo exists on a precise social axis: a world of insiders and outsiders, of haves and have-nots. Beautiful Yuriko and her unpopular, unnamed sister exist in different spheres: the hopelessly awkward Kazue Sato floats around among them, trying to fit in.Years later, Yuriko and Kazue are dead — both have become prostitutes and both have been brutally murdered. Natsuo Kirino, celebrated author of Out, seamlessly weaves together the stories of these women's struggles within the conventions and restrictions of

Investigation of the pressures facing Japanese women and a classic work of noir fiction. Grotesque is a brilliantly twisted novel of ambition, desire, beauty, cruelty, and identity by one of our most electrifying writers.

Great Powers

We Are Anonymous

Before We Were Yours

A thrilling, exclusive exposure of the hacker collectives Anonymous and LulzSec. WE ARE ANONYMOUS is the first full account of how a loosely assembled group of hackers scattered across the globe formed a new kind of insurgency, seized headlines, and tortured the feds—and the ultimate betrayal that would eventually bring them down. Parmy Olson goes behind the headlines and into the world of Anonymous and LulzSec with unprecedented access, drawing upon hundreds of conversations with the hackers themselves, including exclusive interviews with all six core members of LulzSec. In late 2010, thousands of hacktivists joined a mass digital assault on the websites of VISA, MasterCard, and PayPal to protest their treatment of WikiLeaks. Other targets were wide ranging—the websites of corporations from Sony Entertainment and Fox to the Vatican and the Church of Scientology were hacked, defaced, and embarrassed—and the message was that no one was safe. Thousands of user accounts from pornography websites were released, exposing government employees and military personnel. Although some attacks were perpetrated by masses of users who were rallied on the message boards of 4Chan, many others were masterminded by a small, tight-knit group of hackers who formed a splinter group of Anonymous called LulzSec. The legend of Anonymous and LulzSec grew in the wake of each ambitious hack. But how were they penetrating intricate corporate security systems? Were they anarchists or activists? Teams or lone wolves? A cabal of skilled hackers or a disorganized bunch of kids? WE ARE ANONYMOUS delves deep into the internet's underbelly to tell the incredible full story of the global cyber insurgency movement, and its implications for the future of computer security.

It started with a single look... my obsession, my desire, and need to possess the sweet, and incredibly naive Elena Romero. Dark raven hair, and piercing green eyes. She would make a beautiful bride. Ten-millions dollars and a forced signature later and she was mine. Like a thief I came in the dead of night and stole her away from her protected castle and placed her in a gilded cage made of gold. The deal had been made.She would become my wife. She would bear my children. She would bend to my will. But most importantly, she would help me destroy the man she loved most. The man who took everything from me: her father. "This is a dark mafia romance that contains mature themes and graphic violence. This is a complete standalone that ends with a happily ever after. 100,000+ words long. There is NO cheating either."

He was more than my bully, he was what living nightmares were made of..."I dare you..." It started as a childish game played between two friends, that ended in heartbreak.I knew him once. A long time ago you may have even called us friends. That was before I moved away, before my mother married his father, before my entire life fell apart. I lost everything, my friends, my popularity, my future. This was supposed to be my fresh start... my last chance at new... but it wasn't! It was real life hell. Vance Preston used to be a poor boy with a soft smile and kind eyes. He used to be my friend. Now he's God's gift to women (his words not mine), disgustingly handsome, and filthy rich. He can do whatever he wants, and hurt whomever he wants. No one can stop him, and no one dares too. He might as well be god. And his newest target: me. He dares me to defy him. He dares me to fight back.He promises he won't stop.....not until he hurts me, not until he breaks me. But I'm not afraid, because you can't break something that's already broken.**This is book two in the North Woods University Series. It can be read as a complete standalone and contains NO cliffhanger, NO cheating, and includes a HEA. Please be advised this series contains material not suitable for all readers. This is NOT a YA series. "

