C'Lick Me: A Netporn Studies Reader is an anthology that collects the best material from two years of debate from The Art and Politics of Netporn 2005 conference to the 2007 C'Lick Me festival. The C'Lick Me reader opens the field of 'Internet pornography'. Based on non-conventional approaches and mixing academics, artists and activists, it reclaims a critical post-enthusiastic, post-censorship perspective on netporn, a dark field that has been dominated thus far by dodgy commerce and filtering. The C'Lick Me reader covers the rise of the netporn society from the Usenet underground to the blogosphere, analyses economic data and search engine traffic, compares sex work with the work of fantasy, disability and accessibility. The reader also expands the notion of digital desire beyond the predictable boundaries of the porn debate and depicts a broader libidinal spectrum ranging from fetish subcultures to digital alienation, from code pornography to war pornography. C'Lick Me concludes by re-contextualising queer discourse into a post-porn scenario.

A Sizzling Vampire Romance She's fire. He's fangs. It's a match made in...Ohio?

*To take over a local pack Cajun werewolf Jace Jones must take a mate ... but she wants nothing to do with a big, bad biker who sometimes turns furry. "You don't have to do anything. I'm gonna take care of everything." I mean it, too. While sinking my d*ck inside her tops my current wish list, I also intend to make this good for her. She's had a sh*t deal in life, and I absolutely want to kiss her better. The way I see it, all she has to do is enjoy. I'll do all the rest. I'm practically a Boy Scout and she can pin the medal to my goddamned chest later. First, I have my mate to kiss. To keep the peace between two rival wolf packs, Cajun werewolf Jace Jones agrees to become the alpha of The Breed pack and motorcycle club. There's just one catch: he needs to mate the former alpha's daughter and he's damned certain she hasn't chosen him. His new mate is sweet and sexy as sin, but she's also been brutalized by the pack and the last thing she needs is one more wolf in her life. But before he can take his place as leader of the Breed, he'll have to teach his woman her place ... in the club, in his arms, and in his heart. Werewolf bikers? Pass. Keelie Sue Berard has spent a lifetime trapped in the motorcycle club's misogynistic world, first as the alpha's daughter and then as a mate. She's kept her mouth shut and her head down trying to survive, so she'll do whatever it takes to walk away free to live her own life. But Jace terrifies her. He protects her. He owns her. And now he wants her ...*

I wasn't supposed to be possible. Dead means dead, and the dead don't reproduce. But when Lucifer ceased to exist, things went a little haywire for a while, opening a strange supernatural phenomena that made a lot of things possible, including me. Not that I'm complaining, but being the living, breathing daughter of Death and Fate has its own set of challenges. Like career day at school. Every year it was the same thing. And every year I was sent to the principal's office and scolded for terrifying the other kids when I told the truth about my parents. So much for being honest. Which

brings me to my current predicament. No one knows what my destiny is supposed to be. It's not written in any of my mother's books, and although the reapers think I'm destined to take over as the Grim Reaper, my father does not want me to go into the family business. But I'm not sure I have a choice.

Why does society have difficulty discussing sexualities? Where does fear of Black sexualities emerge and how is it manifested? How can varied experiences of Black females and males who are lesbian, gay, bisexual, transgender (LGBT), or straight help inform dialogue and academic inquiry? From questioning forces that have constrained sexual choices to examining how Blacks have forged healthy sexual identities in an oppressive environment, *Black Sexualities* acknowledges the diversity of the Black experience and the shared legacy of racism. Contributors seek resolution to Blacks' understanding of their lives as sexual beings through stories of empowerment, healing, self-awareness, victories, and other historic and contemporary life-course panoramas and provide practical information to foster more culturally relative research, tolerance, and acceptance.

Every porn scene is a record of people at work. But on-camera labor is only the beginning of the story. *Porn Work* takes readers behind the scenes to explore what porn performers think of their work and how they intervene to hack it. Blending extensive fieldwork with feminist and antiwork theorizing, *Porn Work* details entrepreneurial labor on the boundaries between pleasure and tedium. Rejecting any notion that sex work is an aberration from straight work, it reveals porn workers' creative strategies as prophetic of a working landscape in crisis. In the end, it looks to what porn has to tell us about what's wrong with work, and what it might look like to build something better.