From the #1 New York Times bestselling author of Black Hawk Down, The "shocking" story of the country's "unlikeliest drug kingpin (The Baltimore Sun). By the early 1980s, Larry Lavin had everything going for him. He was a bright, charismatic young man who rose from working-class roots to become a dentist with an Ivy League education and a thriving practice, and a beloved father with a well-respected family in one of Philadelphia's most exclusive suburbs. But behind the façade of his success was a dark secret: Lavin was also the mastermind behind a cocaine empire that spread from Miami to Boston to New Mexico, catering to lawyers, stockbrokers, and other professionals, and generating an annual income of \$60 million for the good doctor. Now, Mark Bowden, a "master of narrative journalism" (The New York Times Book Review) tells the harrowing saga of Lavin's rise and fall in "a shocking American tragedy. . . [that] shoots straight from the hip" (Pittsburgh Post-Gazette). "An engrossing crime story and a compelling morality tale. " —The Arizona Republic "Has all the elements of a chilling suspense thriller. . . . A smoothly crafted, exciting, can 't-put-it-down book. " —The New Voice (Louisville)

A Novel

The Many Faces of Anonymous

Capitalism's Achilles Heel

Spider-man

A Memoir of Love, Loathing, and Longing

Stories

Unrequited

Imagine being married to a ruthless crime boss and him finding out that you've been having an affair. This is the case with the beautiful Marbella Trombone. She falls madly in love with Zonyai, a young hustler from South Central, Los Angeles. When her cheating husband, Franklin, discovers her own infidelity, he sends a hit squad after her and her lover. Now Zonyai and Marbella are on the run for their lives. Will they escape the wrath of the vengeful gangsta and live happily ever after? Or will their romance come to a bloody end?

For over forty years in more than sixty countries, Raymond Baker has witnessed the free-market system operating illicitly and corruptly, with devastating consequences. In Capitalism's Achilles Heel, Baker takes readers on a fascinating journey through the global free-market system and reveals how dirty money, poverty, and inequality are inextricably intertwined. Readers will discover how small illicit transactions lead to massive illegalities and how staggering global income disparities are worsened by the illegalities that permeate international capitalism. Drawing on his experiences, Baker shows how Western banks and businesses use secret transactions and ignore laws while handling some \$1 trillion in illicit proceeds each year. He also illustrates how businesspeople, criminals, and kleptocrats perfect the same techniques to shift funds and how these tactics negatively affect individuals, institutions, and countries.

THE BLOCKBUSTER HIT—Over two million copies sold! *A New York Times, USA Today, Wall Street Journal, and Publishers Weekly Bestseller "Poignant, engrossing. . . .People " Lisa Wingate takes an almost unthinkable chapter in our nation's history and weaves a tale of enduring power."*—Paula McLain *Memphis, 1939. Twelve-year-old Bill Ross and her four younger siblings live a magical life aboard their family's Mississippi River shantytboat. But when their father must rush their mother to the hospital one stormy night, Bill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Bill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #1 longest-running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantytboat life.*

Jerry Thigpen's study on the history of the Combat Talon is the first effort to tell the story of this wonderfully capable machine. This weapons system has performed virtually every imaginable tactical event in the spectrum of conflict and by any measure is the most versatile C-130 derivative ever produced. First modified and sent to Southeast Asia (SEA) in 1966 to replace theater unconventional warfare (UW) assets that were limited in both lift capability and speed the Talon I quickly adapted to theater UW tasking including infiltration and resupply and psychological warfare operations into North Vietnam. After spending four years in SEA and maturing into a highly respected UW weapons system the Joint Chief of Staff (JCS) chose the Combat Talon to lead the night low-level raid on the North Vietnamese prison camp at Son Tay. Despite the outcome of the operation the Talon I cemented its reputation as the weapons system of choice for long-range clandestine operations. In the period following the Vietnam War United States Air Force (USAF) special operations gradually lost its political and financial support which was graphically demonstrated in the failed Desert One mission into Iran. Thanks to congressional supporters like Earl Hutto of Florida and Dan Daniel of Virginia funds for aircraft upgrades and military construction projects materialized to meet the ever-increasing threat to our nation. Under the leadership of such committed hard-driven officers as Brenci Uttaro Ferkes Meller and Thigpen the crew force became the most disciplined in our Air Force. It was capable of penetrating hostile airspace at night in a low-level mountainine environment covertly to execute any number of unconventional warfare missions.