Everyone said to let her go. To let the devil and her dark masters have her. But he can't do that. He just can't. Everyone told him Cass couldn't be saved. All of them, even Allie and Jon, Cass's childhood friends, believe she's too far gone. She chose the darkest of dark paths, betraying everyone who loved her, nearly killing her best friend, Allie, and destroying Allie's mind in the process. After Cass became a minion of the dark being, Shadow, she nearly killed them all. After everything she put them through, the rest of their team mostly wants her dead. But Balidor can't bring himself to let her go. Using his vast abilities and psychic training, he leads Cass through the darkness of her own mind, trying desperately to bring back the woman he loved before Shadow broke her. In the process, he is forced to face a darkness in himself, something he thought he'd left behind long ago. SERIES NOTE: This is a companion novel to the Bridge & Sword world, and takes place between books #8 and #9 in the main series. Synopsis for the Bridge & Sword Series The Bridge & Sword series is a psychic romance set in a unique, gritty version of Earth populated by a second race of psychic beings called Seers. Its heroine, Allie Taylor, marked "The Bridge" from birth, was born to be the leader of the Seer race and the bringer of the next stage in humanity's evolution. To many Seers, that means the death of just about every human on the planet. She is helped and hindered, awakened and impeded by her antihero partner, Dehgoies Revik, whose on-again-off-again relationship with the dark beings known as the Dreng may destroy them both and the entire human race.

A dragon's fire can melt the coldest heart. Most of the magic has gone from the world. So when a vision of a golden-eyed prince appears to Marie, she knows it must be significant. On the eve of the most important night of her life, a gorgeous older man arrives in Tarker's Hollow and presents Marie with an unusual gift: a magnificent clockwork dragon. The race is on. Can Marie resist her newfound passions long enough to solve the mystery of the golden-eyed prince and the clockwork dragon before it's too late? Will she unlock the magic inside herself in time to save her family? And will the stunning stranger unleash the desires she is trying so hard to keep at bay? The Clockwork Dragon is a steamy, standalone novella, set in the world of Tarker's Hollow, home to the bestselling Curse of the Alpha series. The Clockwork Dragon was originally published as part of A Very Alpha Christmas.

Mornings are a challenge with Damian being mortal, he instinctively dives for the floor when dawn's light illuminates the bed. The scald of whiskey, and the way Naomi feels, are the only constants which haven't changed. However, his mortal world begins to shine when fatherhood hits his horizon. Plans for a bright future disintegrate when Lucifer comes to claim their Trinity child, playing dirty by framing Damian for murder. Now, Damian and Naomi are on the run from both Lucifer and the law. They find an ally in a most unlikely source, ex-FBI agent Steve Williams and his family; a family with enough psychic energy to wage a war and realign the universe. With their new friends as part of the dynamic, Damian and Naomi are desperate for victory against the devil. One wrong step and they could trigger Armageddon, or worse, the hope for our future could fall into Lucifer's greedy grip.

Vivian is part of a dying race ... vampires. She has enough on her mind without a sexy djinn getting thrown into the mix. However, once she meets him, Vivian doesn't have the power nor the desire to resist the djinn when he says, "Let me give you clarity. For three days your life will be on pause. The sun will not rise and your ship will not make port. Everything will appear to continue, only it will not. Enjoy these moments ... Get to know me if you like. These three days are my gift to you. Should you desire more, all you have to do is ask." Warning: This book contains graphic sex (with multiple partners), and graphic language. Oh, and did I mention the wicked sexy djinn? Yeah, he needs a warning all his own.

In this quirky first novel, the U.S. Forestry Department mistakenly delivers 1,000 spruce tree seedlings to former attorney Horace, who decides to plant the tiny trees in the wild. Horace's wife begins to think he's gone mad. Into the mix come an ex-convict, who helps Horace plant the trees, and his girlfriend. Four souls adrift finally come together on a Maine island, where they discover unexpected joy in each other's company and ultimately come together as a family.