Prosecutor Defender Counselor

An Orphan X Novel

A Dark Mafia Arranged Marriage Romance

Savage Beginnings

World Gone By

Dunbar

America and the World After Bush

Everything's fair in love and murder. Sinthia Michaels has lost everything. Core McKay has nothing to lose. Core is after one thing-his mother's killer. He will stop at nothing to obtain his own version of justice, even if it means using the woman he loves to get what he wants.

They call me a monster. Murderous and hateful. Beautiful but broken. Nothing can calm the ever raging storm inside of me. As the ruthless leader of the Doubeck family there is a certain standard of brutality, I have to uphold. Then I meet her. Beautiful, innocent, and so very afraid. Valentina is a rival family's daughter, and the little temptress has purposely tangled herself in my dark web. She seeks me out, needing my help, but the price for what she wants will be steep. Since my father's death, I've needed a wife to solidify my family name, and this woman has piqued my interest. So we strike a deal, intertwining our futures. I'll put a ring on her finger, own her body, keep her safe, and kill them all. I make a vow to protect her at all costs, that is until her secrets come to light, and I'm left with the choice of becoming the monster she's only ever heard rumors about. **This is a dark arranged marriage mafia romance. It contains dub-con/non-con as well as other scenes that may be triggering to some readers.**

A reimagining of one of Shakespeare's most well-read tragedies, by the contemporary, critically acclaimed master of domestic drama Henry Dunbar, is not having a good day. In his dotage he hands over care of the corporation to his two eldest daughters, Abby and Megan, but as relations sour he starts to doubt the wisdom of past decisions. Now imprisoned in Meadowmeade, an upscale sanatorium in rural England, with only a demented alcoholic comedian as company, Dunbar starts planning his escape. As he flees into the hills, his family is hot on his heels. But who will find him first, his beloved youngest daughter, Florence, or the tigresses Abby and Megan, so keen to divest him of his estate? Edward St Aubyn is renowned for his masterwork, the five Melrose novels, which dissect with savage and beautiful precision the agonies of family life. His take on King Lear, Shakespeare's most devastating family story, is an exhilarating novel for and of our times - an examination of power, money and the value of forgiveness.

Using a developmental approach to the process of criticism, Making Sense of Messages serves as an introduction to rhetorical criticism for communication majors. The text employs models of criticism to offer pointed and reflective commentary on the thinking process used to apply theory to a message. This developmental/apprenticeship approach helps students understand the thinking process behind critical analysis and aids in critical writing.

Kneel

Middle Men

The Memoirs of Robert B. Flske, Jr

Hacker, Hoaxer, Whistleblower, Spy

Worth the Chase

A South Central Love Affair

American Kleptocracy

Provides an insider's view of the colorful cases and important legal battles fought by the prominent trial attorney who was called in on the Whitewater controversy, the Three Mile Island nuclear disaster and the Bernie Madoff cases.

A love story that can only end in tragedy... She was never part of the plan. She was never to become anything. She was simply a payment, and once the debt was settled, she would be nothing to me. She thought her life had changed in a blink of an eye the moment she came home to see her father strapped to a chair, a gun being held to his head. It was my life that changed that day, not hers. The blood of my enemy ran through her veins, and no matter how much she wanted to save me, she never would have. I am can't be saved. I would consume the world in a blaze of fire before my need for vengeance was ever fulfilled. They say the truth will set you free... I thought she had betrayed me in ways I never expected, but in the end, it was I who had committed the ultimate betrayal. Doubts ruin, truths hurt, and just one lie can destroy an entire army. If being the king has taught me anything, it's that everyone desires the truth, but no one wants to be honest. The monster inside of me has been set free, and I will stop at nothing to protect my enemies. I am a living, breathing, killing machine... This war has just begun.

It was a debt to be settled, a price to be repaid. Sold. My body, mind, and soul, given to the most terrifying man I've ever met. Enzo King. Violent, commanding, gorgeous, and sinister. He's a killer, a thief, and feared by many. He has the ability to pin me to the ground with one single look and make me feel things I don't want to. Feeding off my fears, he holds me captive in his mansion away from the rest of the world. I know what's to come. He'll break me. Take from me. Own me. Soon enough my life will no longer be mine but his. Every part of my body, every breath I take, and every beat of my heart will belong to him. He's determined to settle the debt by taking everything from me, what he doesn't know is that he'll never have my soul or my love.