Back in 1974, the sexual revolution was in full swing and the adult entertainment business was on the verge of becoming Big Business. Deep Throat had created America's first porn star in 1972, but by 1974 Linda Lovelace was already retired and the industry was seeking the next big thing. Vanessa del Rio should have been that thing, except in 1974 there were no ethnic sex stars. Undeterred, Vanessa took any role they'd give her, because, amazingly, she was there for the sex more than the money. Fans, awed by her ferocious onscreen sexuality, made her a top box office draw and America's first Latina star. Retired since 1986, Vanessa del Rio remains a sexual icon who cuts across all ethnic boundaries. What her fans don't know is that her real life was, and is, as wild as anything she did on film. In this sumptuous over-sized volume, TASCHEN celebrates a remarkably candid, confident and exuberantly sexual woman. Presented through Vanessa's own archive, in her own words, is a life at once shocking, titillating, amusing, and inspiring. And because paper and ink can't do justice to a personality this big, an original 140 minute DVD documentary is included. If you aren't already convinced, this book will end all doubt that there could ever be another woman like Vanessa del Rio. Vanessa del Rio is limited to a total of 1,500 numbered copies, each signed by Vanessa ? 1,300 copies in the Collector's Edition ? 200 copies in the Art Edition, with a signed watercolor lithograph of Vanessa by acclaimed artist Robert Crumb * Bonus for one lucky reader: one of the 1,500 copies contains a Golden Ticket good for an all-expenses paid evening with Vanessa, to be documented by a world famous photographer!! *?She is a person I dreamed about having sex with. Together in one volume for a limited time only...Read the adventures of the Raines sisters as they change the fate of an alien world. Book One: ALIEN'S CAPTIVEDriving through an empty desert in the middle of the night, Adrienne and Ebony Raines never expected to come across two UFOs, let alone be captured by them.Waking up on an alien ship,

the sisters find they've been taken along with other women by the small grey aliens and brought to a strange world filled with giants who wanted them only for breeding purposes. Unfortunately for Adrienne, her attempts at escape only bring her to the attention of the Captain of the Guard, Dezec Zeta, who wants to tame the wild beauty for himself. Rating: Novella. Highly sensual content and language. Fun, short, sexy read. Book Two: ALIEN INSURGENCE Stolen from Earth, Ebony realizes she must do whatever it takes to survive her captivity in an alien king's harem. What she didn't count on was being abducted by the rebel alliance. But if their purpose is to ransom the women, why then does their enigmatic leader, Fallon, tease her with his body? Why does his second in command, Damon, attempt to seduce her? She knows to give in to her impulses could only spell trouble for them, for the King will find them. And when he does, his vengeance could destroy them all. RATING: Full Novel- 65,000+ words. Futuristic romance containing highly detailed and consensual encounters as well as moderate violence.

A new paranormal romance series featuring heroes from various mythologies from around the world! When Hannah is sent by her boss to deliver a red envelope to an office she had been told was off-limits to non-executives, she soon finds that sometimes it's humans and not the man with the horns who are the real demons and that the layer beneath the reality she has always known is more wondrous and scary than she could have ever dreamed. Contains mature content, language, and lovable demons. Each book can be read as a standalone.

The complete first story arc in the Riverford Shifters paranormal romance series from New York Times & USA Today Bestselling author Cristina RayneKylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Complete Edition includes Parts 1-4: Transformation, Revelation, Ramification, and Infiltration. Contains strong sexual content and language, intended for readers 18+.

A protector. A lost soul. A siren looking for salvation. Kylee Paradox never expected to be a protector of humankind, but when hell's portals open and let loose the creatures of the underworld, she can't see any other way. Armed with an ultimatum, Kylee has no choice but to embrace her new position as bounty hunter of the damned. Sending these monsters back to purgatory becomes her life's mission. The only glitches in an otherwise noble pursuit are those who hold her fate in their hands. They forbid her from using her deadly siren song to lure the beasts back to the pit. If she harms even a single innocent soul in her quest, Kylee herself will become one of the hunted. Various disciplines that deal with Achaemenid rule offer starkly different assessments of Persian kingship. While Assyriologists treat Cyrus's heirs as legitimate successors of the Babylonian kings, biblical scholars often speak of a "kingless era" in which the priesthood took over the function of the Davidic monarch. Egyptologists see their land as uniquely independently minded despite conquests, while Hellenistic scholarship tends to

evaluate the interface between Hellenism and native traditions without reference to the previous two centuries of Persian rule. This volume brings together in dialogue a broad array of scholars with the goal of seeking a broader context for assessing Persian kingship through the anthropological concept of political memory.