Someone is assassinating the financial industry's most powerful players—in cold blood and in broad daylight—in intricate, eerily relevant new thriller from Alan Glynn, the award-winning author of Bloodland and Limitless. On a bright Saturday morning, a Wall Street investment banker is shot dead while jogging in Central Park. Hours later, one of New York City's saviest hedge-fund managers is gunned down outside a restaurant. Are these killings a coordinated terrorist attack, or just a coincidence? Investigative journalist Dorsey has a hunch they're neither, and when an attempt is made on the life of another CEO, her theory is confirmed. The story blows wide open, and as Ellen races to stay ahead of the curve, her path collides with that of a recession-hit architect, Frank Bishop, whose daughter's disappearance may be tied to the murders. Set deep in a shadow world of corrupt business deals and radical politics—with a plot that echoes today's headlines in haunting and unexpected ways—Graveland is a mind-blowing thriller that into every page.

Vow to Protect

Hating You

Their marriage was nothing more than a business transaction. Or at least that was what they told themselves.Poppy Weston had been burned enough times by underserving men to know her heart was best left under lock and key. She was content with her life, even with the lack of romance. Then Jase Hyland walked into Redbud Inn and offered her something she couldn't refuse. In return, all she had to do was marry him.Jase had seen firsthand the kind of damage relationships caused, and he wanted nothing to do with it. He'd been taught from a young age that the only things that should matter to a man were wealth and power. However, all it took was a series of events to lead him down a path he never expected to travel. It was supposed to be simple. No feelings, no emotions, just two friends entering into a mutually beneficial arrangement. He thought he had it all figured out. . . . until he went and fell for his wife.

James Murphy is a Marine Corps sniper. He's done two tours in Afghanistan. He's considered an American Hero. And James is out for revenge. Alejandro Rocha, a massively powerful drug kingpin who operates out of La Paz, Mexico, is responsible for James's sister, Layla's death, and he intends to make Rocha pay for it. James goes AWOL from his unit and travels to Mexico, ready to enact bloody vengeance, but before he can

go through with his plan, he is arrested by the crooked police of La Paz. He's quickly thrown into a dangerous prison on trumped-up charges. He knows he is marked for death while in this prison and there's nothing he can do about it. However, there is a group of people who can do something about it. Discovering that James is wasting away in a Mexican prison, the marines in his unit decide to risk court-martial themselves and go AWOL as well, ready to go to war in order to break their brother out. And that's just the beginning of the mayhem and violence.

Meet the men of Oxford magazine! In the first captivating spin-off of Lauren Layne's Sex, Love & Stiletto series, a not-so-friendly battle of the sexes turns into a scorching office romance. Hotshot sports editor Cole Sharpe has been freelancing for Oxford for years, so when he hears about a staff position opening up, he figures he's got the inside track. Then his boss drops a bombshell: Cole has competition. Female competition, in the form of a fresh-faced tomboy who can hang with the dudes—and write circles around them, too. Cole usually likes his women flirty and curvy, but he takes a special interest in his skinny, sassy rival, if only to keep an eye on her. And soon, he can't take his eyes off her. Penelope Pope knows all too well that she comes off as just one of the guys. Since she's learned that wanting more usually

leads to disappointment, Penelope's resigned to sitting on the sidelines when it comes to love. So why does Cole make her want to get back in the game? The man is as arrogant as he is handsome. He probably sees her as nothing more than a barrier to his dream job. But when an unexpected kiss turns into a night of irresistible passion, Penelope has to figure out whether they're just fooling around—or starting something

real. Praise for Irresistibly Yours "Irresistibly Yours has it all: fun banter, hot chemistry, and a couple that you just can't help but want to be together!"—New York Times bestselling author Marquita Valentine "Lauren Layne had me at baseball, and I stayed up way too late devouring Cole and Penelope's story. Sassy, sizzling, and sexy (with sports). This one's a grand slam!"—Tracy March, author of Should've Said No

The Linguistics Behind Smiley Faces and Scaredy Cats

A demanding billionaire. An innocent girl. What happens when he buys her at an auction? They are from different worlds. He is dangerous and powerful and he likes to play games. She has debts to pay. In the middle of the ocean, trapped on a luxury yacht, Ellie's in over her head. There's no way out. And the auction starts... _____ This is a Prequel to the Black Series. It features the same couple, the same Alpha hero, and the same strong heroine.

_____ Praise for Charlotte Byrd "This series thrilled me from the first page and had me completely engrossed.The pacing and plot was excellent. It had the perfect amount of twists and turns, luring me into the fantasy of this amazing book.The story was well-crafted, starting off with characters I fell in love with. I instantaneously bonded with the heroine and of course Mr. Black. YUM.It's sexy, it's sassy, it's steamy. It's everything.I loved every second of it and was so thrilled to have had such a treat." - Khardine Gray, bestselling romance author"Her words make me ache and yearn for more." - Dancer in the Dark"The story is dark and enticing, taking me deeper into a world from which I never want to emerge." - Lover of Alpha "Addictive and damaged, their love burns slowly but deeply." - Heroes and Alphas "Their chemistry sizzles right from the beginning. He's the gorgeous and dangerous stranger we all need in our life." - Making Words Up"Her words made me fall in love. It slayed me!" - Sizzling Books"Left my head spinning! I never wanted it to end!" - Heartbreakers and Heroes

A love story that can only end in tragedy... She was never part of the plan... never to become anything. She was simply a payment, and once the debt was settled, she would be gone from my life forever. I was foolish to think it would be that easy. The blood of my enemy runs through her veins, and no matter how much she wants to save me, she never will. Betrayal, lies, and hate. The monster inside of me has been set free, and I will stop at nothing to destroy my enemies. I'm a living, breathing, killing machine, and this war has just begun.

"I'm reading this book right now and loving it!"--Cheryl Strayed, #1 New York Times bestselling author of Wild How can a mother and daughter who love (but don't always like) each other coexist without driving each other crazy? "Vibrating with emotion, this deeply honest account strikes a chord."--People "A wry and moving meditation on aging and the different kinds of love between women."--O: The Oprah Magazine After surviving a traumatic childhood in nineteen-seventies New York and young adulthood living in the shadow of her flamboyant mother, Rita, a makeup-addicted former television singer, Elissa Altman has managed to build a very different life, settling in Connecticut with her wife of nearly twenty years. After much time, therapy, and wine, Elissa is at last in a healthy place, still orbiting around her mother but keeping far enough away to preserve the stable, independent world she has built as a writer and editor. Then Elissa is confronted with the unthinkable: Rita, whose days are spent as a flâneur, traversing Manhattan from the Clinique counters at Bergdorf to Bloomingdale's and back again, suffers an incapacitating fall, leaving her completely dependent upon her daughter. Now Elissa is forced to finally confront their profound differences, Rita's yearning for beauty and glamour, her view of the world through her days in the spotlight, and the money that has mysteriously disappeared in the name of preserving youth. To sustain their fragile mother-daughter bond, Elissa must navigate the turbulent waters of their shared lives, the practical challenges of caregiving for someone who refuses to accept it, the tentacles of narcissism, and the mutual, frenetic obsession that has defined their relationship. Motherland is a story that touches every home and every life, mapping the ferocity of maternal love, moral obligation, the choices women make about motherhood, and the possibility of healing. Filled with tenderness, wry irreverence, and unforgettable characters, it is an exploration of what it means to escape from the shackles of the past only to have to face them all over again. Praise for Motherland "Rarely has a mother-daughter relationship been excavated with such honesty. Elissa Altman is a beautiful, big-hearted writer who mines her most central subject: her gorgeous, tempestuous, difficult mother, and the terrain of their shared life. The result is a testament to the power of love and family."--Dani Shapiro, author of Inheritance

The King Crime dark mafia duet is complete and available for a limited time in one boxed set. Two stories, one epic conclusion. A love story that can only end in tragedy...BOOK ONE: INDEBTEDIT was a debt to be settled, a price to be repaid.Sold. My body, mind, and soul, given to the most terrifying man I've ever met.Enzo King.Violent, commanding, gorgeous, and sinister.He's a killer, a thief, and feared by many.I know what's to come.He'll break me.Take from me.Own me.Soon enough my life will no longer be my own, but his.BOOK TWO: INEVITABLE A love story that can only end in tragedy...She was never part of the plan... never to become anything. She was simply a payment, and once the debt was settled, she would be gone from my life forever. I was foolish to think it would be that easy.