About the Captured by a Dragon-Shifter Series
Welcome to the dangerous world of Qurilixen where dragon-shifters and cat-shifters rule as fiercely as they love. They might have escaped human persecution long ago to live on their own terms, but now must return to Earth to ensure their survival. For Qurilixen Fans A modern day prequel series installment to those first books (Dragon Lords & Lords of the Var®), taking place long before the princes you know and love ever found their mates, long before The Dragon's Queen, in a time when the dragon-shifters and cat-shifters actually-wait for it-liked each other and hung out as friends. They also don't have Galaxy Brides to bring them women. What they do have is the old portal that they used to escape Earth. There's no one left to marry on the planet and things are starting to get desperate. This series can be read as a standalone. Praise For Stranded with the Cajun 5 Stars! Showcases an array of both familiar and unknown photographic works of black women, citing the cultural and sociological histories of the past 300 years reflected in them, from images of South African studies to the Harlem Renaissance and the civil rights movement.

When a wolf shifter with commitment issues teams up with a runaway bride to find her a new groom- the claws come out and the fur flies! Meet Sandra, a runaway bride looking to provide for her widowed mother, and Naythan, a wolf shifter determined never to settle down. When their paths cross, they agree to help each other out. He'll help her find a husband and tie the knot if she'll help him avoid an ex set on roping him into a similar fate. They seal the deal over the objections of his wolf, who's already scented her as his and has no interest in seeing her mated to anyone else.

Exploring music videos, Cosmogirls, Gaydar online forums, streetadvertising, retro pin-ups, film and educational sex videos the contributors describe the transformation of porn in today's media and its impact on culture.

Special Agent Jame Bradshaw has five dead senators on her hands...and a pack of trouble between her claws. As the newest team leader for the Paranormal Crimes Division, this feisty shifter is smack in the middle of a political hornet's nest waiting to implode. With the mass murder at the Capitol building and the city under a red alert, paranoia spreads like wildfire. She must solve this mystery before the higher-ups call for head. When former vampire vigilante and newly minted PCD agent, Drake,

shows up to the scene, the case heats up and so does the tension. Fighting off the charms of a lethal hundred and fifty year old vamp may prove Jame's final undoing...in the most delicious ways. But if this alpha shifter doesn't learn to let down her defenses and channel the passion into a true partnership, she'll risk losing more than her badge.

A daring collaboration among scholars, *Black Sexual Economies* challenges thinking that sees black sexualities as a threat to normative ideas about sexuality, the family, and the nation. The essays highlight alternative and deviant gender and sexual identities, performances, and communities, and spotlights the sexual labor, sexual economy, and sexual agency to black social life. Throughout, the writers reveal the lives, everyday negotiations, and cultural or aesthetic interventions of black gender and sexual minorities while analyzing the systems and beliefs that structure the possibilities that exist for all black sexualities. They also confront the mechanisms of domination and subordination attached to the political and socioeconomic forces, cultural productions, and academic work that interact with the energies at the nexus of sexuality and race. Contributors: Marlon M. Bailey, Lia T. Bascomb, Felice Blake, Darius Bost, Ariane Cruz, Adrienne D. Davis, Pierre Dominguez, David B. Green Jr., Jillian Hernandez, Cheryl D. Netporn delves into the aesthetics and politics of sexuality in the era of do-it-yourself (DIY) Internet pornography. Katrien Jacobs, drawing on digital media theory and interviews with Web porn producers and consumers, offers an unprecedented critical analysis of Web culture as digital artistry and of the corresponding heightened government surveillance and censorship of the Internet. *Netporn* features Web users who question the goals of global commercial porn industries-whether they are engaged in Usenet fringes, video blogging, peer-to-peer distribution, porn art collectives, or decadent amateurism. Emphasizing gender and cultural differences, Jacobs shows how the creative uses of netporn images and services are important ways of exploring or redefining the 'network body' and indispensable ingredients of a maturing network society.
